DIRECTORS' REPORT

FOR THE YEAR ENDED 31 DECEMBER 2024

The Directors present their report and financial statements for the year ended 31 December 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006, the Charities Act 2011, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019).

Objectives and activities

The principal activity of the charity is the advancement of education and research in the fields of cardiac or thoracic anaesthesia.

The Association for Cardiothoracic Anaesthesia and Critical Care aims to advance education in the field of cardiothoracic anaesthesia and critical care by organising meetings aimed at Consultants and Doctors in training. The meetings comprise of lectures by experts, practical demonstrations and free papers of researchers in this field. The meetings have been developing over recent years from a one-day meeting in Spring and Autumn into two or three day meetings with satellite meetings sometimes focussed on related areas of interest such as transoesophageal echocardiography, intensive care or thoracic anaesthesia. Some of these meetings have been joint meetings with other specialist societies such as the Intensive Care Society, the British Society of Haematology, the Society of Cardiothoracic Surgeons or, as in 2018, the European Society for Cardiothoracic Anaesthesiology and Intensive Care (EACTAIC).

Research in the field of cardiac and thoracic anaesthesia is promoted in various ways as outlined below in the Grant Making Policy.

Free papers are requested and presented as posters and verbal presentations at most ACTACC meetings. The Hargadon Memorial prize is awarded for the best oral presentation at the free papers and has recently been increased to £200 with a prize of £100 for the second placed paper and similar prizes for the best two poster presentations.

Grant making policy

ACTACC normally funds an annual award up to a limit of £15,000, which is assessed through the National Institute of Academic Anaesthesia (NIAA). This amount was doubled to £30,000 during the last 10 years, by the strategy to provide grant allocations only every other year. No grants were made in 2024 due to a lack of any applications.

The 2024 NIAA grant contribution of £30,000 by ACTACC has been agreed to be repeated for the second NIAA grant round in 2025 in collaboration with the Association of Anaesthesia, who will be contributing the same amount. This will use £15,000 not allocated in 2023 with the £15,000 from 2024.

ACTACC also funds Travelling Fellowships for trainees and newly appointed consultants in the form of the Bill Pallister Travelling Fellowship Award (Restricted Fund). There were no applications for this Fellowship in 2024.

ACTACC

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

Achievements and performance

ACTACC continues to have stable membership numbers. It is growing in diversity, and increasing emphasis has been put on making sure the views and issues of sub-groups within the cardiothoracic anaesthetic community are represented. Forward development of the association involved starting sub-committees led by the ACTACC Directors with ACTACC members joining to help develop resources and educational & research services for members. More recently the views of our cardiac surgical colleagues and SCTS have been represented at our executive board meetings.

New elections of ACTACC board members in 2024 included appointing Dr Alison Evans as a full Director and Treasurer from her role as a trainee representative. Dr Ravish Jeeji stepped off of the Board due to ill health. Dr Joe Arrowsmith, Director, who was appointed as the President of ACTACC at the charity's AGM in Glasgow on 19 November 2021 remained the President until the AGM in Cardiff in July 2024. In July 2024 Dr Mark Steven was appointed as President and Dr Gudrun was appointed as Secretary and President-elect.

A grant of £20,000 was received from Medtronic to sponsor ACTACC develop a webinar programme of educational sessions for our members.

The Annual Scientific Meeting took place as a very successful face-to-face Conference in Cardiff on 4th and 5th July 2024. The next annual scientific meetings will take place in Leicester 2025 this year, in London 2026 and in Blackpool 2027.

Financial review

Per the Statement of Financial Activities on page 5, the charity reported a Surplus for the year of £28,503 (2023 - Deficit £34,399) and total funds at 31 December 2024 of £275,662 of which £203,937 (74%) were Unrestricted.

Reserves policy

It is the policy of the charity to maintain Unrestricted Funds at a level that equates to approximately six months of unrestricted expenditure. At 31 December 2024, the charity's free reserves per Unrestricted Funds amounted to £203,937. Although above the required level, the reserves were acceptable to the Directors in view of the possibility of the charity having to underwrite deficits from future Meetings.

Risk management

The Directors has assessed the major risks to which the charity is exposed, in particular those related to the operations and future of the charity and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The Association of Cardiothoracic Anaesthetists ("the charity") is a company limited by guarantee (No. 4577152) governed by its Memorandum and Articles of Association. The charity is an English registered charity (No. 1098009) and also a recognised Scottish Charity (No. SC039915).

The Directors who served during the year and up to the date of signature of the financial statements were:

J E Arrowsmith

G Kunst

M Steven

S Agarwal

A Ahmed

C Walker

C A Boynton

R Jeeji

G Martinez

A Evans

(Resigned 1 December 2024)

(Appointed 5 July 2024)

ACTACC

DIRECTORS' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2024

Appointment of Directors

Directors of ACTACC are appointed for an initial term of three years, renewable for a further three years. They may only serve two consecutive terms. Appointment is by nomination from within the membership of ACTACC and, if necessary, by postal ballot. The Directors agree among themselves regarding their various roles.

New Directors take part in an induction programme, which aims to familiarise them with the charity's values, aims and objectives together with its day-to-day operations, in addition to clarifying their statutory responsibilities as Directors of a company limited by guarantee and as Trustees of a charity.

Organisational structure

The Directors are responsible for the direction and administration of the charity and serve on a voluntary basis.

Administrative Support for ACTACC

Event Management Direct (EMD) are the company who continue to provide administrative support for ACTACC and EMD also organises the ASM.

Public Benefit Statement

The Directors confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their duty and powers.

Independent examiner

The Directors recommend that David Jeffcoat, FCCA, a partner in Alexander Sloan, Accountants and Business Advisers, remains in office as independent examiner until further notice.

The Directors' Report was approved by the Board of Directors.

ACTACC

INDEPENDENT EXAMINER'S REPORT TO THE DIRECTORS OF ACTACC

I report to the Directors on my examination of the financial statements of ACTACC for the year ended 31 December 2024.

Responsibilities and basis of report

As the Directors of the charity (and also its Trustees for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 (the 2005 Act), the Charities Accounts (Scotland) Regulations 2006 (as amended), the Companies Act 2006 (the 2006 Act) and the Charities Act 2011. You are satisfied that the financial statements of the charity are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that financial statements of charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of charity's financial statements carried out under section 44 (1) (c) of the 2005 Act and section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination, I have followed the requirements of Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended) and all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity is required by company law to prepare its accounts on an accruals basis and is registered as a charity in Scotland, your examiner must be a member of a body listed in Regulation 11(2) of the Charities Accounts (Scotland) Regulations 2006 (as amended). I confirm that I am qualified to undertake the examination because I am a member of ACCA, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

ACTACC

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

Charity information

ACTACC is a private company limited by guarantee incorporated in England and Wales. The registered office and principal place of business is c/o Event Management Direct, Unit 9, Hydra Business Park, Nether Lane, Sheffield, S35 9ZX.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006, the Charities Act 2011, the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Directors have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Directors continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Directors in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations and membership subscriptions are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Income from Charitable Activities

Income from charitable activities includes income earned both from the supply of goods or services under contractual arrangements and from performance-related grants which have conditions that specify the provision of particular goods or services to be provided by the charity. Income from charitable activities is recognised as earned (as the related goods or services are provided).

ACTACC

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies

(Continued)

Investment income

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

1.5 Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured or estimated reliably.

Liabilities are measured on recognition at historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date. The exception is that certain financial instruments must be adjusted to their present value; these include financial liabilities where settlement is deferred for more than 12 months after the reporting date.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

Charitable activities

Expenditure on charitable activities includes all costs incurred by the charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities. The costs of charitable activities presented in the Statement of Financial Activities includes the costs of both direct service provision and the payments of grant awards if applicable.

Grant expenditure

Grants payable are made to third parties in the furtherance of the charitable objects. The award of a grant is recognised as a liability only when the criteria for a constructive obligation are met, payment is probable, it can be measured reliably and there are no conditions attaching to its payment that limit recognition.

In the case of an unconditional grant offer, this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one-year or multi-year grant. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the charity.

Governance costs

Governance costs (which are included as a component of support costs in accordance with SORP) comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include those related to constitutional and statutory requirements, external scrutiny (audit or independent examination), strategic management, and other legal and professional fees.

Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

ACTACC

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2024

1 Accounting policies (Continued)

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Bill Pallister Travelling Fellowship Award Fund

The Bill Pallister Travelling Fellowship Award Fund represents legacy income that was received from the Estate of the late Bill Pallister.

An amount of £5,000 is available during any single calendar year, and will usually be paid to a single applicant but may be divided between applicants, at the discretion of the Education Committee. The award is intended to support a trainee or consultant within three years of appointment to travel to an overseas centre of interest.
