REPORT OF THE TRUSTEES

FINANCIAL REVIEW

As at 30 June 2022 the total incoming resources was £68478.00 in unrestricted fund and the total outgoings was £114318.00 leaving a deficit of £45840.00. The Trustees consider the need for the charity to hold reserve (unrestricted fund, and not represented by fixed asset) equivalent to 3 months expenditure in order to ensure the ongoing delivery of its charitable objects during time of unforeseen down turn in income. The Trustees acknowledge that in the year under review the charity was unable to meet this need and that the charity should aim to improve and look at other sources to generate income to continue to meet its need.

PLANS FOR FUTURE PERIOD

With the impact of covid-19 pandemic gradually and thankfully reducing, the Church continue to adjust and, ensure the Charity continues to explore ways of furthering its charitable objects in an effective manner. This is done by ensuring there is awareness of its services and proactively seeking opportunities to be more involved in the community. The charity endeavour to provide services that meet the needs of the public and contribute positively in the moral and spiritual climate of our community. These reflect its Christian ethos and belief.

TRUSTEES' RESPONSIBILITIES STATEMENT

The Trustees are responsible for preparing the Trustees Report and the Financial Statements in accordance with appropriate accounting standards. (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the balance sheet date and of its incoming resources and applications of resources for the financial year. In preparing those financial statements the Trustees should follow best practice and:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the ongoing basis unless it is inappropriate to presume that the charity will continue on that basis.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statement comply with 2011 Charity Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

MEMBERS OF THE BOARD OF TRUSTEES

In accordance with charity law, as trustees, we certify that:

So far as we are aware, there is no relevant information of which the charity's accountants are unaware; and as the trustees of the charity we have taken all steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the Charity's accountants are aware of that information.

INDEPENDENT EXAMINERS REPORT

Independent Examiner's Report to the Trustees of Dominion House International.

I report on the accounts of the above Charity for the year ended 30 June 2022 set out on pages 5 to 11.

Respective responsibilities of trustees and independent examiner

The Trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Direction given by the Charity commission (under section 145(5)(b) of the 2011 Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below:

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements
 - To keep accounting records in accordance with section 130 of the 2011 Act; and
 - To prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
2. To which in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. Accounting Policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

(a) Basis of Accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Statement of Recommended Practice, Accounting and reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102).

(b) Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Unrestricted funds may include a revaluation reserve representing the restatement of investment assets at market values where applicable. Designated funds are unrestricted funds earmarked by the Trustees for particular purposes. Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

(c) Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Invested income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

(d) Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage.
