Dover Gymnastics Club Report of the trustees for the year ending 31 March 2025

Charity Number 1098350

The trustees are pleased to present their annual directors' report together with the consolidated financial statements of the charity for the year ending 31 March 2025 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The Charity trustees are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required for this year under section 144 of the charity act 2011 and that an independent examiner is needed.

The Charity (Dover Gymnastics Club) has over the last years 2024-2025 managed to survive the various challenges we faced as an organisation.

This year thanks to the operational improvement we have implemented we had a rise in the membership and a substantial increase in our revenue. We have also developed a range of activities to increase participation from a wider category of people.

We have invested in new equipment and apparatus We have managed to reduce significantly our deficit and turn it into a surplus of £ 16000. We are glad to report that the club is healthy and has received a large support from parents and members through their donations during the financial year.

The Charity Trustees would like to thank all Parents and volunteers who have participated in making our Club what it is. We also would like to thank all our staff for the professionalism, dedication, and commitment to the club, they have demonstrated over the years to make it so successful.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A smaller entities - 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' and the Companies Act 2006 (as applicable to companies subject to the small companies' regime).

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;

it is probable that future economic benefits will flow to the entity;

and specific criteria have been met for each of the company's activities.

Tangible assets

Tangible assets are stated in the balance sheet at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Dover Gymnastics Club Limited

Notes to the Unaudited Financial Statements for the Year Ended 27 March 2025

Asset class
Plant & Machinery

Depreciation method and rate
20% Reducing Balance

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the profit and loss account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 11 (2024 - 18).

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **27/03/2025**.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Dover Gymnastics Club Report of the trustees for the year ending 31 March 2024

Charity Number 1098350

The trustees are pleased to present their annual directors' report together with the consolidated financial statements of the charity for the year ending 31 March 2024 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The Charity trustees are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required for this year under section 144 of the charity act 2011 and that an independent examiner is needed.

The Charity (Dover Gymnastics Club) has over the last years 2023-2024 managed to survive the various challenges we faced as an organisation.

This year we have a dedicated staff member responsible for fund raising activities. This has helped the organisation raised substantial funds to help pay for a new floor and new bars.

We have also rearranged the apparatus to make most of the space and ensure that the gymnasts can train safely with the adequate hygienic measures in place. We have also put in place measures to increase the membership and attract different segment of the population to use our facilities and engage in sporting activities.

We have managed to reduce significantly our deficit to a mere £ 2772. We are glad to report that the club is healthy and has received a large support from parents and members through their donations during the financial year.

The Charity Trustees would like to thank all Parents and volunteers who have participated in making our Club what it is. We also would like to thank all our staff for the professionalism, dedication, and commitment to the club, they have demonstrated over the years to make it so successful.

Notes to the Unaudited Financial Statements for the Year Ended 27 March 2024

1 General information

The company is a company limited by guarantee, incorporated in England, and consequently does not have share capital. Each of the members is liable to contribute an amount not exceeding £Nil towards the assets of the company in the event of liquidation.

The address of its registered office is:

No. 2
Poulton Close
Dover
Kent
CT17 0HL

These financial statements were authorised for issue by the Board on 11 September 2024.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A smaller entities - 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' and the Companies Act 2006 (as applicable to companies subject to the small companies' regime).

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Going concern

The financial statements have been prepared on a going concern basis.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;
it is probable that future economic benefits will flow to the entity;
and specific criteria have been met for each of the company's activities.

Tangible assets

Tangible assets are stated in the balance sheet at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Dover Gymnastics Club Limited

Notes to the Unaudited Financial Statements for the Year Ended 27 March 2024

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Asset class	Depreciation method and rate
Plant & Machinery	20% Reducing Balance

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the profit and loss account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

3 Staff numbers

The average number of persons employed by the company (including directors) during the year, was 18 (2023 - 18).

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/03/2024**.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Dover Gymnastics Club Report of the trustees for the year ending 31 March 2023

Charity Number 1098350

The trustees are pleased to present their annual directors' report together with the consolidated financial statements of the charity for the year ending 31 March 2023 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The Charity trustees are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required for this year under section 144 of the charity act 2011 and that an independent examiner is needed.

The Charity (Dover Gymnastics Club) has over the last years 2022-2023 managed to redress the financial standing of the company by increasing significantly the number of participants and reviewing our staffing structure. It is still very hard to recover from the 2 years of disruption caused by covid and children are coming back slowly to rediscover physical activities etc. Covid has affected quite a number of children.

We have noticed an increase in young people interest in gymnastics as a result our waiting list is growing all the time.

We are still exploring avenue to increase membership by testing different classes and reaching out to different segments of the community. We are also still looking at bigger premisses to accommodate all what we want to do in terms of sporting activities and mainly introduce a male section to it.

We are glad to report that the club is healthy and has received a large support from parents and members through their donations during this difficult period.

The Charity Trustees would like to thank all Parents and volunteers who have participated in making our Club what it is. We also would like to thank all our staff for the professionalism, dedication, and commitment to the club, they have demonstrated over the years to make it so successful.

The Charity (Dover Gymnastics Club) has over the last years 2021-2022 managed to survive the dramatic decrease in the number of participants in our various sporting activities. This was mainly due to the fact that many gymnasts quit during the lockdown, and it was quite difficult to recover to the pre-lockdown numbers. None the less we are working and developing different strategies to reach the level of membership that will help us stabilise our turnover.

We have opened different new classes targeting the physically and mentally challenged members of our society as well as the school educated children to give them access to sport. We are also working with the local sports trust to develop sports in schools and carry out outreach activities to attract more youngsters to the sport.

We are also looking to bigger premisses to accommodate all what we want to do in terms of sporting activities and mainly introduce a male section to it.

These financial statements have been prepared in accordance with Financial Reporting Standard 102 Section 1A smaller entities - 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' and the Companies Act 2006 (as applicable to companies subject to the small companies' regime).

Basis of preparation

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Revenue recognition

Turnover comprises the fair value of the consideration received or receivable for the sale of goods and provision of services in the ordinary course of the company's activities. Turnover is shown net of sales/value added tax, returns, rebates and discounts.

The company recognises revenue when:

The amount of revenue can be reliably measured;

it is probable that future economic benefits will flow to the entity;

and specific criteria have been met for each of the company's activities.

Tangible assets

Tangible assets are stated in the balance sheet at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The cost of tangible assets includes directly attributable incremental costs incurred in their acquisition and installation.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Dover Gymnastics Club Limited

Notes to the Unaudited Financial Statements for the Year Ended 27 March 2022

Asset class	Depreciation method and rate
Plant & Machinery	20% Reducing Balance

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the profit and loss account over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Dividends

Dividend distribution to the company's shareholders is recognised as a liability in the financial statements in the reporting period in which the dividends are declared.

3 Staff numbers

The average number of persons employed by the company (including the director) during the year, was 18 (2021 - 10).

Set out on pages

Pages from 1 to 2

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/03/2022**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Dover Gymnastics Club Report of the trustees for the year ending 31 March 2021

Charity Number 1098350

The trustees are pleased to present their annual directors' report together with the consolidated financial statements of the charity for the year ending 31 March 2021 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The Charity trustees are responsible for the preparation of the accounts. The charity trustees consider that an audit is not required for this year under section 144 of the charity act 2011 and that an independent examiner is needed.

The Charity (Dover Gymnastics Club) has over the last years 2020-2021 managed to survive the various lockdowns imposed on us by the authorities.

When the lockdown was lifted during the year for a short period of time we adapted to the circumstances and put in place protocol and procedures for safe training for our children and parents alike. We have also received numerous Government and local authority grants to help us financially survive during the closure and during the short window of openings.

The furlough scheme helped us retain most of our staff which was useful once the lockdown was lifted. We have retained 70% of our members during that period. We took this lockdown opportunity to repaint the entire Gym carry out essential repairs to the roof and heating installation and reorganise the layout of the offices and create a staff room.

We have also rearranged the apparatus to make most of the space and ensure that the gymnasts can train safely with the new hygienic measures in place.

Despite all of what happened during this financial year we still managed to create a surplus of £ 8800. On a turnover down by roughly 30%

We are glad to report that the club is healthy and has received a large support from parents and members through their donations during the lockdown period.

The Charity Trustees would like to thank all Parents and volunteers who have participated in making our Club what it is. We also would like to thank all our staff for the professionalism, dedication, and commitment to the club, they have demonstrated over the years to make it so successful.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31/03/2021**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
