FY Jan 1 2022-Dec 31 2022

Charity Number:1098353

Address: Sunseed Desert Technology, Apartado de Correos 9, Los Molinos del Río Aguas, 04270 Sorbas, Almeria, Spain.

Trustee Names: Piotr Jankowski, Diego Chico de Guzman, Adriana Garcia Aparicio, Sheila Andion Garcia, Almudena Fernandez Torres..

Management and trustee recruitment

Sunseed is managed through two working groups, the Trustee group and the Coordinator Team. The trustee group is made up of people with a close association to the project over a period of years, often those that have worked as coordinators on site and who are interested in staying on in an advisory capacity.

Both teams work with a flat management structure, and in the last few years have adopted Sociocracy as a tool for effective decision making.

Activities and Objectives in the year/ Achievements, Performance and Public Benefit

The year 2022 has been a year of an internal transformation for Sunseed. The trustees and the on-site team have determined a plan to guarantee more long term stability of the organization. The previous non-hierarchical, horizontal team was to be replaced by a core team of managers who would be responsible of the actions on site. However, the core values of the organization like transparency, non-violent communication and sociocracy were to remain a solid base.

During the first 6 months of 2022 the project maintained closed for external volunteers in order to establish the new structure and refurbish the facilities. In spring a yearly festival in defence of water was organized by Sunseed.

During the second part of the year the project was opened to volunteers and to European Union ESC programme, which was granted for the next 3 years. This ensures the financial stability of the project. The core group of 3 managers was established.

An outreach to local external organizations for drylands restoration was intended in order to ensure the long term vision in this area of activity.

Funds held by custodian trustees

External examiners report on Sunseed Desert Technology accounts for the financial year 2022.

Sunseed had a transitional period in 2022 with the continuing if weakening effects of Covid adding to restructuring and Brexit.

Sunseed has long had problems with its own identity for a variety of reasons which do not need repeating here. It would appear that there are efforts to overcome such and the Trustees are managing to to strengthen overall guidance.

As mentioned by me in previous reports, the Fixed Asset valuation is always contentious since the land and buildings cannot be resold: so could be said to have no value: or one could show anything from original cost to open market value. Thus the only thing on the Balance Sheet to have any certainly is that of the Bank Balances (the exchange rate €:£ was reasonably steady.)

Within the next year restructuring should be completed allowing the Sunseed Trust to move from it's reporting body from the U.K. to Spain: which is much more logical given location and majority of personnel now involved.

The nature of the organisation is such that whilst there is no continuity of management (the present year is a to a certain extent a happy exception) considerable effort is made to ensure the financial records are kept adequately and I have good reason to state that the financial report to the Charities Commission gives a fair and accurate picture of the financial activities of the Charity in 2022.
