Introduction

The Trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the Charity for the year ended 28 February 2025. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and Activities

The Charity's objective is to provide opportunities in Mid Sussex that foster the inclusion of people with disabilities in their local communities. There has been no change in the Charity's objective.

Signposts was established in 2003 to meet a gap in service provision for advice, support and information to people with learning disabilities in Mid Sussex, their carers, families and health professionals.

These services are delivered from the Charity's main hub in Burgess Hill and satellites in Haywards Heath and East Grinstead. At our main hub we provide a drop-in centre where people can socialise with each other, get advice, receive practical and emotional support, learn new skills, join groups and have one-to-one sessions with a Social Worker, a Disability Liaison Nurse or one of our staff. Customers can register to use the Drop-in service at any of our three locations, and this gives them access to advice and information, including help with Benefit claims, from our staff on a one-to-one basis. This can be done by phone or in person. At the main hub, we also run group activities to help those with learning disabilities to integrate successfully in the community and become inclusive members of society.

Signposts also provides an Outreach service which gives a range of support to those who for various reasons cannot attend one of our three Drop-in locations in person. These customers are referred by a Social Worker to access the Outreach service and can receive support for up to two hours per week. The aim is to support them to become as independent as possible, so they no longer require the Outreach service, but they can still access the Drop-in service if necessary.

Signposts continues to be a member of the Network West Sussex (NWS) Consortium which delivers the Drop-in and Outreach services across the county on behalf of West Sussex County Council (WSCC).

In addition, some directly funded people with learning disability pay Signposts to support them under our Community Support scheme. Signposts provides these customers with a support worker to help them with all activities of daily living in their home and the community and this can include social outings.

Public Benefit Statement

Signposts constitutes a public benefit entity as defined by FRS 102. In exercising their powers and duties, the Board of Trustees has complied with their duty to have due regard to the guidance for public benefit published by the Charity Commission in PB3. Signposts continues to be of great public benefit by providing the only drop-in service and resource centre in Mid Sussex and the surrounding areas for people with learning disabilities, their carers and families and other support providers.

Achievements and Performance

During the past year, Signposts has continued to support those customers who attend our Drop-in services in Burgess Hill and Haywards Heath. We have also provided Outreach support to other customers who are unable to travel to one of our drop-in sites. From July, we also provided the Drop-in service in East Grinstead and extended the Outreach service to include the East Grinstead area under our new contract with WSCC.

The new WSCC contract from 1 July 2024 covers Signposts delivering the Drop-in and Outreach services in Mid Sussex, and the Diagrama Foundation delivers the Day Opportunities in Mid Sussex. The new contract provides substantially more funding towards our rental costs each year compared to the previous arrangement.

At our main hub in The Cherry Tree Centre, we run the Drop-in service on Mondays, Wednesdays and Fridays and also other activities, including a poetry session once a month on Mondays and one of our volunteers runs a pottery group on Fridays which continues to be very popular. We also provide a Drop-in session on Thursdays at the Yews Community Centre in Haywards Heath and a Drop-in session on Wednesday afternoons at the Jubilee Community Centre in East Grinstead.

The Trustees would like to thank all the staff for their support and for doing all they could do to enable our customers to continue to live independently in the community. The workload continues to increase and become more complicated, and this has been exacerbated by the changes to Benefits and everyone's costs increasing. The Trustees would also like to thank the volunteers who help to support our customers at Signposts.

The Trustees would like to thank our customers for continuing to use the services delivered by Signposts.

The Trustees are also very grateful for a couple of small donations towards the work of the Charity.

The Trustees are most grateful for the support provided by Community People Mid Sussex (formerly Mid Sussex Voluntary Action) who run the Cherry Tree Centre in Burgess Hill.

Current and Future Developments

The Trustees are fully aware that adequate funding is needed to keep the charity running smoothly and allow for the future provision of the services and support needed by our customers. When the opportunities arise, we will bid for grants to supplement our core income from WSCC and our Community Support service.

The Cherry Tree Centre in Burgess Hill is our main hub, where we rent rooms for parts of the day for three days a week on an annual basis. We also continue to rent space at the Yews Community Centre as our satellite drop-in location in Haywards Heath; however, we are not charged for our presence in the Jubilee Community Centre in East Grinstead.

Financial Review

Income

The total Income for the year amounted to £129,828, which was £20,603 more than last year. The WSCC grant income has increased to £91,401 from £79,542 for the previous year. This increase was due to the new contract for Drop-in and Outreach services which started on 1 July 2024 and provides more funding towards our rental costs. The income for Community Support has risen to £32,302 from £24,759 last year due to an increase in charges and more customers joining the scheme. We did not apply for any additional grants this year. We received a couple of small donations totalling £105. This year our customers have contributed £1,044 towards the cost of refreshments and the facilities we provide. The Other Income of £4,866 is the Employment Allowance we receive, as it is not netted off against Employer's National Insurance.

Expenditure

The total Expenditure for the year was £131,047 which was £12,385 more than in the previous year. The Employee expenditure has increased by £8,789 compared with last year, largely due to the annual pay increase. The Rent of £17,538 was about £6,500 higher than last year, but it now includes hiring rooms in the Cherry Tree Centre for a whole year. The Other Building Cost of £2,114 was higher because it includes a year's costs of £1,981 for storing large amount of our furniture which could not be used in the Cherry Tree Centre. The Furniture and Equipment cost of £877 was £647 more than the previous year: this was mainly due to the purchase of Smart mobile phones for some of the staff. The Telephones cost was about £600 less because the previous year's costs included the installation of a new telephone line in the Cherry Tree Centre.

Overall Results

The final outturn for 2024/25 was a deficit of £1,219 with our total Reserves standing at £63,827 at 28 February 2025.

Reserves Policy and Going Concern

The Board of Trustees has examined the Charity's requirements for reserves in the light of the main risks to the organisation. This year's reserves of £63,827 continue to represent about 50% of our expected operating costs for 2025/26. This year's deficit has not reduced the Reserves of £30,000 allocated to supplement the cost of renting other premises in future years. The new contract with WSCC to deliver the Drop-in and Outreach services in Mid Sussex from 1 July 2024 for the next 3 years has ensured Signposts major source of income through to 2027.

We continue to work hard to secure all the resources needed to provide the services that our customers value, need and deserve. Cash flow forecasts and budgetary projections of income and expenditure form an essential part of every Trustees meeting, and we continue to focus on ensuring that Signposts delivers its services whilst maintaining its financial viability.

Risk Management

The Trustees are responsible for monitoring the risks faced by Signposts and for ensuring appropriate policies are in place and the necessary actions are taken to mitigate the risks. In the day-to-day operation of Signposts, risks are identified and assessed by the Services Manager and the staff and appropriate actions are taken following the Risk Assessment Policy. Risks are managed under the following headings:

- Financial integrity and sustainability
- Business continuity
- Health and Safety
- Vulnerable adult welfare
- Employment
- External activities and visits

The Trustees are satisfied that all the necessary policies are in place to address the risks faced by Signposts and that the appropriate actions are being taken to minimize the risks.

Structure Governance and Management

Signposts is a company limited by guarantee incorporated on 13 February 2003 and is governed by its Memorandum and Articles of Association.

The Trustees of the Charity also act as the Directors of the Company and are authorised to appoint additional Directors/Trustees under the terms of the Articles of Association. At least one of the Trustees is a person with a learning disability from the client base that Signposts supports; this provides the Board of Trustees with an invaluable insight into the needs of our customers. The Directors/Trustees have no financial interest in Signposts (Mid-Sussex) Ltd and receive no financial reward.

Signposts employs part-time members of staff to deliver the Charity's objective. The Board of Trustees meets quarterly and more frequently as necessary. Decisions regarding all projects and expenditure are taken by the Trustees.

New Trustees are recruited by advertising through the local volunteering website or by personal recommendation. The process begins with an initial meeting with a small group of Trustees and the Centre Manager to establish whether a person is suitable for the role of a trustee and if the person thinks the role is right for them. After checking that the candidate meets all the suitability and legal requirements to be a Director/Trustee, including a Data and Barring Service (DBS) check, the candidate meets with all the Trustees and is formally appointed at the next Annual General Meeting. The new Trustee is then given further induction, covering greater detail about Signposts and the legal aspects of being a Director/Trustee, together with a copy of the Charity Commission's booklet about being a Trustee.

Statement of Trustees' Responsibilities

The Trustees (who are also the directors of Signposts (Mid-Sussex) Ltd for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signature and Declaration

I declare that the Trustees have approved the report above and have authorised me to sign it on their behalf.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
SIGNPOSTS (MID-SUSSEX) LTD (REGISTERED NUMBER: 4666008)**

Independent examiner's report to the trustees of Signposts (Mid-Sussex) Ltd ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 28 February 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts for the year ended 28 February 2025

1 Accounting Policies

1a Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS102, have been prepared in accordance with the Charities SORP (FRS102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019)', Financial Reporting Standard FRS102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The Trustees/Directors consider that there are no material uncertainties about the company's ability to continue as a going concern.

1b Fund Accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the Charity's work or for specific projects being undertaken by the Charity.

1c Income

Income is recognised when the charity becomes entitled to the resources, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

1d Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured with reasonable certainty.

The costs of raising funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Expenditure on charitable activities comprises costs incurred in furtherance of the purposes of the Charity and their associated support costs.

Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

Signposts (Mid-Sussex) Ltd

Notes to the accounts for the year ended 28 February 2025

1e Tangible fixed assets

Individual fixed assets costing £1,000 or more are capitalised if they can be used for more than one year. They are valued at cost and are depreciated over their estimated useful economic lives on a straight-line basis over 3 years unless otherwise stated.

1f Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1g Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1h Creditors and provisions for liabilities

The charity has creditors which are measured at settlement less any trade discount. A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.

1i Retirement Benefits (Pension Scheme)

The Charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

The scheme is available to all eligible employees and is managed by Smart Pension Ltd. The employer contribution in 2024/25 was 3% and the employee contribution was a minimum of 5%.

1j Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK Corporation Tax purposes. Accordingly the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1k Hire purchase and finance lease agreements

Assets held under hire purchase agreements are capitalised and disclosed under tangible fixed assets at their fair value. The capital element of the future payments is treated as a liability and the interest is charged to the profit and loss account on a straight-line basis.

1l Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against profits on a straight-line basis over the period of the lease.
