

## CHAIRMAN REPORT 2021/2022

Post covid return to normality, has been a difficult time for our daily classes and month activities.

The trustee worked very hard to keep the congregation and community safe and managed to run first aid courses for trustees, staff and volunteers. All trustees and staff safeguarding checks done and updated.

Looking forward to normality and raising funds to potentially do a third floor or side extension to accommodate the Arabic classes and library for elder members in the community.

We ran a multi faith day and was very success and hope to run these more often.

I thanks the trustees and volunteers for the effort and need this to continue.

Regards

*Abdul K. Ashem*

Trust Chairman
