Objectives and activities

The Charity's objects ("the Objects") are for the benefit of the public in the borough of Hyndburn and the communities of East Lancashire:

a) to work with children and families to promote the physical, emotional, intellectual and social development of children and young people, especially those who are disadvantaged to ensure they have the ability and confidence to succeed at school and beyond

b) to relieve unemployment in such ways as may be thought fit, including providing assistance to people to find employment.

Organisational background

The charity was founded in 2002 as a response to the Sure Start initiative. In September 2016, Lancashire County Council decommissioned all the charities and schools that had been delivering Children's Centres on their behalf.

Achievements

Adventure Hyndburn has succeeded in thriving despite another challenging year for the early years sector.

- The organisation has increased rental revenue by more than £13k this year by promoting more opportunities in centre for external partners, adult learning and supervised contact sessions.

- The Operations Manager has reduced expenditure at each site where possible despite ongoing and significant increases in energy, staff, and food costs.

- The organisation has been successful in securing money from Tesco to develop our growing and planting schemes at all sites over the coming 12 months and we have been successful in being selected as one of only 9 organisations joining The Hyndburn Way initiative that launches later this year as part of the levelling up funding.

- Attendance at each nursery has been steadily and consistently increasing over this period as we move past the covid restrictions and working patterns have returned to normal.

- Renegotiation of the lease with the Lancashire County Council has resulted in an increase of their monthly rent this financial year and has also resulted in an increase to the percentage attributable to their costs towards the running of the shared premises, which has helped reduce our costs.

Trustees' Report

Team and Trustee Changes 2023/2024

All community and nursery staff remain largely unchanged during this financial year and as of March 2024. Adventure Hyndburn employed a total of 30 staff. This, together with the hard work and dedication of the Adventure Hyndburn team, has contributed to the consistency and quality of performance.

One new trustee was appointed in February 2024 - Richard Needham. One trustee resigned in November 2023 - Maureen Askew.

Richard Hooper remains the Chair and Kathleen is his Second, as voted in the 2023 AGM.

Buildings

Adventure Hyndburn operated services and activities across 6 sites - 4 buildings and 2 Forest Schools.

The Park Child & Family Centre, Norfolk Grove, Church, Accrington, BB5 4RY - Lancashire County Council Child & Family Wellbeing Service and three NHS midwife teams also operate out of this building through lease and rent arrangements.

The Beeches Child & Family Centre, Rimington Avenue, Ferngore, Accrington, BB5 0NP - a charity for adults with special needs, Motivat8, moved out of this building in October 2022.

The Oaks Child and Family Centre, St Peter's Church, Richmond Street, Accrington, BB5 0SJ - Nelson and Colne College also offer ESOL classes out of this building.

First Steps Child & Family Centre, Princess Street, Accrington, BB5 1SP.

Forest School at the Park, Norfolk Grove, Church, Accrington, BB5 4RY.

Forest School at Rothwell Heights, Willows Lane, Ferngore, Accrington, BB5 0NH.

Public benefit

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when setting the Charity's aims and objectives and in planning future activities and setting policy for the year.

A year in review 2023/24

Upcoming changes to funding for the childcare sector at national level may impact this more in the upcoming year, but allocation at each site remains consistent and at a good level. New funding for 2 years olds from April 2024 and children over 9 months from September 2024 will be introduced.

The Park Child and Family Centre continues to be registered as a warm and welcoming space, in partnership with Hyndburn Borough Council for families/people who needed somewhere warm to come in the winter months.

We were also successful in receiving an additional £7k of Household Support Funding which enabled us to source, provide and distribute food parcels and supermarket vouchers to local families in need in Hyndburn, expanding our reach in the local community.

Adventure Hyndburn Ltd

Trustees' Report

In September 2023 we were officially launched as Accrington's only Family Hub Venue. This was a huge boost for us and a privilege to be chosen.

A walk-in support service for local families continues to be offered at the Park Child & Family Centre for the Speech and Language, Health Visitors and Family Outreach Teams. It is now in its second year and is proving very successful.

The biggest challenge this financial year and moving forward continues to be increased costs for staffing and utilities. Wage costs increased by over £18k and utilities by over £29k.

Structure, governance and management

The Board is responsible for the strategic development of Adventure Hyndburn and strives to represent the views and needs of the community. The trustees have power to appoint/elect new trustees.

It is worth noting that in order to be the registered person with Ofsted, Joanna Berry has to register as a director with Companies House but with no voting authority. The Articles have been revised and updated for current practice and to allow for the Ofsted regulation. All Directors are now registered with Ofsted, have up to date DBS certificates, EY2 forms and are registered with the update service.

Safeguarding

Adventure Hyndburn has a Safeguarding and Child Protection policy and all team members, Board Trustees, partners, volunteers, and anyone in contact with children are subject to checks with the Disclosure and Barring Service (DBS). All staff and volunteers also undertake Level 1 Safeguarding training and have a Safeguarding Induction with a Nominated Safeguarding Officer to ensure that they are supported in meeting the requirements of their role. Team members have regular updates to their training in line with recommended requirements of either every two or three years.

Principal Risks and Uncertainties

Adventure Hyndburn has assessed the major risks to which it might be exposed, in particular those related to the operations and finance of Adventure Hyndburn, and Trustees are satisfied that systems are in place to mitigate the exposure to major risk.

The organisation has faced several major risks across its services of delivering Nurseries and Community Services

- Inability to make significant cost savings to match falling revenue
- Inability to attract grant funding and commissions
- Failure to operate the nursery provision sustainably
- Reputational and financial risk of a poor Ofsted judgment or a successful personal injury claim

Financial review

The financial statements show that income has increased when compared to the last financial year, from £806,220 to £930,116, with a corresponding increase in expenditure, partly due to the reasons outlined above. The surplus for the year was £6,203 which includes depreciation of £60,939. Adjusting for this cost results in a surplus of £67,142 (2023 - £59,418). This shows a continuing improvement in the charity of it managing its cost and the rising occupancy that the nursery has seen, along with the increasing in funding received from the Lancashire Country Council. With this in mind, the trustees will continue to apply strategies to keep the charity operating at this level, which has growth and shows results that are positive.

Adventure Hyndburn Ltd

Trustees' Report

Reserves

Reserves at the year end are:

General £643,776

Fixed assets inc property £1,827,622

The trustees continue to review the level of reserves (excluding fixed assets) of the charity. The aim is to have three - six months of the organisation's running costs, which, based on the 2024 accounts is between £200k - £400k. At the year end the reserve is higher, but the trustees are mindful of the challenging financial environment.

Trustees are aware that although buildings could be regarded as "Reserves", for practical purposes, to safeguard the organisation, they would ensure that 3 months operating costs would be held in the form of liquid assets i.e. cash in the bank.

Pension Deficit

The charity is a member of the Lancashire County Council Pension Fund and like similar schemes organisations have to make yearly payments to meet the deficit that has arisen over recent years. The Charity has agreed annual payments to the fund to pay off the deficit and to limit new members joining the scheme to non Nursery staff. This is based on striving to have terms and conditions comparable with competitors and that are affordable. The trustees note the reduction to Nil from 2023.

The charity has taken measures to meet the requirements of the scheme to have the deficit underwritten by granting the Pension Fund a charge on the charity's property at The Park. The benefits are that the organisation can remain in the scheme and the organisation's cash reserve can be used for the wider benefit of the charity rather than be committed to underwriting the deficit. If the charity were to leave the scheme either through choice or failure to make deficit payments the full deficit amount would become payable.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on 18 June 2024 and signed on its behalf by:

As the charity's trustees of Adventure Hyndburn Ltd (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Adventure Hyndburn Ltd are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). 2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 March 2024

1 Charity status

The charity is limited by guarantee, incorporated in England and Wales, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

These financial statements were authorised for issue by the trustees on 18 June 2024.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Adventure Hyndburn Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income

Income is recognised and included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to the income; receipt is probable; and the monetary value can be measured with sufficient reliability.

Adventure Hyndburn Ltd

Notes to the Financial Statements for the Year Ended 31 March 2024

Expenditure

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including independent examination, strategic management and trustees meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £800 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Freehold property	2% per annum straight line basis
Leasehold property	2% per annum straight line basis
Furniture and fittings	20% per annum straight line basis
Computer equipment	20% per annum straight line basis

Pensions

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans, which are subsequently measured at amortised cost using the effective interest method.

Adventure Hyndburn Ltd

Notes to the Financial Statements for the Year Ended 31 March 2024

Critical accounting estimates and areas of judgement

The estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions include depreciation of tangible fixed assets, accruals, prepayments and bad debt provisions.

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Operating lease

Rentals under operating leases are charged to the statement of financial activities on a straight-line basis over the lease term.

14 Contingent liabilities

The charity has previously received grant funding which has been used to build and make improvements to its properties and has contributed towards the costs of fulfilling the charitable objectives of the organisation. The terms of these grants specify that some or all of the grants could become repayable within various periods, between 10 and 25 years of the payment of the final instalment of the grant, if the organisation fails to utilise the grant for the purpose for which it was given.

If the organisation recognises that it may have to repay some, or all of, the grant it will create a liability in the accounts prior to making the repayment. Beyond such circumstances, the trustees do not consider, however, that, as a result of the passage of time and the normal terms under which grants have been made, there is likely to be any crystallisation of a material liability.

17 Pension commitments

Defined contribution pension scheme

The charity operates a defined benefit pension scheme. The scheme is a multiple employer scheme and the charity is unable to identify its share of the underlying assets and liabilities.

Certain employees are members of the Lancashire County Council defined benefit pension scheme. The scheme is valued on a triennial basis by the fund actuary, Mercer. At the last such valuation in 2022, the scheme had a funding level of 100% (2016: 90%).

The charity's underlying share of assets and liabilities cannot be separately identified and it is not practical to quantify the extent of any underlying element of the charity's liability at any given date. Therefore, contributions are charged to the statement of financial activities in the year in which they are paid. The contributions paid during the year amounted to £62,822 (2023 - £85,221). Contributions amounting to £Nil (2023: £Nil) were payable to the fund at the balance sheet date.
