Summary of the main achievements of the charity during the year

We have worked closely with WECA (West of England Combined Authority) and the transport officers to develop our delivery of transport to the end users who are the most important factors.

We continue to service Lawrence Weston, Avonmouth, Shirehampton, along with Anchor housing, Ashlea Court, John James housing complexes and the local surrounding area.

We work with SCAF (Shirehampton Community Action Forum) a local organisation and regularly provide 2 buses a week to residents for shopping and trips out.

We are also working with Bristol After Stroke, helping provide transport for disabled and venerable stroke survivor.

Social isolation is still a problem amongst the community and LWCT have developed a befriending group supporting the users with Transportation.

We have maintained vehicles and monitor the demand and ensure we have vehicles fit for purpose, running costs have increased and we have been lucky to have been able to cover those costs by good management and finance decisions.

Apr 2025- Mar 2026 has seen changes to funding and operations due to larger operators struggling in the current financial situation.

From April 2025 funders started payment concessionary fares again and are paying to our actual passenger figures.

We have been in discussions with WECA and the West of England Mayor to ensure our future, grant applications are in progress for future funding post April 2026, we have also applied for Grant Funding from the Mobility trust to try and grow our area base to include Seamills which is a neighbouring area without decent transport links, decision due January 2026.

Our Chairperson Mrs Alison Fowler sadly passed away suddenly this year, along with Mr Mervyn Freeth who was a long-standing committee members and bus user. With these passings the committee have opted not to hold an EGM to nominate a new chairperson but to let the shock settle and the office manager to Chair the meetings and that if any deciding vote should be needed, that the Treasurers Vote would be the casting vote.
