## Achievements and performance

The focus of Christ's Hope International UK has remained unchanged since its inception with the primary objective being to support orphaned and vulnerable children in Sub Saharan Africa. We have, as in previous years, provided funding towards supporting children in Namibia, Kenya and the DRC.

<b>Report of the Trustees</b>								
<p>The focus of Chrst's Hope International UK Ltd has remained unchanged since its inception with the primary objective being to support orphaned and vulnerable children in Sub Saharan Africa. We have, as in previous years, provided funding towards supporting children in Namibia, Kenya and the DRC.</p>								
<p>In Namibia, we continued to provide funding to the children at our CarePoints in Rehoboth until its closure in December, following a strategic review by Christ's Hope Namibia due to lack of children regularly attending. Our support was then transferred to a newly opened Georgie Wilson CarePoint in Okahandja. Our provision provides our vulnerable children with stability, hope, education and a better future than they would otherwise have. We raise the funds to support the children both through our child sponsorship programme for the Georgie Wilson CarePoint and other donations from our generous supporters who have continued to provide us with funds. We are also supported by our UK volunteers who help with some of the day-to-day tasks of running the organisation and liaising with the countries we support. During the year we received a large donation from the Naomi Beckford Foundation towards the cost of supporting a new CarePoint in in Uganda. In Kenya we have continued to provide support for the work in Kisumu thanks to the generosity of on-going donors and personal support for the International Office's CFO who lives there.</p>								
<p>The work of Christ's Hope International continues to flourish in the DRC in our CarePoints which are well attended by children in desperate need of support. The UK's contribution to the DRC is one of providing personal support to the staff members who play such a vital role in assisting the children, sending restricted donations made here in the UK specifically for this work.</p>								
<p>As a member of the international group of Christ's Hope organisations we provide financial support for the International Office headquarters through a small levy on our income. The International Office oversees all the activities that touch the lives of nearly 2,000 children and families in Sub Saharan Africa through our 40+ CarePoints.</p>								
<p>Our UK Director has built strong relationships during the year with the staff in Namibia and also in Uganda where we hope to begin supporting a CarePoint in the near future and has visited Africa twice. A Walk for Hope was organised in the Derbyshire countryside and was well supported, raising almost £5,000 for support of children in Africa and UK running costs.</p>								
<p>We continue to be encouraged by the faithful support we receive from our donors and continue to look forward to expansion in our activities in the coming year.</p>								
<b>Financial review</b>								
<b>Reserves policy</b>								
<p>The reserves of the charity are reviewed each year by the Board and retained for the continued personal support of people serving in Africa.</p>								

<b>Christ's Hope International UK</b>							<b>Page 4</b>
<b>Accounts for the year ended 30 April 2023</b>							
<b>Report of the Trustees</b>							
The reserves are held to ensure that the obligations offered to each individual person are sustainable. A reserve amount is also retained for the general running of the UK administration costs such as accounting fees and directors' liability insurance and any other cost incurred in the daily running requirements of the charity.							
The above report has been prepared in accordance with the small companies regime of the Companies Act 2006. It was approved by the trustees on 4th December 2023 and signed on their behalf.

<b>Independent Examiner's Report</b>								
<b>To the Trustees of Christ's Hope International UK</b>								
I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 April 2023 set out on pages 6 to 11.								
<b>Responsibilities and Basis of Report</b>								
As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').								
Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination, I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.								
<b>Independent Examiner's Report</b>								
I have completed my examination. I confirm that no material matters have come to my attention which give me cause to believe that:								
- accounting records were not kept in accordance with section 386 of the 2006 Act; or								
- the accounts do not accord with such records; or								
- the accounts do not comply with relevant accounting requirements under section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or								
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)								
I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Accounts

1	<b>Accounting Policies</b>
---	----------------------------

(a)	<b>Basis of Preparation of Accounts</b>
-----	---

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of recommended practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Effective 1 January 2019) - (Charities SORP (FRS 102)), the financial reporting standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Christ's Hope International UK meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in relevant accounting policy note(s).

(b)	<b>Income</b>
-----	---------------

Incoming resources are recognised in the year in which the charity is entitled to the receipt, and the amount can be measured with reasonable certainty. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future year.

(c)	<b>Expenditure</b>
-----	--------------------

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Grants payable are charged in the year when the offer is made except in those cases where the offer is made conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

(d)	<b>Debtors</b>
-----	----------------

Trade debtors and other debtors are recognised at their settlement amount due after any discounts. Prepayments are valued at the amount prepaid net of any trade discount due.

(e)	<b>Creditors and Provisions</b>
-----	---------------------------------

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Accounts for the year ended 30 April 2023							
Notes to the Accounts							
(f)	Going Concern						
The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.							
The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.							
(g)	Fund Accounting						
Restricted funds are to be used for the specified purposes laid down by the donor. Expenditure for those purposes is charged to the fund, together with a fair allocation of overhead and support costs.							
Designated funds are unrestricted funds, which have been designated for special purposes by the trustees. Unrestricted funds are donations and other incoming resources received or generated for expenditure on the general objects of the charity.							
(h)	Cash flow statement						
The accounts do not include a cash flow statement because the charity, as a small reporting entity, is exempt from the requirement to prepare such a statement under FRS 102 and the Charities SORP.
