Report of the Trustees  
for the Year Ended 31 July 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 July 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

Hope for The Nations is a non-governmental, non-political organisation created as a charitable legal entity in 2002. The Memorandum of Association defines the charity's 'Objects' as being:

"To relieve poverty and advance education with a Christian ethos by the provision of funds, equipment, training, and personnel, particularly but not exclusively to those persons living in Africa".

Whilst Hope For The Nations carries out some disaster relief work, it considers that the best method of meeting its objectives is through long term investment in the lives of individual orphans and widows by sponsorship, establishing children's homes, feeding programmes, education, encouraging self-sufficiency through developing micro enterprises, and by providing a source of clean water, and providing humanitarian aid. It partners in coalition with others with similar objectives, in order to maximise the value to beneficiary groups.

**Grantmaking**

Following requests received for grants, the Chief Executive Officer is able to agree grants of up to £5,000. For any amount in excess of £5,000, the approval of the Board of Trustees is required.

Report of the Trustees  
for the Year Ended 31 July 2021

ACHIEVEMENT AND PERFORMANCE

Financial

The income of the charity was maintained at the same level as last year, being £70,476 for 2020/21 compared with £70,551 for 2019/20, but resources expended have decreased by 21% (£54,999 compared with £69,305), so there is an overall surplus of £15,477 (2020: £1,246).

Kenya

Soweto Hope Bright Future School

We have continued to provide for the feeding programme and the Baby Care Unit for the benefit of the children.

Bethlehem Children's Care Centre, Kitale

Due to the success of the program we now only support one child in education.

Kolongolo

Our support for the widows continues with monthly donations.

Mukwa

We continue to help the widows financially on a monthly basis.

Hope Transformation Centre and New Life Children's Home, Bungoma

Under the leadership of Patrick Siabutu, the Hope Transformation Centre inspires many Kenyan leaders as he manages and puts to good use the land that we provided. In addition to the ongoing existing carpentry, masonry and tailoring skills training centre the Hope Transformation Centre accommodates a demonstration plot for organic farming and training.

Turkana

John Lokoli continues to oversee the Education project in Turkana where we send 30 children to secondary school. All these children have individual sponsors to whom we are very grateful.

Malawi

Hope Village is now temporarily overseen by two associated organisations whose management are former members of the Hope Village team.

These organisations are Ahava Ministries and Gulugufe, both of which support communities with health care, education and sustainable projects.

After much consideration the difficult decision was made that Hope Village is no longer sustainable and most of the projects are now closed. Gulugufe is going to be using a small portion of the land for permaculture farming to educate people to farm sustainably and we are actively seeking a likeminded organisation to take over the rest of the property.

We are continuing our support of Ahava Ministries and Gulugufe in their support of the communities surrounding Hope Village.

Malawi was hit by a severe typhoon and there have been disastrous floods leaving thousands homeless, with their crops and livelihoods wiped out. Ahava Ministries and Gulugufe are actively involved in the relief work needed at this time.

Romania, India and Eswatini

We continue to send the sponsorship support to these projects and workers.

KwattSwap

KwattSwap is now an operating name of HFTN with the aim to raise funds through donations for the purpose of purchasing solar equipment to be sent out to projects that we support.

Effects of Covid19

Report of the Trustees  
for the Year Ended 31 July 2021

The projects supported by the charity have faced difficulties in continuing with their work due to lockdown restrictions within the countries. It has meant that no visits to the projects have been possible by HFTN directors and staff. The solar equipment sent out to Kenya for example has not been distributed due to restrictions on travel and social distancing. Funds were put into creating a website and advertising for KwattSwap's launch into schools. We had started working with schools who showed excitement in being involved with the project when we had school closures due to Covid19. We believe that this has significantly impacted the income to the charity as we have not had the opportunity to reintroduce it since due to the extra workload on teaching staff.

#### FINANCIAL REVIEW

##### Reserves policy

Whilst the trustees consider that a general fund balance of £5,000 is desired, to ensure that support costs are covered for at least 3 months in advance, we have recognised that there may be times when this will need to be flexible, due to particular financial pressures at particular times.

At the end of this financial year the level of reserves had increased to £68,175 (2020: £52,698) and available funds, i.e. those excluding fixed assets and restricted funds, stood at £52,813 (2020: £39,317).

##### Investment policy and objectives

Under the memorandum and Articles of Association, the Charity has the power to make investments as the trustees see fit. The trustees consider any investments on an individual basis, and are duty bound to seek appropriate professional advice before reaching any decision. At the year end the Charity had no invested funds.

##### Loan

Hope for the Nations and Nehemiah Construction Ministries have a common purpose and as such it has been Hope for the Nations' desire to assist them in getting a drilling rig to Kenya. Nehemiah Construction Ministries, as part of our wider network were given a £30,000 loan for the import of a drilling rig into Kenya in January 2016. A signed agreement outlining the terms has been obtained. This is an interest free loan with the first instalment of £5,000 having been due before the end of July 2017 and five subsequent payments due every six months, however there was flexibility if this was not possible. In the 2019 accounts, a bad debt provision was made against the whole loan balance as Nehemiah had come into financial difficulties and were unable to make payments. During the year a total of £500 (2020: £1,500) was repaid by Nehemiah and further payments may be possible.

##### Volunteers and Supporters

The charity is very grateful to all those who gave so generously of their time, talents and money, both here in the UK, and in Africa. It has only been able to achieve all that it has because of such generosity.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

##### Governing document

The organisation is charitable company limited by guarantee, incorporated on 7 May 2002 and registered as a charity on 23 July 2003.

The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

##### Recruitment and appointment of new trustees

The directors of the company are also charity trustees for the purpose of charity law and under the company's Articles are known as members of the Management Committee. The Trustees are responsible for the administration and investment policy of the Scheme. Trustees are appointed in accordance with the Articles of Association of the Charitable Company.

Report of the Trustees  
for the Year Ended 31 July 2021

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

The organisation, including the CEO and the volunteers work from home, our registered office being Arquen House 4-6 Spicer Street, St Albans, Herts, AL3 4PQ, from which it carries out its direction of operations. This includes fundraising, networking and communications, and its accounts.

The Board of Trustees seeks to meet a minimum of four times a year, to review and monitor the work and management of the Charity. This body also approves annual budgets and scrutinises policy decisions.

The board consisted of the President, three directors and the Company Secretary, who is responsible for completing statutory returns on behalf of the Charity. The Finance sub-committee is reported to monthly, to monitor the financial management of the Charity.

Wider network

Hope for the Nations Children's Charity seeks and encourages partnership with others, to enhance the work of the Charity.

Our coalition partnerships include Hope for the Nations (Canada, Malawi, Romania, Eswatini), Elim (U.K, Ireland), Ahava Ministries, Gulugufe and Ignite Hubs International as well as with church groupings both here and abroad.

Risk management

The Trustees have a duty to identify and review the risks to which Hope for The Nations Children's Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The trustees actively review the major risks that the Charity faces on a regular basis. The trustees believe that they have the systems in place to mitigate these risks. This includes matters of health and safety, whereby the Health and Safety matters will be discussed by the board on occasion.

Independent Examiner's Report to the Trustees of  
Hope for the Nations Childrens Charity

Independent examiner's report to the trustees of Hope for the Nations Childrens Charity ('the Company')  
I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 July 2021.

**Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
