Structure, governance and management

Governing document

As the Charity is a Company limited by guarantee, its governing documents are its Memorandum and Articles of Association.

Appointment, Training and Recruitment of Trustees

The day to day affairs of the Charity are administered by the Trustees, the Chair of which is Mr J Fried.

It is not currently the intention of the Trustees of the Charity to appoint new Trustees. Should the situation change in the future, the Trustees will apply suitable recruitment and training procedures.

All Trustees give their time voluntarily and no benefit or expenses were paid in the year.

Risk Management

The Trustees have identified and reviewed the major risks to which the Charity is exposed, in particular those related to the operations and finance of the Charity, and are satisfied that systems are in place to manage those risks.

Structure, governance and management *(continued)*

Financial risk management and policies

The charity holds or issues financial instruments in order to achieve three main objectives being:

- a) to finance its operations
- b) to manage its exposure to interest and currency risks arising from operations and from its sources of finance; and
- c) for generating funds.

In addition various financial instruments (e.g. trade debtors, trade creditors, accruals and prepayments) arise directly from the charities operations.

Credit risk

The charity monitors credit risk closely and considers that its current policies of credit risk checks meets its objectives of managing exposure to credit risk. The charity has no significant concentrations of credit risk. Amounts shown in the statement of financial position best represent the maximum credit risk exposure in the event other parties fail to perform their obligations under the financial instruments. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed

Related Party Transactions

All related party transactions have been disclosed in the financial statements.

Objectives and activities

The Charity is established to further those purposes both in the United Kingdom and abroad recognised as charitable by English Law. The Charity receives income from its interests in various property joint ventures and from voluntary charitable donations which it utilises in the provision and distribution of grants and donations which go towards supporting religious, educational and other charitable activities which fall within the objectives of the charity. No change in this activity is envisaged in the immediate future.

The Trustees confirm their compliance with the duty to have due regard to the public benefit guidance published by the Charity Commission when reviewing the Charity's aims and objectives and in planning future activities.

Achievements and performance

During the year the charity continued its activities and maintained its support of religious and other charitable institutions and aggregate donations were paid in the sum of £179,200.

The benefits that these charities provide include financial assistance and provision of basic necessities to the poor, Jewish education and general charitable purposes.

Financial review

The financial results of the Charity's activities for the year are fully reflected in the attached Financial Statements together with the Notes thereon. The Trustees consider the position of the Charity to be satisfactory.

Investment powers and policy

Under the Memorandum and Articles of Association, the Charity has the power to make any investment which the Trustees see fit.

The Trustees, having regard to the liquidity requirements of the Charity and to the reserves policy have operated a policy of keeping available funds in an interest bearing deposit account.

Grant Making Policy

The Trustees are approached for donations by a wide variety of charitable institutions. The Trustees consider all requests which they receive and make donations based on the level of funds available and in accordance with the objectives of the Charity.

Reserves Policy

It is the policy of the Charity to maintain unrestricted funds, which are the free reserves of the Charity, at a level which the trustees think appropriate after considering the future commitments of the Charity and the likely administrative costs of the Charity for the next year.

Plans for future periods

The Trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that the ability to generate sufficient income is maintained to achieve that end.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report (incorporating the directors' report) was approved on 20/1/2026 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Joel Memorial Limited
Year ended 30 April 2025

I report to the trustees on my examination of the financial statements of Joel Memorial Limited (the charity) for the year ended 30 April 2025.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies

Basis of preparation

The financial statements are prepared in sterling (rounded to the nearest pound), which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Judgements and estimates made by the trustees, in the application of these accounting policies have significant effect on the financial statements as follows:

i) Investment in joint venture syndicates

The charity has investments in a number of unincorporated property joint venture syndicates. Income arising from investment are shown in the statement of financial activities. The joint venture syndicates have prepared accounts for the year end 31 March 2025 and the results are included on the basis of these accounts. The syndicates' results for the period 1 April to 30 April 2025 are not available and the management has made a judgement on a cost/benefit analysis that the investments should not include a provision for this period.

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.
