Objects and activities of the charity

The purposes of the charity as set out in its governing document.

The objects of the charity are the preservation and protection of the mental health of refugees and asylum seekers in Merseyside who are suffering the effects of exile and persecution, in particular, although not exclusively, through the therapeutic use of horticulture.

The main activities undertaken in relation to those purposes during the year.

FRSP has continued to provide psychological therapy to refugee and asylum seeking families, to support their mental health, supporting their capacity to parent and nurture their children.

The charity has continued to provide support to refugee and asylum seeking families to ensure they are able to access statutory services including benefits, school, health and housing, avoiding problems that may escalate requiring greater input later.

Trustees' Annual Report for the year ended 30 September 2020

The main activities undertaken during the year to further the charity's purpose for the public benefit.

FRSP has promoted local growing of food and distributed plants to local projects and community members for a small fee that supports the yearly purchase of heating, seeds, pots and soil.

The charity has contributed to the wider understanding of issues affecting refugee and asylum seeking families, co-chairing the Access to Education group, feeding into local strategy and planning.

The trustees have had regard to the Charity Commission's guidance on public benefit in managing the activities of the charity.

We have also received funding from the National Lottery Coronavirus Community Support Fund to improve the condition of the growing beds and renovate the therapeutic spaces. The funding also helped us construct a working gas-powered toilet for the use of clients at Newland meaning we can greater support those with disabilities in the Newland Garden.

FRSP received a supplementary grant from the Lloyds Bank Foundation React Covid Relief Fund which covered the costs of increased interpreter time for online support sessions as well as the construction of a new therapeutic space in the Newland Garden and client Covid safe travel to therapy and group sessions. With the grant we were able to purchase appropriate cleaning materials and PPE for the garden therapeutic spaces. We also were granted Covid support funding through Liverpool City Council. A Community Fund grant from Merseyside Recycling and Waste Authority and Veolia enabled development of a garden kitchen to support client integration and peer support.

The short term and longer term aims and objectives.

In the next financial year, FRSP seeks to:

- Continue to provide the services funded under existing agreements with National Lottery Community Fund (ends June 2021) and Lloyds Bank Foundation.
- Develop further a strategy based on future sustainability, monitor and record progress on the Liverpool City Council funded volunteer therapy project.
- Source new funding for the continuation of the FRSP Grow Your Own Project.
- Source potential therapeutic contract work (via Clinical Commissioning Groups CCGs) and delivery of training).

Beyond the year ahead, FRSP seeks to:

- Develop a fundraising strategy, exploring different sources of funding to develop and maintain the project model into the future.
- Explore additional elements of provision to enhance the scope of services to families and to maximise access.

How the charity monitors its success during the year

FRSP monitors access to all aspects of the service, and collects and collates qualitative and quantitative data to report on activities to inform procedures, policies and report to funders. Success is also measured through client feedback and data against the planned activities and aims.

Resources used in the activities undertaken during the year.

The charity has used grants and contracts awarded for the activities during the year, including payment of staff, interpreting fees and client access/travel expenses. The project's allotments and garden have supported the work with refugee and asylum seeking families in the garden therapy rooms as well as outside, when it has been safe and permissible to do so, in the context of the Covid pandemic. Considerable work has been achieved also via online and social delivery methods for therapy.

In addition to grants and contracted work, we have secured donations through fundraising activities, events and promoted the work of the project in the local community, including a project Dinner event; garden open day and sales of plants.

In July 2020 FRSP took ownership of the Spinning World project and Primary Care 24 (PC24) trauma service when PSS decided they no longer wished to deliver therapeutic services. Both services work with refugees and asylum seekers and provide mental health support whether it be short term via PC24 or longer term work via the Wigan based Spinning World project. This means that FRSP is now in partnership with the NHS and provides an IAPT (Improving Access to Psychological Therapies) service.

The contribution of volunteers during the year.

The Trustees are grateful for the work done by the six volunteers who give up their time to support the fundraising of the charity, as well as providing help with counselling and with garden maintenance.

The main achievements and performance of the charity during the year.

The charity has continued to provide support to refugee and asylum seeking parents at the levels established in the previous years, with funds from The National Lottery Community Fund and Lloyds Bank Foundation and continue our work with volunteer counsellors funded through the Liverpool City Council - Our Liverpool Programme.

The project has maintained two horticultural sites comprising two adjoining allotments and a therapeutic garden, developing further the garden therapy rooms to increase client access year round.

The difference the charity's performance during the year has made to the beneficiaries of the charity.

Across the different funded elements of our work, FRSP has delivered 508 counselling sessions and 156 support sessions during the year, with regular drop-ins (Covid safe) to group sessions for current and ex-clients from 29 families.

From April - September 2020 in PC24, 144 therapy sessions were offered to 68 individuals.

From July - September 2020 in Wigan Spinning World, 288 therapy sessions were offered to 32 individuals.

In addition to trauma-focused therapy, families were supported with accessing school places, employment and education for adults, debt management, understanding the asylum process, understanding UK systems, learning about the changing UK climate and culture and accessing benefits.

Trustees' Annual Report for the year ended 30 September 2020

The degree to which the achievements and performance during the year have benefited wider society.

FRSP has supported refugee and asylum seeking families in a number of key areas. FRSP has had the means and the time to listen to clients and take note of their issues including health, education, housing and the asylum process; this information is then used to enable access to services in a more timely way than would have been possible otherwise, saving resources as well as ensuring a better result for clients.

FRSP continues to contribute to the local networks that help inform practice in the areas of mental health and well-being through formal and informal information sharing networks.

Structure, governance and management of the charity

The methods used to recruit and appoint new charity trustees.

The trustees are appointed by members of the company at the AGM or at other opportunities during the year. Every issue is decided by a simple majority of votes at meetings of the trustees. Trustees are recruited by circulating details to relevant organisations to elicit interest as well as from professional contacts of existing trustees. A recruitment pack has been developed during 2020-21.

How the charity makes decisions and how decisions are delegated.

The overall strategy of the company is led by the Board of Trustees, supported by the Project Director and staff team. Operational management decisions are delegated to the Project Director. All policy decisions are approved by trustees. All funding bids and agreements must be passed by trustees. Several sub-groups with specific responsibilities are in place, whose recommendations are brought to the whole board.

The Chief Executive Officer and other senior management personnel to whom day to day management is delegated

The Chief Executive Officer is JPH Ward (from 1 January 2020).

Financial review

The charity's financial position at the end of the year ended 30 September 2020

The financial position of the charity at 30 September 2020 and comparatives for the prior period, as more fully detailed in the accounts, can be summarised as follows:-

	2020 £	2019 £
Net income	(12,614)	9,616
Unrestricted Revenue Funds available for the general purposes of the charity	39,592	30,669
Restricted Revenue Funds	19,034	40,571
Total Funds	58,626	71,240

Financial review of the position at the reporting date, 30 September 2020 .

The financial statements are set out on pages 11 to 27.

The Statement of Financial Activities shows net outgoing resources for the year of a revenue nature of £12,614 (2019 - £9,616 incoming resources).

The total reserves at the year end stand at £58,626 (2019 - £71,240). Free unrestricted liquid reserves amounted to £39,592 (2019 - £30,669).

During the year, FRSP received funding from: The National Lottery Community Fund (including TNL - Coronavirus Community Support Fund); Lloyds Bank Foundation (including the React Covid Relief Fund); Liverpool City Council (Our Liverpool Grant; Mayoral Neighbourhood Fund and Covid Support Fund); Wigan Clinical Commissioning Group; PC24 and Merseyside Recycling and Waste Authority and Veolia Community Fund 20/21.

The trustees have continued to scrutinise expenditure and control costs to ensure that funds are used for the beneficiaries of the charity. The funds held by the charity will be fully utilised within the next year.

The trustees consider the financial performance by the charity during the year to have been satisfactory.

Policies on reserves.

FRSP Trustees understand the importance of maintaining a level of unrestricted reserves to support the charity's resilience planning and sustainability.

Reserves grow in small steps each year through fundraising events, income generation and donations.

The level of reserves is monitored each year to ensure that the charity can provide an interim working capital that protects the continuity of the charity's work or cover unforeseen expenditure costs (redundancy; professional fees/advice; delayed funding or discontinuation of funding).

In general, the aim is to build and sustain an equivalent of 3 months running costs to ensure liabilities are covered. Trustees are mindful, that the level of reserves should not be excessive, nor insufficient to meet statutory obligations.

Availability and adequacy of assets of each of the funds

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Statement of the Directors Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, the Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

Family Refugee Support Project

Company Registration Number - 04644258

Trustees' Annual Report for the year ended 30 September 2020

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are also responsible for the contents of the Trustees' report, and the statutory responsibility of the Independent Examiner in relation to the Trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no material inconsistencies with the figures disclosed in the financial statements.

Method of preparation of accounts - Small company provisions

The financial statements are set out on pages 11 to 27.

The financial statements have been prepared implementing the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016)

These financial statements have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006. applicable to companies subject to the small companies regime.

This report was approved by the board of trustees on 17 June 2021.

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 30 September 2020

I report to the Trustees on my examination of the financial statements of the charitable company on pages 11 to 27 for the year ended 30 September 2020 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102, (effective 1st January 2016) as modified by FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , and under the historical cost convention and the accounting policies set out on page 15.

Respective responsibilities of the Trustees and the Independent Examiner and the basis of the report

As described on page 7, you, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements in accordance with the Companies Act 2006, the Charities Act 2011 and all other applicable law and with United Kingdom Generally Accepted Accounting Practice, applicable to smaller entities, and for being satisfied that the financial statements give a true and fair view.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to Section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the financial statements are not required to be audited under any legal provision, or otherwise, and are eligible for independent examination, it is my responsibility to:-

- a) examine the financial statements of the charity under Section 145 of the Act;
- b) follow the applicable procedures in the Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of Independent Examiner's Statement and scope of work undertaken

I report in respect of my examination of the charity's financial statements carried out under s145 of the Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act setting out the duties of an independent examiner in relation to the conducting of an independent examination. An independent examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that, on a test basis of evidence relevant to the amounts and disclosures made, the financial statements comply with the SORP.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries and does not cover all the matters that an auditor would consider in arriving at an opinion. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide

Family Refugee Support Project

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 30 September 2020 (continued)

Consequently, I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved.

Independent Examiner's Statement, Report and Opinion

In connection with my examination, I can confirm that:

The accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;

This is a report in respect of an examination carried out under 145 of the Act and in accordance with Directions given by the Charity Commission under section 145(5)(b) of the Act which may be applicable;

No material matters have come to my attention which give me cause to believe that in any material respect:-

accounting records were not kept in respect of the charity as required by Section 386 of the Companies Act 2006 and Section 130 of The Charities Act 2011;

the financial statements do not accord with those records; or

the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in section 396 of the Companies Act 2006; or

have not been prepared in accordance with the methods and principles set out in the FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Family Refugee Support Project

Notes to the Accounts for the year ended 30 September 2020

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102, (effective 1st January 2016) and 'FRS 102 SORP (Statement of Recommended Practice for Accounting and Reporting by Charities) 2015, (as amended by the Bulletin issued in October 2018 and applicable to all accounting periods beginning on or after 1st January 2019), (The SORP), published by the Charity Commission in England & Wales (CCEW) , effective January 2016, and in accordance with all applicable law in the charity's jurisdiction of registration

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note below.

Risks and future assumptions

Family Refugee Support Project meets the definition of a public benefit entity under FRS 102.

Policies relating to categories of income and income recognition.

Nature of income

Gross income represents the value, net of value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Categories of Income

Income is categorised as income from exchange transactions (contract income) and income from non-exchange transactions (gifts), investment income and other income.

Income from exchange transactions is received by the charity for goods or services supplied under contract or where entitlement is subject to fulfilling performance related conditions. The income the charity receives is approximately equal in value to the goods or services supplied by the charity to the purchaser.

Income from a non-exchange transaction is where the charity receives value from the donor without providing equal value in exchange, and includes donations of money, goods and services freely given without giving equal value in exchange.

Income recognition

Income, whether from exchange or non exchange transactions, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Accounting for deferred income and income received in advance

Where terms and conditions relating to income have not been met or uncertainty exists as to whether the charity can meet any terms or conditions otherwise within its control, income is not recognised but is deferred as a liability until it is probable that the terms or conditions imposed can be met.

Family Refugee Support Project

Notes to the Accounts for the year ended 30 September 2020

Any grant that is subject to performance-related conditions received in advance of delivering the goods and services required by that condition, or is subject to unmet conditions wholly outside the control of the recipient charity, is accounted for as a liability and shown on the balance sheet as deferred income. Deferred income is released to income in the reporting period in which the performance-related or other conditions that limit recognition are met.

When income from a grant or donation has not been recognised due to the conditions applying to the gift not being wholly within the control of the recipient charity, it is disclosed as a contingent asset if receipt of the grant or donation is probable once those conditions are met.

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

However, the trustees value the significant contribution made to the activities of the charity by unpaid volunteers and this is described more fully in Note 0.

Policies relating to assets, liabilities and provisions and other matters.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over their estimated useful lives.

Plant and machinery	25 % straight line
---------------------	--------------------

A regular annual review of the likelihood of asset impairment is undertaken.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount.

Financial instruments including cash and bank balances

Cash held by the charity is included at the amount held and counted at the year end. Bank balances are shown at the cash amounts of the deposits.

Leasing and hire purchase contracts and commitments

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Pensions - defined contribution schemes

The charity operates a defined contribution pension scheme. Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.

Family Refugee Support Project

Notes to the Accounts for the year ended 30 September 2020

Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Designated funds are unrestricted funds which the Trustees have decided at their discretion to set aside for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal or as implied by law.

There are no endowment funds.

2 Liability to taxation

The Trustees consider that the charity satisfies the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively on the specific charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.

4 Significance of financial instruments to the charity's position

Financial instruments are not significant to the charity's financial position or performance.

---	----------	----------

Neither the trustees nor any persons connected with them have received any remuneration from the charity or any related entity, either in the current or prior year.

No employees received emoluments (excluding pension costs) in excess of £60,000 per annum.

7 Defined contribution pension schemes

The charity operates a defined contribution pension scheme, the costs of which are shown above.

The costs are allocated to activities and between restricted and unrestricted funds on the basis of time spent by staff.

Any liabilities and assets associated with the scheme are shown under debtors and creditors.

8 Remuneration and payments to Trustees and persons connected with them

No trustees or persons connected with them received any remuneration from the charity, or any related entity.
