### TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021

---

The Trustees present their annual report together with the financial statements of the Charity for the year 1 April 2020 to 31 March 2021.

#### Objectives and activities

##### a. Objectives

The charity's objects are to further such charitable purposes as the Trustees determine from time to time, in particular, but not exclusively, by advancing the public's education with a view to recognising the sanctity of human life from conception to natural death; by advancing the public's education and undertaking research in such subjects and topics as the Trustees see fit including the development of the foetus, the maturing child and the needs of the sick and the elderly; and to provide relief in such ways as the Trustees see fit to women and girls in need of assistance and protection and who may be under pressure to have an abortion.

The charity seeks to educate, inform, support and undertake research into issues surrounding human life and present this information to the general public, parliamentarians, schools and organisations, both religious and secular. The charity uses literature, videos, meetings, social media and a website to disseminate its objectives and promote topical and educational material to the general public. The charity provides research and information to MPs and Peers regarding life issues. The charity works to increase the balanced coverage of life issues in the mainstream media so that the public can be aware of both sides of the debate regarding life issues.

The charity benefits the public by raising awareness of issues regarding human life and disabilities. The charity provides evidence-based research and information on life issues to people from different political ideologies and philosophical beliefs (including those who are non-religious, religious, or agnostic). Members of the public are free to access these resources through the charity's website [www.righttolife.org.uk](http://www.righttolife.org.uk). The charity also provides assistance to those under pressure to have an abortion in such ways as the Trustees see fit.

The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

The charity aims to help to build a culture whereby there is total support for women with unplanned pregnancies, protection for the unborn child, and no pressure for those nearing the end of their lives to seek an unnatural and early death. In the shorter term, the charity aims to continue educating the general public on life issues so that they are aware of evidence-based information, research and polling. The charity will continue to strive to have evidence-based information presented in the media so that the public can be aware of both sides of the debate regarding life issues. The charity aims to deepen and expand relationships with parliamentarians in order to provide them with the latest evidence-based research on life issues, so that they are fully informed when debating life issues in parliament. Finally, the charity will provide support to women in need who would otherwise feel pressured to seek an abortion.

By measuring the readership and reach of the charity's digital resources including news articles, social media posts and website visits, and monitoring the charity's wider activities, the Trustees can ensure that larger numbers of the general public are accessing the charity's educational resources. Similarly, the Trustees monitor the extent of the provision of life-issues research to parliamentarians. Finally, by tracking the amount of times that evidence-based information from the charity is presented in the media, the Trustees can ensure that the growing numbers of the wider public, beyond those who access the charity's digital resources, are provided with the research and information that is produced by the charity.

## THE RIGHT TO LIFE CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

---

#### Achievements and performance

##### a. Activities

The charity runs a Media and Communications Training Programme to provide young people with an understanding of life issues and the ability to communicate these issues in the media. The programme has equipped participants with the necessary skills and techniques to deliver interviews and respond to questions. The charity also runs an Internship Programme to introduce students and new graduates to the work of providing evidence-based information on life issues to a range of stakeholders, including the general public, parliamentarians and the media.

The charity continued to grow its media strategy to help ensure that more evidence-based information on life issues is presented in the media along with helping spokespeople affected by abortion and disability, as well as medical experts, to share their experiences relating to life issues. Similarly, the charity utilised its website and social media channels to reach wider audiences with evidence-based information on life issues and access to tools which enabled the general public to engage with their MPs on these issues.

The charity continued to develop its digital news service to provide the public with a resource of UK-focussed, reliable news on life issues to educate readers. This website is the most viewed pro-life website in Europe and the fourth most viewed pro-life website in the world.

In May 2020, the charity launched its Stand Up And Smile campaign to raise awareness of abortion being legal up to the point of birth for babies with club foot, cleft palate and cleft lip. This initiative gained extensive coverage in the mainstream media.

In July 2020, there was an attempt to introduce an extreme abortion law to England and Wales through hijacking the Domestic Abuse Bill. This law, if successful, would have introduced abortion for any reason up to 28 weeks. A further amendment if successful, would have allowed some medical and surgical abortions to take place in any location, thus removing the requirement for an in-person consultation and making it much more difficult for physicians to determine if abuse or coercion is involved. Polling from Savanta ComRes showed widespread public opposition to extension of time limits beyond their current 24 week limit, and extensive public support for doctors' in-person consultations before abortions to ensure the woman is not being pressured into an abortion. The charity provided information to the general public on the details of these abortion amendments, placed stories in the media to highlight these concerns, and provided information that helped constituents write to their MPs on this issue.

In 2019, Westminster MPs undermined devolution and voted to impose an extreme abortion regime on Northern Ireland, despite polling showing that a majority of the people of Northern Ireland were opposed to this law. This new law tragically permits abortion up to birth on the grounds of non-fatal disabilities, including Down's syndrome, cleft lip, cleft palate, and clubfoot. During the year, the charity launched the Equally Human campaign to ensure that evidence-based information was presented in the media to highlight that this law would promote disability discrimination.

#### Financial review

##### a. Financials

The charity recognised income of £679,440 in the year (2020: £681,401) and expenditure of £607,114 (2020: £402,700). Overall the charity recorded an operating surplus for the year of £72,326 (2020: £278,701).

The charity relies upon donations, grants and legacies to fund its operations and so the Trustees would like to record their gratitude to all those who have so generously contributed to the work of the charity. As such, the charity's income can be unpredictable and impacted by events outside of the control of the charity, while the charity's expenditure is, in part, fixed and regular. Therefore the charity maintains a level of free reserves to

---

## THE RIGHT TO LIFE CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

---

safeguard against delays in receiving income and unexpected setbacks, while allowing the option to develop new services or expand current ones to respond to changing needs of the beneficiaries. The Trustees monitor the level of reserves regularly to ensure that they are at a suitable level and that the policy is still relevant. Unrestricted reserves at 31 March 2021 were £635,406 (2020: £563,080).

The Trustees examine major risks to the charity as a standing item during quarterly board meetings, and ensure that changes to risks are identified and that sufficient measures are in place to mitigate these risks. The principal risks and uncertainties facing the charity are loss of a major source of income and inability to recruit staff which would impact the charity's ability to achieve its objectives. The financial risk is regularly examined by the trustees with regard to expected sources of income and level of free reserves, and efforts are made to diversify sources of funding. With respect to recruitment, the charity uses outsourcing where necessary, and has worked to increase its brand awareness so that its job adverts reach more potential candidates. With all its activities, the charity is mindful of risks and putting measures in place to mitigate risks as far as possible.

#### **b. Going concern**

Like most organisations, the COVID-19 pandemic has affected the plans of the charity. The work of the charity has largely moved online, which has reduced the charity's ability to run fundraising events. However, the Trustees are grateful to the grassroots supporters who have managed to fund the charity's operations while income from other sources has been impacted. Income from grassroots supporters has continued to be strong since the balance sheet date, and the Trustees consider that income generation is sufficient to cover the operating costs for the 12 months after the date of signing of the accounts. The charity does not use professional fundraisers.

### **Structure, governance and management**

#### **a. Constitution**

The charity is an unincorporated body established by a charitable trust dated 20 August 2003 and is registered under the Charities Act 2003 (Charity registration number 1099319). The organisation consists of trustees appointed by the original settlor on the basis of their ability to promote the aims of the Trustees, and employees who are paid by the trust. Nominations for both trustees and employees are approved by the Trustees, and selections are based on the individual's knowledge and experience in corporate, media and life-issues. The trustees meet quarterly to review the affairs, risks and policies of the trust, and to receive reports from the CEO. The day-to-day management of the charity is delegated to the CEO, who is supervised directly by the trustees, and assisted by the other employees of the charity to carry out tasks as required. Where appropriate other professionals are engaged to advise and assist in legal, counselling and financial matters.

#### **b. Trustees**

The management of the Charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed. Trustees receive an induction to the work of the charity by the CEO and are encouraged to undertake training where gaps in knowledge or experience are identified so that the charity maintains collective expertise in good governance.

#### **c. Pay policy**

Staff salaries are set with reference to industry standards of remuneration and are benchmarked against peer organisations.

---

## THE RIGHT TO LIFE CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

---

#### Plans for future periods

The charity plans to continue to grow its operations by hiring more staff to carry out its charitable objectives. The charity is working to expand its resources to equip pro-lifers with educational and informative arguments regarding life issues. The charity plans to continue its work in providing evidence-based information to the media and to parliamentarians, and continue to grow its website and social media presence as the go-to resource for news and other educational materials on life-issues.

#### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

### INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2021

---

#### Independent examiner's report to the Trustees of The Right to Life Charitable Trust ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 March 2021.

#### Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

---

## THE RIGHT TO LIFE CHARITABLE TRUST

---

### INDEPENDENT EXAMINER'S REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

---

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

## THE RIGHT TO LIFE CHARITABLE TRUST

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

---

#### 1. General information

The Right to Life Charitable Trust is an unincorporated charity governed by a settlement deed. The charity is registered in England and Wales.

#### 2. Accounting policies

##### 2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Right to Life Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

##### 2.2 Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. As part of their budgeting and scenario planning to reflect Covid-19, the Trustees consider that the Charity can meet its commitments and liabilities and can continue for the foreseeable future. Accordingly, they do not believe there to be a material uncertainty regarding the going concern status of the Charity and continue to adopt the going concern basis in preparing the financial statements.

##### 2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Charity has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Charity, can be reliably measured.

Grant income is recognised once the above criteria are met, together with any performance conditions attached to the grant. Grant income is deferred when the Charity has received the funds but has not yet met the recognition criteria, including fulfilling all relevant performance conditions.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2021

---

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Intangible assets and amortisation

Intangible assets are initially recognised at cost. After recognition, under the cost model, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Amortisation is provided on intangible assets at rates calculated to write off the cost of each asset on a straight-line basis over its expected useful life.

The estimated useful lives are as follows:

Amortisation is provided on the following basis:

Website	- 25 % straight line
---------	----------------------

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives.

Depreciation is provided on the following basis:

Office equipment	- 25%
------------------	-------

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2021

---

**2. Accounting policies (continued)**

**2.7 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**2.8 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.9 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2.10 Pensions**

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

**2.11 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

**3. Critical accounting estimates and areas of judgment**

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. There are no estimates or assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

---

#### 7. Staff costs (continued)

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2021 No.	2020 No.
In the band £60,001 - £70,000	-	1
In the band £70,001 - £80,000	1	-

The total cost in respect of key management personnel, including employer's NI and pension contributions, for the year was £137,897 (2020: £103,126).

#### 8. Trustees' remuneration and expenses

During the year, no Trustees received any remuneration or other benefits (2020 - £3,522).

During the year ended 31 March 2021, expenses totalling £NIL were reimbursed or paid directly to Trustees (2020 - £1,522 to 1 Trustee). These are for administrative and office support expenses. No trustee received any remuneration during either the current or prior years.

Included within Fees and other staff costs are office support expenses totalling £Nil (2020: £2,000), which have been supplied by a company controlled by a Trustee.

During the year, the Charity received donations totalling £7,791 (2020: £4,000) from trustees and related parties. No restrictions were attached to these donations in either the current or prior years.
