Independent Examiner's Report

Report to the trustees/  
members of

The Oxford Buddha Vihara

On accounts for the year  
ended

31 March 2024

Charity no  
(if any)

1099361

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 March 2024.

Responsibilities and  
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's  
statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Association of Chartered Certified Accountants.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Note 10 Fair value of assets and liabilities**

**10.1 Please provide details of the charity's exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed) , liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.**

The Charity's exposure to credit risk is anticipated to be low as the only debtor that the Charity has in both 2023 and 2024 relates to the gift aid claims from HMRC. The Charity has surplus cash in the bank and have short or long term interest free borrowings from its devotees. therefore the liquidity risk is relatively low. The Charity does not hold any investment assets in both financial years, 2023 and 2024.

**10.2 Please give details of the amount of change in the fair value of basic financial instruments (debtors, creditors, investments (see section 11, FRS 102 SORP)) measured at fair value through the SoFA that is attributable to changes in credit risk.**

The Charity does not have financial instruments in both financial years, 2023 and 2024.
