Thames Valley Churches of Christ

Trustees' report for the year ended 31 December 2021

The Trustees present their annual report and independently examined financial statements for the year ended 31 December 2021

Structure, governance and management

Thames Valley Churches of Christ is a company limited by guarantee (Company Number 4767513). It is also a registered charity (Charity Number 1099382). Both registrations are in England and Wales. The organisations' registered address is, 137 Deepcut Bridge Road, Deepcut, Camberley, Surrey, GU16 6SD.

Because of its 'dual status as a company and a charity, the same people serve as its company Directors and charity Trustees. A list of those serving is given on page I. In this document, the term "Trustee" is used, but this should also be taken to imply the role of "Director". Trustees' meetings are held face to face or online at least four times per annum. The day-to-day administration of the charity is delegated to the "Company Secretary". The day to day "spiritual" leadership and guidance of the charity is delegated to "the Ministry leader and the women's ministry leader".

Thames valley Churches of Christ continues to have warm and independent links with a poverty-relief charity called HOPE worldwide and continues to encourage its members to support their work.

Public benefit

The trustees have complied with the duty set out in section 17 of the Charities Act 2011 to have due regard to public benefit guidance by the commission. All trustees give their time voluntarily and receive no benefit from the charity. Any expenses reclaimed from the charity by the trustees are set out in note 6 to the accounts.

Objectives and Activities

The objects of Thames Valley Churches of Christ are defined in its Articles of Association as follows:

"the advancement of the Christian religion and the relief of poverty in the United Kingdom and elsewhere throughout the world"

The main ways in which Thames Valley Churches of Christ accomplishes its objects are through:

- adult ministry (this includes prayer, teaching, preaching, spiritual counselling and evangelism)
- youth and children's ministry
- assistance to the needy and the sick

Prayer, teaching, counselling and evangelism

Thames Valley Churches of Christ aim to facilitate the worship of God and to promote the everyday application of Christ's teachings. The charity continues to focus on small groups in the counties of Surrey, Hants, Berkshire, Dorset and Buckinghamshire. All the groups meet frequently to pray and worship together and to receive biblical teaching. The charity employed a fulltime pastoral worker and a women's leader. It also continued to use the services of a teaching and worship leader on a consultancy (self-employed) contract. With the help and support of members of the congregations the Sunday worship services, and mid-week meetings are open to members of the wider community and visitors are welcome. All these activities aim to foster and promote the everyday application of Christ's teachings.

Trustees' report for the year ended 31 December 2021

Youth and Children's ministry

As in previous years the charity has put resources into building an effective youth ministry for families within the congregations and their surrounding neighbourhoods. All youth and children's activities are organised with the safety and security of the children at its heart. The charity has subscribed to the services of the Churches Child Protection Advisory Service (now Thirtyone:eight) who provide an invaluable service in supporting this work. Weekly classes this year were focused on creating an encouraging environment in which children can build an understanding of God and grow in their confidence and self-esteem and develop an appreciation of the relevance and usefulness of Christ in their everyday lives. The children are encouraged to invite their friends and family along to these events.

Assisting the Needy and the Sick

As in previous years the charity aims to meet the local needs among its members and in the local community. The Charity strives to imitate Jesus concern for those in need by supporting and partnering with HOPE Worldwide (a UK registered charity). This year the charity continued to support the work of HOPE Worldwide in the UK, HOPE Worldwide in India (support for the "Village of Hope"), HOPE Worldwide in Croatia (Orphanage Programme) and HOPE Worldwide in Nepal (support for the school and community projects). As in previous and despite the Covid-19, members of the congregations are encouraged to volunteer their time and to contribute resources to support the work of HOPE Worldwide.

Achievements in the year

Like all other organisations, 2021 was a remarkable and challenging year due to covid-19 and the various Government responses to curb its spread. The small groups developed capabilities to meet weekly online and the small groups continue to thrive and grow in membership. The youth ministry continued to engage and inspire young people from within the church and the local community by using online resources.

Leaders continue to rise up in the small groups and locations and a wealth of talent that is needed for the church to continue to thrive is very encouraging.

Financial review

In overseeing the finances and administration of the charity, the Trustees wish to ensure that it complies with all relevant legislation and regulations. However, they also seek to apply a high standard of self-regulation, as they seek to imitate the standard set in the Bible by the Apostle Paul:

"We want to avoid any criticism of the way we administer this liberal gift. For we are taking pains to do what is right, not only in the eyes of the Lord but also in the eyes of men." 2 Cor 8:20-21,

Most donations are received from congregational members by standing orders..

The Trustees do not believe the charity is involved in risky activity. All necessary employers and public liability insurance policies are held and under constant review.

The organisation was in good financial health during the year ended 31 December 2021. The accumulated funds of £82,195 as at 31 December 2021 [2020: £93,776]

Future Plans

The trustees continue to focus on growing the church with particular emphasis on the following:

- encourage and support continued growth in our current congregations
- continue to seek new outreach and church plantings within the Thames Valley region
- continued support for the needy and the sick.
- Recruit younger people into leadership of the church.

Principle risks

The Trustees periodically review and update the organisation's risk register. Three headline risks concern safeguarding, and maintaining the goodwill of church members. These risks and a summary of our mitigation plans are described as follows:

- Safeguarding the well-being of children (and vulnerable adults) in church care: the Trustees want to have (and be seen to have) the highest standards in child protection. We are informed by advice from Thirtyone:eight (formerly Churches Child Protection Advisory Service). All staff are required to attend suitable training (both on appointment and periodically thereafter), and we are expanding the Disclosure and Barring Service (DBS) checks to include all members regularly involved in such activities.
- Trust and goodwill of church members: the financial and operational continuity of the charity is intrinsically tied to the continued trust and goodwill of the church members towards the charity, its leadership and its effectiveness in carrying out its purpose. We seek to protect and strengthen that goodwill through upholding the expectation of wholehearted participation in the life of the church by all its members, healthy engagement with church leadership, and forums such as the Annual Church Meeting where questions about the church's finances and impact can be raised and addressed.
- Future leaders: the trustees recognise the need to address the demographic gap within the church. The trustees are working with the current leaders to develop a young professionals ministry to act as a recruitment vehicle for future leaders.

Conclusions

This report has demonstrated that Thames Valley Churches of Christ is accomplishing its objectives to spread the message and teachings of Jesus Christ, and to help those affected by poverty and sickness. In so doing, it is bringing benefits to wider society and community through its activities. The organisation is in a sound financial position and is well placed to build on its work in 2022.
