Trustees' Annual Report *(continued)*

Year ended 31 October 2023

Structure, governance and management

Teshuvoh Tefilloh Tzedokoh is constituted under a trust deed dated 12 August 2003. It is a registered charity and the charity number is 1099567.

There is no chief executive officer. The day to day affairs are undertaken by Mr J B Wolff and Mr Y A Lobenstein on behalf of the trustees. All major decisions are taken collectively by all the trustees and all the trustees give of their time freely. The trustees are unpaid and details of any related party transactions are disclosed as applicable in the notes to the accounts.

Recruitment and appointment of new trustees would be in line with the trust deed and with the consent of the trustees. The criteria set for the suitable candidate would be someone who is sensitive to the needs and demands of the organisation.

A new trustee would receive copies of the previous years' Annual Report and Accounts and a copy of the Charity Commission leaflet 'The Essential Trustee: What you need to know'.

Risk review

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Trust, and are satisfied that systems are in place to manage our exposure to the major risks.

The risks faced by the trust relate to whether there is sufficient net investment income to enable grants to be paid out. However, the trustees can reduce grants in the unlikely event of a fall in investment income.

Risk management

The Trustees are responsible for the management of the risks faced by the Charity. A formal review of the charity's risk management processes is undertaken on an annual basis.

The key controls used by the charity include:

- Comprehensive strategic planning and budgeting;
- Established organisational structure and lines of reporting;
- Clear authorisation and approval levels.

Through the risk management processes established for the Charity, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

Teshuvoh Tefilloh Tzedokoh

Trustees' Annual Report *(continued)*

Year ended 31 October 2023

Objectives and activities

The objects of the charity are: (i) the relief of poverty amongst persons in conditions of need and hardship in the Jewish community; (ii) the advancement of the Jewish orthodox religion and (iii) the advancement of education according to the beliefs and values of the orthodox Jewish faith.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education when reviewing the charity's aims and objectives and in planning future activities and setting grant making policy for the year.

Grant making policy

The charity has established its grant making policy to achieve its objects for the public benefit. The charity invites applications for funding through contacting local philanthropists to contribute towards projects that both the trustees and the philanthropists feel are appropriate for the charity's objects.

The application of the funds by way of grants is to either institutions or individuals and is mainly to individuals.

The trustees consider they have met the public benefit test and outline these achievements below.

The trustees measure the success of achieving the stated aims by the number and value of grants paid out for each object. The grants paid out in the period are detailed in the notes to the accounts and the trustees consider they have met their aims successfully.

The trustees consider the shorter term aims to be similar to the longer term aims and assess the achievement of the charity in the same way.

Teshuvoh Tefilloh Tzedokoh

Trustees' Annual Report *(continued)*

Year ended 31 October 2023

Achievements and performance

The charity received £5,155,610 (2022: £4,362,115) in donations during the period and paid out £5,425,939 (2022: £5,121,274) by way of grants and support costs.

The charity also reported investment income of £91,071 (2022: £124,164) as well as realised gains of £4,123 (2022: loss of £5,465) upon the sale of syndicate property. Investment management costs incurred were £74,196 (2022: £18,958).

The revaluation of investments resulted in a net unrealised loss of £26,064 (2022: gain of £112,119).

The disclosure of grants paid out has been devised by the trustees in a manner that maximises disclosure whilst maintaining the anonymity of the recipients. This is due to the sensitivity and culture of the community that this charity is involved with that aims to preserve the dignity and self respect of individuals receiving charitable grants who would be extremely embarrassed if this fact was publicised.

Grants were awarded in accordance with the charity's objectives and are as detailed below.

Poverty grants are paid in advance of the summer holidays and religious festivals to help the recipients with the increased costs incurred at these times which relate to general and religious expenditure. These grants also help the recipients cover their day to day expenditure.

Summer holiday grants of between £1,250 and £3,500 were awarded to 227 families, totalling £503,500 (2022: £595,750). These families included 1,207 children.

Pre-Pesach grants of between £1,250 and £8,000 were awarded to 366 families, totalling £1,256,000 (2022: £1,056,825). These families included 1,976 children including 140 with additional needs.

Pre-Sukkos grants of between £1,500 and £9,750 were awarded to 311 families, totalling £1,172,750 (2022: £985,000). These families included 1,667 children including 122 with additional needs.

Purim grants of between £50 and £1,550 were awarded to 608 families, totalling £397,500 (2022: £330,000).

Additional smaller Yom Tov grants of between £400 and £850 were awarded to families with specific pre-Yom Tov needs. 208 such grants were awarded totalling £125,000 (2022: £70,000)

Due to rising energy costs, the charity increased its energy support grants, making 674 payments of between £200 and £1,000 totalling £483,800 (2022: £374,000).

During the period, the charity received many applications for help with weddings and Bar Mitzvas and helped approximately 130 recipients by awarding Hachnosas Kallo & Bar Mitzva grants totalling 1,095,706 (2022: £1,383,905).

A further £376,164 (2022: £315,874) in grants was awarded during the period as detailed in the notes to the accounts.

Teshuvoh Tefilloh Tzedokoh

Trustees' Annual Report *(continued)*

Year ended 31 October 2023

In addition to the grants paid out during the year, the trustees also extended charitable loans to people or charities who were in need of assistance and did not wish to receive charitable grants. These loans were either short term or long term and to people experiencing financial hardship or to enable them to alleviate their financial hardship. The loan debtors outstanding at the year-end amounted to £61,789 (2022: £106,773).

The charity has low governance costs mainly comprising of professional fees.

There were no material fundraising costs during the year.

There was net expenditure and movement in funds for the period amounting to £275,395 (2022: £547,219).

Trustees' Annual Report *(continued)*

Year ended 31 October 2023

Financial review

Investment policy and objectives

The trustees have a policy of making investments as part of the management of the charity. These investments are all in UK property, both residential and commercial and are made in order to ensure the charity has a steady and reliable stream of income by which it can continue and further its charitable objectives. The trustees will always take external expert advice when making any decisions to ensure the maximum benefit is achieved for the charity. A good investment would be to balance projected returns and capital gains against risks involved, with the trustees tending towards a more risk averse approach.

Investment performance

The performance of the property investments of the charity was weaker than average this year. The average annual return on the investments was 6.3% (2022: 8.5%). This was largely due to poor performance of one property syndicate which was subsequently disposed of during the year. The trustees consider this acceptable when compared with returns available on deposits in any of the banking institutions.

These investment returns are not at the expense of any exposure of loan to value covenants that would put these investments at risk. They also do not take into account any potential capital growth of the investments.

The performance on the short term investments has remained stable with 5% return on sums invested.

Reserves policy

The unrestricted fund represents the unrestricted funds arising from past operating results.

The trustees are satisfied that the balance of the fund is an acceptable level of reserves given the nature of revenue receipts against grants payable.

In considering the financial obligations of the charity, the trustees have resolved to maintain a minimum reserve, being the current assets of the charity less any current liabilities and excluding any investments or other fixed assets.

The trustees have considered the fair value of the investment property as mentioned above and consider the holding value to be the fair value. This has been confirmed on most of the investments by external valuers or valuation tools.

The trustees are delighted to have made many valuable contributions to the community as a result of this income and hope to be able to do so for many years to come.

The trustees feel that the activity reflects the profile and standing within the local community. The impact for future years' expenditure is self evident and the trustees would like to record their appreciation for all the financial support received from benefactors during the course of the year.

The free reserves comprising of the net current assets stand at £319,524 (2022: £488,986) all of which are unrestricted.

Plans for future periods

The trustees plan to continue raising funds for projects in line with the trust deed and pursue those objectives and projects with all the resources available to the charity.

Teshuvoh Tefilloh Tzedokoh

Trustees' Annual Report *(continued)*

Year ended 31 October 2023

Trustees' responsibilities statement

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' annual report was approved on 14 August 2024 and signed on behalf of the board of trustees by:

J B Wolff
Trustee

Teshuvoh Tefilloh Tzedokoh

Independent Auditor's Report to the Trustees of Teshuvoh Tefilloh Tzedokoh

Year ended 31 October 2023

Opinion

We have audited the financial statements of Teshuvoh Tefilloh Tzedokoh (the 'charity') for the year ended 31 October 2023 which comprise the statement of financial activities, statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 October 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Teshuvoh Tefilloh Tzedokoh

Independent Auditor's Report to the Trustees of Teshuvoh Tefilloh Tzedokoh (continued)

Year ended 31 October 2023

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the trustees' report is inconsistent in any material respect with the financial statements; or
- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Teshuvoh Tefilloh Tzedokoh

Independent Auditor's Report to the Trustees of Teshuvoh Tefilloh Tzedokoh (continued)

Year ended 31 October 2023

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, we considered the following:

the nature of the industry and sector, control environment and business performance;

results of our enquiries of management about their own identification and assessment of the risks of irregularities;

any matters we identified having obtained and reviewed the company's documentation of their policies and procedures relating to (a) identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of noncompliance; (b) detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; (c) the internal controls established to mitigate risks of fraud or non-compliance with laws and regulations; (d) the matters identified as to how and where fraud might occur in the financial statements and any potential indicators of fraud.

In common with all audits under ISAS (UK), we are also required to perform specific procedures to respond to the risk of management override.

We also obtained an understanding of the legal and regulatory frameworks that the company operates in, focusing on provisions of those laws and regulations that had a direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act, UK Corporate Governance Code, UK tax legislation and UK Charity Act.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the company's ability to operate or to avoid a material penalty.

As a result of performing the above, we identified no key audit matters relating to the potential risk of fraud.

Our procedures to respond to risks identified included the following:

reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the

Teshuvoh Tefilloh Tzedokoh

Independent Auditor's Report to the Trustees of Teshuvoh Tefilloh Tzedokoh (continued)

Year ended 31 October 2023

financial statements;

enquiring of management concerning actual and potential litigation and claims;

performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;

obtaining an understanding of provisions and holding discussions with management to understand the basis of recognition or non-recognition of tax provisions; and

in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

We remained alert to any indications of fraud or noncompliance with laws and regulations throughout the audit.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Teshuvoh Tefilloh Tzedokoh

Independent Auditor's Report to the Trustees of Teshuvoh Tefilloh Tzedokoh *(continued)*

Year ended 31 October 2023

The firm is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under Section 1212 of The Companies Act 2006.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the Financial Statements

Year ended 31 October 2023

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 2 Cheltenham Crescent, Salford, M7 4FP.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain investments measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

The financial statements cover a period of 12 months whereas the prior period covered 13 months due to the reporting period-end having been changed from 30 September 2022 to 31 October 2022 for administrative purposes. This results in the comparative amounts in the financial statements, including the related notes, not being entirely comparable. The charity has the authority to change its reporting date in line with Charity Commission rules on changing financial period dates.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fair value

Debtors and creditors are stated at fair value.

Judgements and key sources of estimation uncertainty

The main judgements, estimates or assumptions that affect the amounts reported are the valuation of the investment property. These are updated to fair value by the trustees based on information supplied by various sources including independent valuers.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

3. Accounting policies *(continued)*

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Investment property

Investment property is initially recorded at cost, which includes purchase price and any directly attributable expenditure. Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in profit or loss.

If a reliable measure of fair value is no longer available for an item of investment property, it shall be transferred to tangible assets and treated as such until it is expected that fair value will be reliably measurable on an on-going basis.

Investments in syndicates

These represent investments in syndicate investment properties with a holding of less than 10%. The trustees have no influence of control on these investments. The valuation on the syndicate investment is commensurate with the balances in the syndicate capital account at the period-end together with any revaluation of the investment property.

3. Accounting policies *(continued)*

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Notes to the Financial Statements (continued)

Year ended 31 October 2023

3. Accounting policies (continued)

Financial instruments (continued)

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

15. Investments *(continued)*

Investment properties

Investment properties represents two wholly owned UK properties.

Valuation of these investment properties is at fair value in the opinion of the trustees and other third party valuation tools.

Other investments represents capital introduced by the charity into various UK property syndicates plus accrued surpluses less deficiencies. The syndicate properties are revalued to ensure their fair value is recognised. The syndicates in which the charity is a participator has borrowings that are secured on the syndicate property. The charity accounts for its syndicate investments under the equity accounting basis and thus the charity's share of the borrowings is not included in these financial statements.

Valuation of the syndicate property is at fair value of the syndicate property in the opinion of the trustees and the syndicate managers. The percentage holding ranges from 1% to 9%. The charity currently participates in five syndicates. The trustees consider that they do not have significant influence over the operating and financial policy of the undertaking.

16. Debtors

23. Related parties

During the year donations totalling £262,900 were received from related parties.

Mr J B Wolff, trustee of the charity, lent £5,075 to the charity during the year in addition to a loan of £1,639 in a prior year. The total of £6,714 is an interest free loan which remains outstanding at the end of the period.

Areivim Manchester is a related party by virtue of having trustees in common with the charity. The charity paid a grant of £7,500 to Areivim Manchester during the year. This grant was awarded under the usual application and procedures.

24. Taxation

Teshuvoh Tefilloh Tzedokoh is a registered charity and therefore is not liable to income tax or corporation tax on income derived from its charitable activities, as it falls within the various exemptions available to registered charities.
