- trustees' consideration of major risks and the system and procedures to manage them.

FD(UK) follows the trustee code of practice for good governance and to avoid conflicts of interest.

In the period FD(UK) initially had 4 trustees all based in the UK. Since January 2025 there are 3 trustees.

FD(UK) co-operates with Feeding Dreams Cambodia (FDC) in combined activities to fulfil its objectives and for fundraising.

FD(UK) is open & transparent in its dealings and publicises its objectives and operations via the FD(UK) website <http://www.feedingdreamsuk.org/> and other external correspondence.

The trustees regularly review risks and processes and no major risks or weaknesses have been identified.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To enable the advancement of education of communities in Siem Reap, Cambodia and support the training and good practice of their teachers;
2. To provide relief from poverty in Siem Reap, Cambodia;
3. To achieve other charitable purposes to help and benefit the communities of Siem Reap, Cambodia.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

FD(UK)'s main objectives and associated activities are:

The provision of a safe and comfortable learning environment that is free of charge to the children who attend. This is achieved by the adoption of Feeding Dreams Cambodia. The adoption process involves:

- Financial support to FDC. This covers the provision of school supplies, maintenance and refurbishment work.
- Financial support to individuals for education sponsorship including teacher training, attendance at state school and higher education.
- Funding of school rebuilding works as necessary.
- Input of Human Resources as required and when appropriate.

Enabling some of the poorest children in Cambodia to attend school and enhance their educational opportunities helps break the poverty cycle.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

FD(UK) works with FDC based in Cambodia.

- The Directors and staff teams based in Cambodia oversee the expenditure of FD(UK) funding. This constitutes only a portion of their income not their total budgets.
- Sponsorship grants are awarded on the basis of (i) academic ability (ii) the child's wishes (iii) the support of the family or guardian.
- Volunteers in the UK are involved in fundraising. FDC also operates its own volunteer programme.

Section D

Achievements and performance

- 100% Khmer team at FDC which was always the target for the core staff team in Cambodia. On going voluntary support still continues via Australia, UK and other countries in the world.
- There has been a further increase in the number of students attending FDC. Far more children want to attend FDC than can currently be enrolled. Priority is given to the families living in the poorest conditions.
- A school library was added this year.
- 83 children are sponsored via the Child Sponsorship programme.
- The kindergarten programme operating at the school enables single parents to work and improve the status of their family. It was not uncommon prior to this programme for very young children to be left at home alone.

Section E

Financial review

Brief statement of the charity's policy on reserves

FD(UK) current policy is to only maintain reserves to cover operational overheads. The trustees regularly review this policy and this may change as the charity grows.

Details of any funds materially in deficit

Not Applicable. FD(UK) has a single fund which is in surplus. We only allocate funds as they are collected.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

FD(UK) has three main sources of funds:

- Fundraising activities such as sponsored events
- One-off donations
- Monthly donations.

FD(UK) expenditure supports the objectives by:

- Funding capital projects, such as building and furnishing school rooms.
- Funding school operating costs including teacher's salaries, utility bills and school supplies.
- Funding state school fees where required.
- Funding Community Support Programme

Section F Other optional information

FD(UK) policy is to apply funds directly to supporting Feeding Dreams Cambodia's five programmes and avoid administration costs wherever possible. FD(UK) has successfully operated this policy by a combination of trustees and volunteers' time.

The administrative costs for the year comprise of:

- Bank charges (transfers, foreign currency receipts & current a/c) = £359.29
- Website and email charge £299.00

INDEPENDENT EXAMINER'S REPORT

Independent examiner's report to the Trustees of Feeding Dreams (UK). Charity Commission
Reg No. 1099609

Report on the accounts for the year ended 30 September 2025 which are set out on pages 5 & 7.

Respective responsibilities of the trustees and examiner:

1. The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 and that an independent examination only is required.
2. The examiner has the responsibility to:
 - a. Examine the accounts under section 145 of the 2011 Act
 - b. Follow the procedures laid down in the general directions given by the Charities Commission under section 145(5)(b) of the 2011 Act
 - c. State where particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination which gives me cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination, to which attention should be drawn in this report, in order to enable a proper understanding of the accounts to be reached.
