## Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Charity is currently dormant whilst awaiting the appointment of 2 new trustees

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The 1100 Project aims to give City of Birmingham School children a second chance or a little extra, as all our children are from vulnerable groups in society. We cater for children with a wide range of special needs; social, emotional, behavioural and mental health issues.

COBS is committed to providing an alternatively structured and caring environment which offers progressive educational programmes for children who have struggled in conventional settings.

The 1100 Project was set up to assist with providing funding needed to address the social and emotional growth of our children in order to help them acquire the skills that are necessary to reintegrate back into schools/society.

In recent years COBS has worked more closely with the parents of its pupils by supporting the parents more directly with advice and educational workshops to enable them to nurture and develop their own children. This work is known as the Pathfinder Parental Engagement Programme.

All three trustees have regard to the guidance on the Charity Commission website on public benefit.

**Additional details of objectives and activities (Optional information)**

You may choose to include further statements, where relevant, about:

## Section E Financial review

Brief statement of the charity's policy on reserves

The 1100 Project is a small charity whose beneficiaries are the pupils of City of Birmingham School and any other pupils of schools working with COBS. As we aim to look after the social and emotional welfare of the pupils, an annual reserve of £1100 would allow The 1100 Project the opportunity, if necessary, to wind down its programme of support.

Details of any funds materially in deficit

Not Applicable.

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);

## Independent Examiner's Report to the Trustees of The 1100 Project

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2021.

### Responsibilities and basls of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

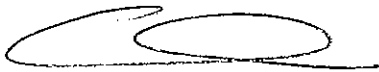

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
