EP Youth Ltd
Trustees' Annual Report
Year Ended 31st December 2021

The Trustees (who are also directors of the charity for the purposes of the Companies Act) present their annual report together with the financial statements of EP Youth Ltd (the company) for the ended 31st December 2021. The Trustees confirm that the financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Statement of Recommended Practice: "Accounting and Reporting by Charities" (FRS 102).

Since the company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic and Director's Report) Regulations 2013 is not required.

The trustees have complied with the duty in Section 17 (5) of the 2011 Charities Act to have paid due regard to guidance issued by the Charity Commission in relation to the activities being for the public benefit.

Structure, governance and management

Constitution

The company is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on the 19th July 2003.

Trustees

The following trustees served office during the year:

A R Vertigan (Chair)
N Cooper
G G E Woodland
J Holdom

Organisational Structure and Decision Making

Throughout the year, the charity has been managed by a board of Trustees/Directors. We seek to ensure that the board brings a broad base of skills and experience relevant to current challenges. Where vacancies exist, we recruit by advertising and pro-active invitation. Candidates are selected by the board after consideration of their skills and references. Our board meets regularly, and its work is supported by the employees of the charity.

Objectives and Activities

Public Benefit

To promote for the benefit of the inhabitants of Fakenham and the surrounding area without distinction of sex, sexual orientation, race, political, religious or other opinions to advance education and provide facilities in the interest of social welfare and for the recreation and leisure-time occupation with the objects of improving the condition of life for the said inhabitants and by such other charitable means as the trustees from time to time may think fit.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

"Youth work takes an holistic approach with young people. It starts where they are at in terms of developmental or physical location (open access or detached/street work) – The relationship between young people and youth worker is entirely voluntary – youth work often only works because of the voluntary relationship. Many professionals work with young people, but principally, only in youth work is it the choice of the young person to engage with the professional."

National Youth Agency

EP Youth workers reach out to young people and families; inspiring them to believe in themselves; empowering them to pursue their goals; and celebrating them for their achievements, influence, and pursuit of happiness. Our team creates opportunities for young people to come together safely, presents challenges for young people to experience personal growth and the stretching kind of informal learning that builds character and resilience; and when times are difficult – and during adolescence, the stormiest of times for most of us, there are plenty of difficulties – we offer support in lots of different ways to make sure that we are accessible and useful to anyone who needs some help. One to one and group work which target particular needs are offered throughout the week, and we adapt our days and times of operation to suit the young people and families who want to come and use our services.

In 2021 we emerged with everyone else through the Covid 19 crisis to a changed world. Young people and families had all of the same and some new needs; across all our projects we observed the effects that the pandemic has had locally on the people we work with. While the lockdowns inevitably brought much of our work to a halt, we continued to offer information, support and signposting through our website and on-line. As Covid 19 restrictions were relaxed, we resumed service provision while observing the requirements laid out by the government, the NYA and local guidance to minimise the risk of infection and provide the safest possible environment for young people and our staff. As we returned to the 'new normal', we noticed that the personality of the community had changed by degree toward compassion and tolerance, even among the very real raised anxieties about coming back to community life, school, college and work.

"I know I may not always show it, but I do appreciate the kindness and patience you have shown me for such a long time. I feel like I belong"

CT, young person

Our team continued to deliver projects in physical and virtual spaces. We engaged young people and their families with online cooking workshops in partnership with Jamie Oliver and Tesco. Our Food for All project gave away food for more than 2000 family meals, and recipe ideas with encouragement to try new things, reduce food waste and enjoy eating together. We have added Toiletries Amnesty and 'floordrobe' donations to the offer which is needed more now than ever. We supported two young people to apply and go to university in the fields of study they chose and equipped them with budgeting tools to help them manage their loans. They volunteer with us still, in their holidays when they are home. Our other core work with young carers, young parents, after school provision, outreach work and young people's employability skills responds to perennial need and endures.

New work for us in 2021 included a mental health peer mentors project where young people learned about good mental health practices, self-care and building resilience to be able to share their learning within their peer communities and improve standards of well-being while raising their own. We worked with Active Norfolk to deliver a Big Norfolk Holiday Fun project during the school holidays, primarily for young people whose families are eligible for free school meals, where young people could take part in drama, football, singing and so on, and share making and eating good food together with youth workers. We have engaged with the Community Focus Officer postholders who have been appointed in the public sector, and shared training and development with other community organisations; through invitation from Norfolk Community Foundation, we have begun to develop our Food for All project to become a food hub and join with several food hubs across the county under the banner name 'Nourishing Norfolk'.

"You truly inspired many of our learners in careers week so thank you once again for your time. It's great news that you are considering offering work experience again. Our young people need it so much."

KL, College of West Anglia

Individuals and groups gain resilience and empathy by working together and thinking about others while they undertake purposeful challenge. During 2021, we asked young people to continue to be tolerant and accommodating of the necessary changes in our responses to their needs. When it was time to reintroduce groups into the building, we commended the young people's willingness to undertake actions to protect themselves and others. An encouraging experience in being heard and valued plays a significant part in young people's self-esteem and decision making in their future, and the impact of changing perceptions by their own actions is inspiring.

Financial review

Our Treasurer and Accountant work closely together with the team to entrench good working practices, continuing to develop our systems to be capable of maintaining a meaningful local association as we continue to do what we can to improve the outcomes for young people and families. Government assistance has kept us afloat, and our in-house fundraising has secured enough funds to deliver targeted projects this year, but we are, like many other small concerns, still just about managing and there is so much more we could do in better circumstances. We are encouraged that our local, needs-led approach is commensurate to the wider agenda and that our priorities, drawn from continuously monitoring needs and the outcomes of our work with young people will, we hope, continue to be valued by our funders.

We want to thank The George John and Sheilah Livanos Charitable Trust for their ongoing support and continued interest in the development of the charity and our work with young people. Their assistance over many years has kept EP Youth secure in the community and enabled a responsive, professional, and locally invested charity to keep a building, develop and deliver timely project ideas to meet the emerging needs of young people, develop partnership projects, employ professional staff, and train volunteers. As always, we value their continued involvement, and their friendship.

Thank you to the many private donors and grant-making trusts and organisations who have supported us including Norfolk Community Foundation, The Swire Trust, The Anthony Bourne Trust, The Angela Gallagher Trust, Colin Garwood, DJ Yarham, Sir Norman Lamb Coalition, The Fitton Trust, Nichol-Young Foundation, Gina and Stuart Harrison and Paul Bassham Charitable Trust. Like many of our organisational peers, our continuing operations also owe gratitude to the furlough scheme and the help from local authority.

The charity made a total net deficit of £2,133 during the year (2020: £20,732 surplus) and had total reserves of £46,750 at the end of the year (2020: £48,883) including free reserves (unrestricted funds excluding tangible fixed assets) of £20,573 (2020: £12,107)

Reserves Policy

The trustees aim to maintain reserves to (a) provide working capital to enable day to day running to continue in the event of a significant shortfall of income (b) cover longer term expenses such as maintenance of the equipment or strategic development of new facilities or services and (c) provide a contingency amount to cover moderate unforeseen expenses. We consider that maintaining Unrestricted Reserves equal to three months' operating costs is prudent.

Plans for the future

North Norfolk is a beautiful rural area, rich in heritage, wildlife and famous for its big, blue skies. For young people it is also inaccessible and lacking in opportunities to achieve, to gain skills and to grow into resilient, independent adults. Young people are isolated, and as a result, they are at risk of not fulfilling their true potential. They need inspiration and real-life positive experiences to raise their aspirations and realise their goals. We know that the need for one-to-one support is increasing every year as mental health services are fatigued and expended; we have joined the Talking Therapies Coalition to offer what practical help we can in increasing the sector's capacity. We will be fundraising to deliver more vital outreach work; creative projects addressing mental health difficulties through our membership of the Sir Norman Lamb Mental Health and Well-Being Coalition; reducing child exploitation and the social and environmental threats that keep young people vulnerable. We will continue to build positive relationships with young people, engaging their interest and growing their self-esteem and confidence to take themselves seriously.

Financial instruments

Objectives and policies

The charity's activities expose it to a number of financial risks including cash flow risk and liquidity risk. The charity does not use derivative financial instruments.

Cash flow risk

The charity's activities expose it primarily to the financial risks of changes in interest rates. Where economically possible, interest bearing assets are held at fixed rate to ensure certainty of cash flows.

EP Youth Ltd
Trustees' Annual Report (continued)
Year Ended 31st December 2021

Credit risk

The charity's principal financial assets are bank balances and cash, trade and other receivables. The charity's credit risk is negligible as it has very low levels of trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies and all deposits are held in accounts subject to the UK Financial Services Compensation Scheme.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity aims to hold cash reserves equivalent to a minimum of three month's running costs.

Trustees' Responsibility Statement

The Trustees (who are also directors of EP Youth Ltd for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

This report was approved by the Trustees on 03/11/2022 and signed on their behalf by:

Independent Examiner's Report
to EP Youth Ltd
Year Ended 31st December 2021

I report on the financial statements of the charity for the year ended 31st December 2021 set out on pages 7 to 15.

This report is made solely to the charity's Trustees, as a body, in accordance with section 145 of the Charities Act 2011 and regulations made under section 154 of that Act. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

Respective responsibilities of the trustees and the examiner

The charity's trustees, who are also the directors of the company for the purposes of company law, are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under charity or company law and is eligible for independent examination, it is my responsibility to:

- Examine the accounts under section 145 of the Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in, any material respect, the requirements:
- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of Section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended practice: Accounting and Reporting by Charities
- have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

EP Youth Ltd
Notes to the Financial Statements
Year Ended 31st December 2021

1. Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

a) Basis of accounting

The charity is a private company limited by guarantee registered in England and Wales and governed in accordance with its articles of association. The address of the registered office is given in the charity information page of these financial statements. The nature of the charity's operations and principal activities are described in the Trustees' Report. The members of the company are the Trustees named on the company information page. In the event of the company being wound up the liability in respect of the guarantee is limited to £10 per member of the company.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The financial statements are prepared on a going concern basis under the historical cost convention in sterling which is the functional currency of the charity

b) Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objects of the charity.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

Surpluses on restricted funds are made available to other funds in the furtherance of the objectives of the charity as a whole.

c) Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Voluntary income is received by way of donations and gifts and is included in full in the SOFA when receivable. Grants and donations are recognised when receivable.

Investment income along with any recoverable income tax is recorded when receivable.

Gift aid reclaimable on donations to the charity is included with the amount received.

d) Resources expended

Expenditure is recognised in the accounts on an accruals basis and includes any irrecoverable VAT.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity.

EP Youth Ltd
Notes to the Financial Statements (continued)
Year Ended 31st December 2021

All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis.

e) Fixed assets

Tangible fixed assets are stated at historic cost less accumulated depreciation. Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

- Motor vehicles 25% reducing balance
- Equipment 20% straight line

f) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

g) Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount.

Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

h) Provisions

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

2. Taxation

EP Youth Ltd is a registered charity and is therefore exempt from direct taxation.
