NORTH DONCASTER DEVELOPMENT TRUST

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and financial statements for the year ended 31 March 2024.

The charity's governing document is its Memorandum and Articles of Association, dated 29th January 2003, which were revised in January 2016 at the Annual General meeting, where the board agreed to reduce the trustee board members to a maximum of 12.

Objectives and activities

The charity is a not-for-profit organisation created to promote the economic development and regeneration of North Doncaster. The primary area the Trust covers is the North of Doncaster, however this is not inclusive, and our reach includes working across Doncaster, diligently working in partnership with communities and all parts of the voluntary sector.

Significant activities and public benefit

The Trust was created for the promotion of economic, environmental, and social regeneration of the primary area. Its' objectives concentrate on five major areas.

- Helping people move closer to work.
- Supporting small and emerging businesses and social enterprises.
- Supporting voluntary and community groups.
- Improving the quality of life in communities and the wellbeing of all
- Developing the Trust's sustainability.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake, whilst ensuring resident and community voice is listened to, heard and action follows using coproduction.

NORTH DONCASTER DEVELOPMENT TRUST

TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance

Continuing Uncertainty

As with previous recent years, this year continued to be challenging for many Voluntary Sector organisations; the past year has seen continued Covid recovery, however as we move away from that challenge we are faced with challenges as part of the cost of living crisis. This report reflects those challenges and how the board of Trustees and dedicated staff have focused on enabling the partnerships and resources the Trust have built to be the foundations for the main activities throughout the past year.

During 2023-24 the Trust continued to work differently, building on the work of the previous year's successes, working with and for our residents, working closing with partners such as City of Doncaster Council (CDC), The Ridge and The Bread and Butter Thing. All build on our community offer including via a referral only food pantry, a self-referral weekly food offer, where residents can request support at low cost yet affordable food that would otherwise go to food waste. This supports residents who are facing financial difficulties and also provides an environmental solution.

We continue to work closely with CDC Well Doncaster to support their Appreciative Inquiries; the findings providing both organisations with important community input. Our community connector spoke with over 400 residents over the 12-month period, asking positive questions about what they like about where they live and what does good health look like to them. These conversations provide part of CDC intelligence for Doncaster's corporate plan and they also enable NDDT to listen to residents views, helping shape our community offer.

We successfully secured several new funding streams, small funding amounts to strengthen the community development required to understand the need of residents. We continue to work closely with key partners and City of Doncaster Council, building a community collaborative. This is working well and there is a shared vision to develop collective funding bids. This collaborative working has been a significant development for the Trust, as part of City of Doncaster City's Well Doncaster community capacity investment fund where the Trust continues to be the lead anchor organisation distributing its' Community Investment fund. The investment fund for 2023-24 has enabled the trust to support 19 smaller grassroot organisations, supporting them to apply for the funds and helping with monitoring requirements. This as enabled a total investment of £34,335 into community activities, the Trustees of NDDT played a vital role in the Community Investment fund, offering support as panel members and sharing the grant application process across our communities.

The development of Bullcroft Memorial Hall and Bentley Resource Centre continue to be a primary focus for the organisation, creating community centres for local activities and wellbeing, and ensuring sustainability for the trust. Both buildings have had challenges throughout the year but have started to see an increase in revenue from ad-hoc bookings with residents returning to community activities.

Partnership working is an integral part of NDDT's focus, working and co-producing with The Ridge Employability College has gone from strength to strength. Bev-Ridge, their community café, is a great asset for the residents of Doncaster and is a strong partnership supporting young people to gain skills in a different educational environment. This is invaluable to all.

The direct impact of Covid 19 on our community transport was significant, our main users are from vulnerable groups and often not able to travel. The development of community transport is high on our agenda and we are working with local community groups to support the reduction of loneliness and social isolation and increased well-being.

Trustees, staff and volunteers have not let the past challenges of covid, and the current cost of living stop their passion for supporting our communities and were successful with funding for a Get Doncaster Moving Community Connector role for a further year to support residents to get out and about, which enables us to have greater understanding of our communities wants, needs and aspirations.

NORTH DONCASTER DEVELOPMENT TRUST

TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2024

Unique Position of the Trust

The Trust stays in a unique position in North Doncaster in having an umbrella perspective and has utilised this to develop several projects to support the organisations aims. Through the recognition and reputation of the Trusts earlier activities, the organisation finds itself in an advantageous position to support and offer advice to smaller organisations within the community. As such future plans are to recognise our wider Doncaster role with a name change to Development Trust Doncaster.

Business Sector Development

Brooklands Trading Estate work units were partly owned by the Trust, discussions which started in 2015 with the individual shareholders of Brooklands came to a positive outcome last year when the Trust sold their shares back to Brooklands ensuring the requirements of the funder were adhered to.

The income from the Sale continues to be held in a reserve account, accumulating interest and allowing for the clawback period.

A Widening Financial Portfolio

As with many Voluntary Sector organisations, every year brings further challenge. It is no different for NDDT. The Trust continues the process of moving from grant support to self-sufficiency, which, in turn has enabled it to continue or develop previously grant aided projects. The Trust has a mixture of funding in its portfolio including a variety of contracts, grant aided projects, income from the Resource Centres and interest on capital.

Dedication

Staff, volunteers and Board trustees continue to work hard to deliver existing projects, prepare funding bids and successfully develop new opportunities under the unfavourable economic circumstances facing all sectors, and particularly the voluntary sector. The Trust continues to investigate ways to develop, maintain and enhance its strengths. This requires commitment from all. As ever, the Trustees would like to thank everyone who contributed to the Trust's ongoing operational success, in particular the staff who have worked incredibly hard in challenging times and with great commitment.

Financial review

The financial results of the charity are set out on pages 8 to 18. At 31st March 2024 the accounts show the Trust to be in a financial position with net assets of £694,700 of which £84,007 are unrestricted. The value of the Balance Sheet has increased over the year by £8,497. The Trust's dependence on grant funding has reduced significantly but it has benefited from some small projects being funded by grant-making bodies. Unrestricted funding comes through a wide variety of activities. The accumulated reserves have been invested primarily in savings accounts chosen to provide appropriate security in uncertain financial markets.

The expenditure over the last year continues to see the development of activities that meet the needs of deprived people living in the Doncaster area. Community Transport and The Bullcroft Memorial Hall are good examples of this, both of which have been successful in gaining additional funding to support projects in 2018.

The main concern for the Trust remains the development of earned income so that the Trust can be self sufficient and can provide an infrastructure that supports the needs of communities and their organisations.

It is felt that there is still an important role for the Trust to play in this area. Unrestricted funds represent the Trust's working reserves that helps us to ensure that we are able to continue with our obligations in the event of a shortfall in income or a sudden upturn in expenditure. The balance of unrestricted funds at 31 March 2024 represents a figure equating to approximately three months of operating income in line with Charity Commission recommendations. The Trustees regard this as satisfactory and a necessarily prudent approach. However, the reserves policy is reviewed regularly by the board.

NORTH DONCASTER DEVELOPMENT TRUST

TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2024

Risk management

The Trustees have reviewed the major risks to which the charity is exposed and systems have been established to mitigate those risks. These are reviewed periodically. The approach to addressing risk is in a broad context, with emphasis on strategic and reputational risks in addition to the more familiar areas of operational and financial risks, compliance with statutory requirements and internal control procedures. During the year our risk management has focused on a variety of issues ranging from safeguarding assets in a difficult investment market to addressing health and safety procedures.

Looking to the future

As referred to earlier the Memorandum and Articles of Association have been rewritten to better suit the challenges the organisation faces moving forward; this includes having a smaller number of Trustees. The numbers of trustees have reduced over the last two years and in view of this adverts have been issued prior to the AGM to attract new Board Members with certain skills to further strengthen the Board of Trustees. New trustees are always welcome.

Structure, governance and management

Governing document

The charity's governing document is its Memorandum and Articles of Association, dated 29th January 2003, which were revised in January 2016 at the Annual General meeting, where the board agreed to reduce the trustee board members to a maximum of 12.

The trustees, who are also the directors for the purpose of company law, and who served during the year were:

Mrs B M Gill
Mr C M Hogarth
Mr J Mounsey
Mrs V Powell-Hoyland
Mrs L E Wagstaff
Mrs I Beech

Recruitment and appointment of new trustees

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

Organisational structure

The charity is governed by a Board of Trustees, which can have up to 12 members, and is responsible for setting the strategic direction of the organisation and establishing policy. The Board meets regularly and sub-committees are formed as necessary. The Community Co-ordinator, appointed by the Trustees, manages the day to day operations of the charity and facilitates effective operations; she has delegated authority, within terms of delegation approved by the Trustees, for operational matters including finance, employment and project development. However all final decisions are made by the board on key issues and strategic direction.

The board made a decision in September 2016 to restructure the organization. This affected 3 staff members who all took voluntary redundancy. The Community Co-ordinator was then appointed to work on the community development and management of sites. The restructure was essential due to the large staff overhead cost which required reducing to fit in line with the current economic situation.

NORTH DONCASTER DEVELOPMENT TRUST

TRUSTEES REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2024

New Trustees undergo orientation to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity. Trustees are encouraged to attend appropriate external training events which facilitate the undertaking of their role. The Trust is always keen to attract new Trustees to its board.

Related parties

The charity has no related parties with whom it deals with.

The Trustees report was approved by the Board of Trustees.

NORTH DONCASTER DEVELOPMENT TRUST

STATEMENT OF TRUSTEES RESPONSIBILITIES

FOR THE YEAR ENDED 31 MARCH 2024

The trustees, who are also the directors of North Doncaster Development Trust for the purpose of company law, are responsible for preparing the Trustees Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NORTH DONCASTER DEVELOPMENT TRUST

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF NORTH DONCASTER DEVELOPMENT TRUST

I report to the trustees on my examination of the financial statements of North Doncaster Development Trust (the charity) for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NORTH DONCASTER DEVELOPMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

Charity information

North Doncaster Development Trust is a charitable company limited by guarantee incorporated in England and Wales. The registered office is Bentley Resource Centre, High Street, Bentley, Doncaster, South Yorkshire, DN5 0AA.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's memorandum and articles of association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.3 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

NORTH DONCASTER DEVELOPMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

1 Accounting policies

(Continued)

1.4 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Property & improvements	4% straight line
Fixtures, fittings & equipment	10% & 25% reducing balance
Motor vehicles	25% straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.5 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.7 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

NORTH DONCASTER DEVELOPMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

	<u>284,814</u>	<u>182,170</u>

Other creditors consist of bonds held £3,772 (2023 - £4,142) and pension creditor £NIL (2023 - £262).

15 Restricted funds

Core funding - The investment in Brooklands Trade Developments Limited was sold during the year. The gain arising from it's sale is to be ringfenced until 30 September 2028.

Bullcroft memorial hall - As of the 1 November 2012 the ownership interest in Bullcroft Memorial Hall was transferred from The Carcroft and Skellow Community Association to North Doncaster Development Trust. As a result of certain clauses in the title document, it is appropriate to treat this asset as relating to restricted funding.

Grant Income - During the year several grants were received. Grants relating to: the community investment fund, food bank and other grant income were received for specific purpose and so are restricted.

NORTH DONCASTER DEVELOPMENT TRUST

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2024

16 Unrestricted funds

The unrestricted funds of the charity comprise the unexpended balances of donations and grants which are not subject to specific conditions by donors and grantors as to how they may be used. These include designated funds which have been set aside out of unrestricted funds by the trustees for specific purposes.
