Summary of the main achievements of the charity during the year**Over the last year**

As a thriving charity, with confidence we can state that we have been making a huge difference in the lives of the poor and needy in India (Gujarat) with the help and support that we get from our generous donors. We are constantly reviewing and visiting different villages so we can really grasp what the poor and needy need. You can see this by the on-going projects we have been working on. Day by day the charity is doing better and we feel that more people are approaching us for help and support. UHH assists those who suffer from poverty, illiteracy, diseases and lack of economical support. UHH strives hard to aid the most vulnerable in society, namely the widows, young girls, orphans and the elderly.

Widow help

We are providing monthly aid to the residence of 9 poor villages, 110 widows, amongst them, 10 have got several health conditions.

Education

UHH believes that education is vital for every individual in their life. UHH also believes that education is one of the paths to remove poverty and the road to a brighter future for the poor and needy. We help each individual with good quality education in English by helping them with their fees, uniform, books bags and essentials that they would need on a day to day basis. We want the children to aim high by ensuring they progress to higher education with our help and support.

Last year we helped more than 38 individuals to get higher education which will help them in the future and we helped more than 109 children in secondary school by giving them uniform, books and fees.

Al Huda Orphanage- Our new project

In the previous year, we have been helping orphans in different schools. However, we were not able to help as many as we wanted. Therefore, UHH decided to build an orphanage in an extremely poor and needy village in Gujarat (Vejalpur, near Ghodra) where orphans are offered education with boarding and lodging. There are now 40-50 orphans who are benefitting from this orphanage in a safe and secure gated environment. We thank all the people who donated for this very rewarding project.

Marriage

Every marriage incurs expenses. UHH helps individuals to have a good start in their married life by aiming to ease the financial burden. Last year UHH have helped 74 girls get married by providing essential items such as clothes, Quran, suitcases etc.

Health Care

As many of you are aware, health care in India is very commercial therefore it is very hard for the poor to get treated correctly due to financial difficulties. UHH helps them by paying their bills in various hospitals. Faizan maternity Hospital continues to get financial assistance from UHH which is a no-profitable medical centre based in Anand Gujarat. UHH specialises in the maternity field. Every year many patients receive treatment from the hospital and Last year we helped more than 85 individual people pay for their medical bills.

Self-Reliance

UHH aims to encourage every poor young individual to sustain for their families by providing them with a small grant to start their own business or help them financially with their already running business. We do this by providing them with valuable equipment carts, bicycles, sewing machines etc. Last year we were able to help 41 poor people in Self-Reliance

Ramadhan

As Ramadhan and Eid is a very special time for every Muslim, UHH believes that every family should have the means to get through Ramadhan at ease. We provide Iftaar packages which includes basics such as, rice, flour, oil, lentils etc. In addition UHH do not forget the poor families in the happy occasion of Eid. We help 300 families during Ramadhan and 100 families during Eid.

COVID Lockdown

Due to the recent COVID-19 Pandemic, we found that many poor individuals in the villages of Gujarat suffering due to the many hard lockdowns that took place in India. Therefore, UHH helped more than 500 people in supplying them with ration kits which lasted them for a month.

Independent examiner's report on the Accounts

Section A

Independent Examiner's Report

Report to the trustees/ members of	UMMAH HELPING HANDS		
On accounts for the year ended	31 DECEMBER 2020	Charity no	1100009
Set out on pages	2		

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 43 of the 1993 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 41 of the 1993 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act have not been met ; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
