**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Summary of the main achievements of the charity during the year

## UMMAH HELPING HANDS: ANNUAL REPORT 2024

Ummah Helping Hands (UHH) was established in 1997 by Hafiz Hifzur Rahman Tarapuri for the charitable cause of helping the most remote villages near Anand, which is in the state of Gujarat, India. Due to poverty and poor education combined with past riots, flooding and financial pressures affect many preventing them to meet their most basic needs.

What is special about UHH is that we go out to villages where only few Muslims are residing and where they are in a fragile minority position. Having no transport themselves, they cannot go out to collect money. Hence, they rely on UHH volunteers to visit these villages once a month, offering selected help towards the neediest families.

### Over the last year

Last year thanks to our donors, hardworking staff and volunteers, UHH were able to continue our valuable work for the poor people in villages around Anand.

With the help of Allah (SWT) UHH was able to bring help to the needy and destitute. However, there is much yet to do.

Thousands of Muslims in the area still suffer from poverty, disease, illiteracy and lack of economic opportunities. UHH not only provides financial assistance but a source of much needed hope to the particularly vulnerable in society: orphans, young girls, widows, the old and the infirm. We ask Allah (SWT) to allow us to help more of those who require assistance urgently.

UHH thanks all those who have supported us and hope that Allah rewards them better in this life and the Hereafter. One again with Allah's help and blessings, we can bring change to these people and their lives.

### Our Current Projects Widows

We at UHH are currently helping **125 vulnerable widows** in areas where there is no provision or care. UHH offers every widow a monthly relief package where they are also personally given the donation. We are currently operating this project in **8 villages** on a regular basis. Last year we spent on this project **£15000**

### Al-Huda Orphanage, Vejalpur, Gothra

*Over the past 7 years, we have successfully established a dedicated orphanage which currently provides for 63 orphans. With your generous donations, we have been able to clothe them, feed them and provide them with lodging/boarding within an Islamic environment. Here we deliver secular and Islamic education to pave a bright future for these young orphans.*

***To sponsor an orphan, you can donate £30/month. You will also receive an annual report on the orphan you sponsor. Last year we spent £28000***

**HealthCare:** In India, the medical market has been commercialised, consequently causing difficulties for the poor people to pay for health and medical services/bills. Therefore, **UHH** have established Faizan Hospital situated in Anand, Gujarat. Within this hospital we also have a dedicated maternity home allowing us to help many poor, vulnerable families with minimal charges. And many people taking benefit from this last year we help 108 individual we spend in this **£6500**

**Marriage helps for orphan girls:** Marriage is a social obligation upon every Muslim, which completes half of one's *deen*. Orphan girls have consequently been unable to get married due to the loss of their parents and their poor background. We at **UHH** can give you the opportunity to be a major part in changing their situation as we currently distribute basic marriage kits for these disadvantaged young brides. This kit includes: A suitcase, clothes, bangles, utensils and a copy of the *Qur'an*. This kit only costs £60. last year we help about **60 girls**. We spend last year **£3000**

**Self-Reliance:** It is essential that those in need get a helping hand to establish their own businesses to help themselves. **UHH** assist unemployed male head of households with carts on which they can start a street vending business. Ladies of poor families are provided with sewing machines allowing them to start a business within the home or saving family money allowing them to become self-dependent. **45 individuals with their businesses £4000**

**Ramadan & Eid:** Every Ramadan, **UHH** distributes iftar packages for more than 200 poor families in remote villages around Anand. This allows them to comfortably fast in the month of Ramadan without any worries or concerns with regards to food and drink. We also provide poor children with Eid gift packages so they can have an enjoyable Eid with other children. Last year, **UHH** managed to distribute more than **200** food package and **150** Eid gift packages. we spend in this **£13000**

**Education:** is a vital part of Islam and essential for the poor and wealthy. Education will enable poor children to be free from poverty and labour. This will also improve their situation for themselves and their families for a brighter and secure future. **UHH** help poor students by providing them with books, uniform and school fees. **The Messenger of Allah (pbuh) encouraged the believers to remove themselves from poverty due to its significant impact it had on faith. Last year we helped more than 100 students with your support. spend £18000.**

**Additional Work:** We also distribute funds to those we suffer emergencies, whether this be towards poor women within their *iddah* period, towards housing repairs or otherwise.

*Last year we helped in our additional works helping 41 poor individuals with their needs. with your support spend on this project £6500*

***Last year we have done 40 qurbani in poor villages***

Section E Financial review	
Brief statement of the charity's policy on reserves	None
Details of any funds materially in deficit	None
Further financial review details (Optional information)	
<p>You may choose to include additional information, where relevant about:</p> <ul style="list-style-type: none"> <li>the charity's principal sources of funds (including any fundraising).</li> <li>how expenditure has supported the key objectives of the charity.</li> <li>Investment policy and objectives including any ethical investment policy adopted.</li> </ul>	

Section F Other optional information

# Independent examiner's report on the Accounts

## Section A

## Independent Examiner's Report

Report to the trustees/  
members of

UMMAH HELPING HANDS

On accounts for the year  
ended

31 DECEMBER 2024

Charity no

1100009

Set out on pages

2

Respective  
responsibilities of  
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 43 of the 1993 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act, and
- to state whether particular matters have come to my attention.

Basis of independent  
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent  
examiner's statement

In connection with my examination, no matter has come to my attention.

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
  - to keep accounting records in accordance with section 41 of the 1993 Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act have not been met ; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
