Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

- To advance the education of the public and in particular dog owners in responsible pet ownership, obedience training for dogs and their responsibility as dog owners for the health and safety of the public.
- To train dogs within the areas of agility to Kennel Club regulations.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We run training classes in obedience, agility, hoopers, flyball & ringcraft.

50% increase in uptake over previous year in obedience/agility/hoopers.

Weekly coffee mornings to showcase what we are about to the general public has had mediocre success overall.

4 x Kennel Club agility shows organised totalling 12 days of competitions. April show was a washout, full refunds given. June show quiet, but lots of comments from competitors saying they preferred it that way. August show popular as usual. October show very busy. Fun days in April and July to showcase the club to the general public and allow them to try out the sporting activities were reasonably successful. In July we put on more fun dog classes spread out through the day to keep customers here longer.

Halloween party and Christmas party well attended by members. Food and drinks, and fun games very much appreciated by dogs and handlers alike. End of year presentations given at Christmas party.

Regular quiz and bingo nights with pie and peas were well attended by members.

In July we went to Picton Show near Yarm where we set up a 'have a go' agility course.

We have purchased new agility equipment: adjustable see-saw, heavy duty weaves, 5th electronic timing set.

New maintenance equipment purchased: heavy duty strimmer & robot vacuum cleaner.

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Approximately 50% increase in take up of dog training classes compared to previous year particularly in obedience and agility.

Our agility competitions have facilitated a number of our trainees to take the bold step into the world of Kennel Club competitive agility.

Coffee mornings and fun days have allowed us to showcase our facilities and advise on availability of suitable training classes to members of the public who were previously unaware of our existence. This has resulted in a number of new members.
