**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The TBPI Group exists largely on the internet. We have a website covering all aspects of the injury and members can interact with each other on our messageboards, facebook and twitter pages. We are all about providing help and advice from people who have got the injury or who live with someone who has to those who are newly injured.

We hold a weekend event every year open to all during which we have our AGM to which we invite guest speakers from the major UK trauma centres as well as experts in law and welfare benefits.

The trustees of the TBPI Group have had regard to the guidance issued by the Charity Commission on public benefit

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

The AGM successfully was held with guest speakers present. No other events had been planned due to the uncertain post covid climate.

The messageboards and social media outlets continue to be busy.

We are planning the purchase of a motorcycle and adapting it for one handed use, both right and left, with a view to loaning it out to anyone interested in getting back on a motorcycle. Similarly we are going to do likewise with a pedal cycle.

We continue to have close links to the major trauma centres in the UK and are looking to work closely with them in upcoming research programmes.
