ACHIEVEMENTS AND PERFORMANCE

Based on our mission statement, the Centre has had another satisfactory year by continuing to provide a high quality service to its members.

During the year and within Day Opportunities, many well attended outside visits have been undertaken, e.g, theme parks, theatres, museums etc.

FINANCIAL REVIEW

WMDC grant income has remained the same. An additional grant was received to cover the Artisan baker's wages.

A meeting with the Authority took place in 2019/20 to discuss an uplift on the funding. It was confirmed that an increase from April 2020 of 1.5%

RESERVES POLICY

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible assets (the free reserves') held by the charity should approximate to one quarter of the annual resources expended. This would provide sufficient funds to cover management, administration and support costs and respond to emergencies as they arise. At the present time, free reserves do not reach this target, however the trustees are continuing to seek additional funds from any available sources and keep costs under regular review.

**NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 MARCH 2022**

1 ACCOUNTING POLICIES

1.1 Basis of Preparation of Accounts

The accounts are prepared under the historical cost convention and include the results of the Charity's operations which are described in the Trustee's Report and all of which are continuing.

The accounts have been prepared in accordance with the Statement of Recommended Practice for the charity records.

The charity has taken advantage of the exemption in Financial Reporting Standard No.1 from the requirement to produce a cashflow statement on the grounds that it qualifies as a small charity.

1.2 Tangible Fixed assets to use by the Charity

Tangible Fixed Assets for use by the Charity are stated at cost less depreciation where appropriate.

No depreciation is provided on freehold buildings. It is the policy of the charity to maintain these at least to their current standard and to charge to the income and expenditure account the cost of maintenance as incurred. In the opinion of the Trustees, the resulting charge would not differ materially from that had the freehold buildings been depreciated.

Depreciation is charged on Equipment, Fixtures & Fittings at 10% reducing balance per annum and on the motor vehicle at 25% reducing balance per annum.

1.3 Income

Income and donations are accounted for as received by the charity. No permanent endowments have been received in the period.

1.4 Value Added tax

Value Added Tax is not recoverable by the charity and as such is included in the relevant costs in the statement of Financial Activities.

1.5 Management and Administration Expenditure

Expenditure on management and administration of the charity includes all expenditure not directly related to the charitable activity. This includes costs of renting and running office premises, staff salaries for administration staff and accounting fees.
