Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 July 2023. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in March 2005.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is a Company Limited by Guarantee. The charity is operated under the company's Memorandum of Association and Articles of Association dated 10th March 2003, (and later amended at the AGM 2017). Each Trustee is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of a liquidation.

Overall management of the charity is the responsibility of the Trustees, who are elected at each Annual General Meeting or co-opted under the terms of the Articles of Association. The Trustees are reminded at the beginning of each term of service following the AGM of their roles and responsibilities and their liabilities as Trustees.

The Trustees meet regularly and work in conjunction with the Pre-School staff to ensure the smooth running of the Pre-School. On-going teaching and training for the Trustees' is featured in meetings as and when needed. The Pre-School's day to day activity is managed and carried out by paid staff.

RECRUITMENT AND APPOINTMENT OF NEW TRUSTEES

Potential trustees are usually recruited from the charity's users/beneficiaries. Prior to the AGM parents and carers are asked to consider volunteering their time and skills to become a trustee, and they complete the application process at the AGM

OBJECTIVES AND ACTIVITIES

We are a Pre-school providing care and education for children aged 2 - 5 years. Our aim is to provide a happy atmosphere where children can become confident and independent in a safe, secure and stimulating environment. The Pre-school aims to maintain strong links with the child's home environment, working in partnership with parents/carers to ensure that all children reach their full potential. We actively encourage children and parents/carers to take part in various fundraising activities for both local and national charities.

PUBLIC BENEFITS

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales. At Wells (All Saints') Pre-school we want all children to feel secure and happy in the absence of their parents/Carers. Every child is allocated a Key-carer. The Key-carer will be responsible for helping them to settle into their new environment and to offer support whenever required. They will also be responsible for monitoring and recording your child's progress.

FINANCIAL REVIEW

The accounts for the year show a surplus of £3,753 (2022 - surplus of £1,147). The surplus is made up of £270,532 (2022 - £270,338) income and £266,779 (2022 - £269,191) expenditure, resulting in a surplus of 3,753. Funds stand at £217,112 (2022 - £213,359).

Restricted funds:

Restricted funds at 31 July 2023 are nil (nil - 2022).

Unrestricted funds:

Unrestricted funds at 31 July 2023 amounted to £217,112 (£213,359 - 2022).

RESERVE POLICY

WELLS (ALL SAINTS) PRE-SCHOOL LIMITED

Trustees' Report

Funds at 31 July 2023 totalled £217,112. It is the trustee's policy to maintain a balance of available unrestricted funds in cash and bank accounts (where possible) which equates to approximately one term's expenditure to cover emergency situations which may arise from time to time. Reserves above this may be invested in FCSC covered GBP term deposits.

ACHIEVEMENTS AND PERFORMANCE

The pre-school's charitable objects are to enhance the development and education of children primarily under statutory school age by encouraging parents to understand and provide for the needs of their children.

The preschool has had a successful year. Our safeguarding policies and procedures have continued to protect all those associated with the preschool. We have made a number of improvements to our trustee onboarding and administration procedures following feedback from our regulator.

During this academic year 69 children have joined the preschool and we have said goodbye to 48 children moving on to primary school or other early years settings. Over the year 33,248 hours of childcare have been provided to 67 families (12,528 of which hours were paid for by families and 20,720 hours were funded by the local authority).

A fundraising team was established during the year and ran several successful fundraising events raising over £3,000 for the pre-school and other charities, culminating in the pre school's 60th birthday party.

FUTURE PLANS

Over the next year the pre-school will continue to deliver high quality childcare for our member families. In keeping with the charitable objects we intent to accept children under the new 2 year old funding arrangements beginning in April 2024. We will keep a close watch on the impact of these arrangements on the financial sustainability of the pre school and adapt our fundraising and business plans accordingly.

RISK MANAGEMENT

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The board has a formal, written policy on internal control procedures which will continue to be monitored and updated to cover new risk areas as and when they are identified. The use of the company debit card and on-line banking procedures are carefully monitored and recorded weekly or monthly. The safety and health of our employees and the communities in which we operate has always been our top priority. We have updated our security and evacuation procedures this year.

WELLS (ALL SAINTS) PRE-SCHOOL LIMITED

Statement of Trustees' Responsibilities

The trustees (who are also the directors of WELLS (ALL SAINTS) PRE-SCHOOL LIMITED for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on and signed on its behalf by:

WELLS (ALL SAINTS) PRE-SCHOOL LIMITED

Notes to the Financial Statements for the Year Ended 31 July 2023

1 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

WELLS (ALL SAINTS) PRE-SCHOOL LIMITED meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

WELLS (ALL SAINTS) PRE-SCHOOL LIMITED

Notes to the Financial Statements for the Year Ended 31 July 2023

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

| Asset class | Depreciation method and rate |
|---------------------------|------------------------------|
| Furnitures and equipments | 20% RB |

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

WELLS (ALL SAINTS) PRE-SCHOOL LIMITED

Notes to the Financial Statements for the Year Ended 31 July 2023

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity (attributed to non-controlling interests as appropriate).

Other exchange differences are recognised in the Statement of Financial Activities in the period in which they arise except for:

- 1) exchange differences on transactions entered into to hedge certain foreign currency risks (see above);
- 2) exchange differences arising on gains or losses on non-monetary items which are recognised in other comprehensive income; and
- 3) in the case of the consolidated financial statements, exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised in other comprehensive income and reported under equity.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Financial instruments

Classification

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.
