**REPORT OF THE TRUSTEES
for the Year Ended 30 June 2022**

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 June 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity was set up to raise funds for the Royal Flying Doctor Service in Australia. Its objects are to relieve sickness and to protect and preserve the physical and mental health of residents in sparsely settled areas of the Commonwealth of Australia, its dependencies, and mandated territories by providing or assisting in the provision of equipment, facilities and services to enable the Royal Flying Doctor Service of Australia to fulfil such of its objects as are charitable under the law of England and Wales.

Public benefit

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance public benefit running a charity. The achievements and activities above demonstrate the public benefit arising through the Charity's activities.

FINANCIAL REVIEW

Financial position

During the year ended 30th June 2022, income amounted to £37,493 (2021: £11,525) and expenditure amounted to £11,305 (2021: £19,146). Unrestricted funds available for future activities increased during the year from £41,824 to £68,012.

Principal funding sources

The principal funding sources are donations and fundraising events.

During the year we held a reception at the High Commissioner's private residence and put on a "Democracy Sausage Sizzle" on the steps of the Australia House during the Australian Federal Election in May. We also created an initiative, named Platinum Outback Friends, which involves donors pledging £5,000 or more. We expect this fundraising source to be an important aspect of raising funds in future. Much of the activity during the latter part of the year was planning for our major fundraising gala dinner on 16 November 2022.

Investment policy and objectives

Under the Memorandum and Articles of Association, the charity has the power to make any investment which the trustees see fit. The trustees have considered the most appropriate policy for investing funds and have found that cash deposits meet their requirement to generate income.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Induction and training of new trustees

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
for the Year Ended 30 June 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Financial instruments

Basic financial instruments, as covered by Section 11 of FRS 102, are measured at amortised cost. The company does not have any Other Financial Instruments, as covered by Section 12 of FRS 102.
