**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 JULY 2021**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 July 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The principal activities of the society are:

- To educate the public about the Icelandic horse and its origins, preservation and standards in accordance with the standards of FEIF (The Federation of Icelandic Horse Association).
- To improve general standards in the management, use and treatment of horses with particular reference to the special features of the Icelandic horse by the education of breeders, importers, owners, judges, veterinarians, trainers and members of the public.

We have continued to encourage participation in as many different activities as possible. The presence of the Icelandic horse in Great Britain continues to grow. The society has continued its efforts to promote the breed and educate the public about its unique qualities.

Significant activities

The IHSGB publishes regular newsletters with information about Icelandics at home and abroad. Various IHSGB items may be purchased including sweatshirts, car-stickers, spare-wheel covers etc. National Championships are held every year, and every two years is the World Championships for Icelandic Horses to which Britain sends a team to compete.

The IHSGB has members all over Great Britain and there are training courses, pleasure rides, competitions and social events held all over the country. Junior members have their own events and can take part in several international events organised by FEIF.

Public benefit

The charity has had due regard for the Charity Commission's general guidance on public benefit when reviewing its objectives and planning its future activities. The charity meets the public benefit requirement of advancement of animal welfare.

Creation and use of the IHSGB General Development Fund

To maintain our status as a registered charity that is able to claim tax relief, we are required to demonstrate annual achievement of the Society's aims. The creation of this fund will help us achieve our goals and will also demonstrate our charitable credentials. The aim of the fund is for the interest earned to be used to award grants that will further the Society's objectives.

Applications for grants are to be made in writing to the Board of Trustees by 31st July each year for the following year. The application should include the reasoning why the applicant believes that the Society objectives would be enhanced and state the benefits to be gained.

Applications may be from anyone, and there is no limit to the number of times an individual may apply.

The Board of Trustees shall consider the merits of each and every application, seeking clarification where necessary. Any awards so granted will be announced at the Society AGM in November. If no applications are received or none is considered sufficiently worthy then the interest will be reinvested into the fund.

If the total amount asked for by those applications considered worthy exceeds the amount of interest available then the Board will decide which applications will provide the Society with the greatest return. The Board decision is final and there will be no right of appeal, however the individual may apply again the following year.

The capital of the fund may only be spent in exceptional circumstances and the trustees will need the majority of fully paid up members to give their written agreement. This will reassure people that their donations will be fully used to create a lasting legacy.

FINANCIAL REVIEW

Financial position

Total funding received during the year was £38,523 (2020 £26,820) and resources expended during the year amounted to £25,171 (2020 £25,556) resulting in reserves of £49,893 (2020 £36,541) of which £42,644 (2020 £30,355) are unrestricted.

Reserves policy

- 1 The Trustees of IHSGB Ltd. should seek to achieve a reserve of unrestricted funds equivalent to 12.5% of its annual income to meet an unforeseen emergency or other unexpected need. (c. £2,500)
- 2 That this reserve be invested in a Managed Trust Account through an organisation such as the Charities Aid Foundation (CAF).
 - A CAF Trust Account is a simple system that is a bit like having your own charitable trust, except it operates as a subsidiary fund of CAF. You can put money into the Trust Account, call it what you like and specify what charitable purposes the money can be used for. As CAF is a charity, the same charitable tax benefits apply to the Trust Account. It is like having your own independent trust, but the trustees of CAF take responsibility for carrying out your charitable wishes.
- 3 That any interest on this account is made available to the Society in the year as part of its general income stream and allocated to the annual budget.
- 4 That Trustees aim to invest any growth on this account, plus any year on year profits generated through trading (the Income & Expenditure account) into a second unrestricted fund/reserve.
 - This fund is now known as the General Development Fund.
 - Given the capital of the General Development Fund is only to be spent 'in exceptional circumstances' the Board of Trustees need to be mindful of the need to retain some budget flexibility year on year and of the need to protect the cash flow. Given this it may be appropriate to carry forward some I&E surplus year on year in the IHSGB Ltd general trading accounts (the bank accounts). This should be at the discretion of the serving Board of Trustees.
- 5 That the Board of Trustees agree to set a rolling three year budget to permit reserves/surpluses to be deployed to their best advantage and ensure cyclical events (Youth & World Cups for example) are adequately planned and budgeted for.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The constitution of the Icelandic Horse Society of Great Britain (IHSGB Ltd) is defined by its memorandum and articles of association.

Founded in 1986, the IHSGB exists to maintain the purity of the unique Icelandic horse, to promote interest in the breed, to protect the welfare of the breed, and to encourage Icelandic horse breeding and riding competitions.

The British Society is a full member of FEIF, the International Federation of Icelandic Horse Associations, which has 20 members including Canada and the USA. IHSGB is the only Icelandic horse association in Britain recognised by FEIF as representing the whole of the United Kingdom.

IHSGB is a Passport Issuing Organisation, authorised by DEFRA. We provide passports for Pure-bred Icelandic horses. IHSGB also provides data on Icelandic horses to the National Equine Database. Please note - if a horse does not have a passport from the IHSGB or another FEIF organisation then it may not be a pure, registered Icelandic horse, and it will not be able to enter IHSGB events.

Independent examiner's report to the trustees of IHSGB LIMITED COMPANY LIMITED BY GUARANTEE ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 July 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JULY 2021**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity, this is normally upon notification of the interest paid or payable by the Bank.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery - 20% reducing balance

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
