We have only rescued three horses, re-homed one and lost one. The remaining are still in need of rehabilitation, medication and special diets. We have volunteers with disabilities in the shops and at the refuge.

We have regular visits from disabled and many other interested parties. We have an annual Open Day which is very well attended. We are very well supported by the local community volunteers, donators and customers.

Financial the year has been difficult as we spend more than we earned and have therefore need to lean into our reserves. Vet fees have risen by 60% over the last 5 years. Most items have also risen in price. Covid affected us because people started to rely on home deliveries. We are increasing our use of auctions, ebay and other social media to increase the sale of donated goods.

We hold large reserves mainly due to a legacy fund which we received 3 years ago. We hold the majority of these funds for the purpose of relocating the refuge, should the situation every arise.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/10/2024.

**Responsibilities and  
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent  
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below \*) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Only complete if the examiner needs to highlight matters of concern (see CC32, Independent examination of charity accounts: directions and guidance for examiners).

**Give here brief details of any items that the examiner wishes to disclose.**

I have previously recommended that the charity undertake monthly rather than annual reconciliations of the cash & bank account. This remained something that had not been addressed during the course of the accounting year. This will assist the treasurer in understanding if they have missing income or expenditure on a more regular basis. My concern is that the charity is susceptible to loss of income without a more robust control environment being in place.

Post year end the charity has been able to demonstrate that they are now reconciling the bank and cash on a monthly basis, by location, with cash in hand being checked at least on a monthly basis and banking taking place more regularly to reduce the risk of holding larger amounts of cash at any one time (even though this is held in the safe).

I have recommended that they take the step (probably from 1 11 2025) to commence using cloud accounting software like Xero which will enable them to increase financial reporting efficiencies and accuracy as well as the ability to report accurately into the trustees on a more regular basis and to aid the production of the year-end financial statements.

Also, the charity continues to combine cheques into one column of analysis. This adds work to the year-end process and therefore it is recommended that the finance team sub analyse the cheques into the correct respective headings.

The charity this therefore moving in the right direction and needs to keep up the increased controls that have been put in place.

Also the charity continues to combine cheques into one column of analysis. This adds work to the year-end process and therefore it is recommended that the finance team sub analyse the cheques into the correct respective headings.

I would also recommend that the charity consider using cloud software in order to keep their records which would further assist the control of the finances as well as the ability to report accurately into the trustees on a more regular basis and to aid the production of the year-end financial statements.

The above commentary still stands from the previous year. It is imperative that the charity takes the recommended course of action.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/10/2020.

**Responsibilities and  
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below \*) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or

Only complete if the examiner needs to highlight matters of concern (see CC32, Independent examination of charity accounts: directions and guidance for examiners).

**Give here brief details of any items that the examiner wishes to disclose.**

I have previously recommended that the charity undertake monthly rather than annual reconciliations of the cash & bank account. This remains something that has not been addressed. This will assist the treasurer in understanding if they have missing income or expenditure on a more regular basis. My concern is that the charity is susceptible to loss of income without a more robust control environment being in place.

Also the charity continues to combine cheques into one column of analysis. This adds work to the year-end process and therefore it is recommended that the finance team sub analyse the cheques into the correct respective headings.

I would also recommend that the charity consider using cloud software in order to keep their records which would further assist the control of the finances as well as the ability to report accurately into the trustees on a more regular basis and to aid the production of the year-end financial statements.
