THE ROY AND PIXIE BAKER CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2023

The Trustees present their annual report together with the financial statements of the Charity for the year 6 April 2022 to 5 April 2023.

Objectives and activities

• Policies and objectives

The objects of the Charity formed by the deed are to support by grant of subscription or donation any registered charitable institution or institutions whose objects include (a) the relief of patients suffering from any form of illness or disease, the promotion of research into the causes and treatment of such illness or disease and the provision of medical equipment for such patients (b) the furtherance of the general education of children and young persons by the award of scholarships exhibitions bursaries or maintenance allowances tenable at any school, university or other educational establishment approved by the Trustees to persons in England who are in need of financial assistance (c) the protection and preservation for the benefit of the public in England such features of cities, towns, villages and the countryside as are of special environmental historical or architectural interest (d) the relief of persons whether or not they are resident in England who are in conditions of need, hardship or distress as a result of local national or international disaster or by reason of their social and economic circumstances.

• Public benefit

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning future activities. There follows an explanation as to how the activities of the charity for the year are in the public benefit.

The objects of the Trust are summarised above in Policies and objectives. The Trust has carried out these objects by providing grants to registered charities for the relief of illness and promotion of medical research, the furtherance of the education of young people, the protection of historic and architecturally significant features and the relief of persons in need, all of which are in the public benefit.

• Application for grants

Applications must be in writing, providing full back up information to:

Ryecroft Glenton
32 Portland Terrace
Newcastle upon Tyne
NE2 1QP

• Organisation

The Trust is administered by Ryecroft Glenton. The Trustees consider applications for grants and agree distributions of income at Trustees' meetings.

Achievements and performance

• Key performance indicators

The Trust's key financial performance indicator is net income on unrestricted funds which the trustees consider for grant making purposes and the longer term aim of maintaining the value of the invested funds.

• Review of activities

The funds of the Trust continue to produce investment income for the beneficiaries of the Trust.

The Trust has donated amounts to charitable organisations in accordance with the Trust Deed, details of which are shown in the notes to the financial statements.

• Investment policy and performance

There is no restriction on the Charity's power to invest. The investment strategy will be set periodically by the Trustees to take account of the need for funds and the underlying value of the assets.

The Trustees continued to engage Quilter Cheviot to provide investment management services throughout the year. The investment portfolio contains a spread of investments which continue to be managed on a "medium" risk basis with a medium to long term investment horizon. The overall aim of the trustees is to achieve progressively increasing income for distribution, together with longer term capital growth.

During the period under review the portfolio reflected the general movement in the value of quoted investments and resultant yields.

Financial review

• Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

• Reserves policy

The Trustees' policy is to distribute income arising, taking one year with the next, and to transfer any undistributed surplus to reserves.

The balance on unrestricted reserves as at 5 April 2023 was £47,377 (2022: £48,914) which is in line with the Trustees' expectations for grant making in the forthcoming year.

Structure, governance and management

● Constitution

The Roy and Pixie Baker Charitable Trust is a registered charity, number 1101988, and is constituted under a Trust deed.

There have been no changes in the objectives since the last annual report.

● Methods of appointment or election of Trustees

Under the Trust Deed, the power of appointing new Trustees is vested in the continuing Trustees and at no time must the number of Trustees be less than three.

● Recruitment and training of trustees

The Trustees are or have been professional persons in public practice with relevant experience in acting in the capacity of Trustees. No further formal training is presently considered to be necessary. Recruitment and training will be considered, if appropriate, as and when any changes in trustees arise.

● Organisational management

The Trustees are legally responsible for overall management and control and meet twice a year.

● Related party relationships

Two Trustees are connected to organisations providing services to the Trust, further details of which are given in the notes to the accounts.

● Risk management

The Trustees have examined the major risks to which the Charity is exposed and systems have been put in place to mitigate those risks.

● Coronavirus

The Trustees continued to endeavour to maintain usual management and governance processes throughout the period during which the disease was fully active. Accounting and Secretarial Services are provided by Ryecroft Glenton and their offices have been subject to a comprehensive Health and Safety Assessment which has enabled services related to the Trust to continue as previously. Trustees meetings are now being held in house following a period of meetings being held remotely. Financial market movements give rise to uncertainties about asset valuations although the FTSE100/stock markets in general have recovered well.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 5 APRIL 2023

Plans for future periods

There are no further developments currently envisaged but the trustees will seek to continue to achieve the objects of the Charity by producing sufficient income from invested funds to enable them to make worthwhile donations.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees on 12 September 2023 and signed on their behalf by:

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 5 APRIL 2023

Independent Examiner's Report to the Trustees of The Roy and Pixie Baker Charitable Trust (the Charity)

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 5 April 2023.

Responsibilities and Basis of Report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

THE ROY AND PIXIE BAKER CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2023

1. General information

The Roy and Pixie Baker Charitable Trust is a Charitable Trust, charity registration number 1101988. The principal office is 32 Portland Terrace, Newcastle upon Tyne, NE2 1QP.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Roy and Pixie Baker Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Costs of generating funds are costs incurred in investment management fees.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

THE ROY AND PIXIE BAKER CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2023

2. Accounting policies (continued)

2.4 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Trust has adequate financial resources to continue in operational existence for the foreseeable future and they continue to adopt the going concern basis of accounting in preparing the financial statements.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

2.7 Debtors

Other debtors are recognised at the settlement amount.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

All investments are carried at their fair value. Investment in equities and fixed interest securities are all traded in quoted public markets. The basis of fair value for quoted investments is equivalent to the market value.

The main risk to the Trust from these financial instruments lies in the combination of uncertain investment markets and volatility in yield. The Trust manages these investment risks by retaining expert advisors and operating an investment policy that provides for a high degree of diversification of holdings within investment asset classes that are quoted on recognised stock exchanges. The Trust does not make use of derivatives and similar complex financial instruments as it takes the view that investments are held for their longer term.
