YEAR ENDED 31 MARCH 2022**

**Report of the trustees for the year ending 31 March 2022**

The trustees are pleased to present their annual directors' report together with the financial statements of the charity for the year ending 31 March 2022 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**Chair's report**

Another year has gone by and although we are still facing the challenges of the pandemic, our services providing accessible transport solutions for local people are still in demand. I feel privileged that I was involved with GoFar when it was established in 2003 as a registered charity when local people identified the gap in provision of a community transport provision within the town. Starting with one minibus it still continues to develop providing an ever increasing fleet of vehicles, services and activities in response to community need.

As with most organisations, GoFar's staff are by far the most important asset and I am sure the Trustees will join me in thanking Christine and her team for their work in the year to sustain GoFar and to continue to work through the challenges of the pandemic. Sadly, in May we said goodbye to Andy Jackson as he moved on to a new post in education. We thank him for his work for GoFar over the years raising thousands of pounds in grants and donations during his time with us and wish him well in his new role.

Grateful thanks must also go to our volunteers who continue to support us and to the trustees who give their time for free and meet regularly to discuss strategy, governance, regulations and compliance as well as the long term sustainability of the organisation.

As our local community continues to recover from the Covid-19 pandemic which has had a significant impact on all our lives, our priority will be to make sure we continue to provide a high quality community transport service to meet current and future need.

Linda Thornton  
Chair

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE  
YEAR ENDED 31 MARCH 2022**

**Report of the trustees for the year ending 31 March 2022 (continued)**

**Our purposes and activities**

The purposes of the charity are:

Provide a community transport service for such of the inhabitants of Goole and its neighbourhood who are in need of such a service because of age, sickness or disability (mental or physical), or poverty, or because of a lack of availability of adequate and safe public passenger services.

The main objectives and activities for the year were to focus upon the promotion of the said objects. The strategies employed to assist the charity to meet these objectives included the following.

- The use of Volunteers
- Provision of transport
- Assisting the elderly, sick and disabled
- Providing a safe environment
- Providing adequate public passenger services.
- Working with other Organisations

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance "public benefit": running a charity (PB2). The charity relies on grants, earned income and fundraising income to cover its operating costs. Open access to our projects, sessions and services is important and is reflected

Goole and District Community Transport Group under the umbrella name of the Goole GoFar has been established in the local community for 18 years and has developed its services and fleet of vehicles in response to community needs.

The strategies employed to achieve the charity's aims and objectives are:

- The advancement of health
- Disability
- Environment / Conservation
- Economic / Community development / Employment

Our beneficiaries are:

- Children / young people
- Elderly / old people
- People with disabilities
- Other charities or voluntary bodies

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE  
YEAR ENDED 31 MARCH 2022**

**Report of the trustees for the year ending 31 March 2022 (continued)**

The organisation is open five days a week offering a range of transport options that support the residents and young people living in Goole and the surrounding area. These include:

- **MiBus & Dial A Ride services** access to town shopping services
  - **The MediBus service** access to hospital, doctors and any medical appointment.
  - **GoFar Outings** days out to areas within the Yorkshire area
  - **Lunch Outings** to eating establishments/restaurants based locally for the elderly
  - **School contracts** - providing young people with transport to schools and after school activities.
- 
- **Community Bus Routes**
  - **Community Group Hire**

**Access to transport options**

The Goole GoFar currently has 7 minibuses and a community car. During 2021 the total passenger journeys made were 22,900 which made the weekly average passenger count of 440. We also covered 60,650 miles during 2021.

**Volunteers and staff**

We currently employ one full time and six part time members of staff, as well as having five volunteer trustees based on our management committee.

Due to the covid pandemic our Volunteer numbers decreased to 4 drivers but in January 2022 2 new volunteers joined Goole GoFar. Last year our volunteers contributed over 778 hours of their time to The Goole GoFar. As well as volunteering roles, we also offer employment and training opportunities.

All members of staff provide vital skill sets to ensure GoFar continues to move forward regardless of the obstacles we come up against.

**Public Benefit**

The Council Members have due regard to the guidance published by the Charity Commission on matters of public benefit and keep under constant review the need to satisfy the requirements of identifiable benefit to the public.

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE  
YEAR ENDED 31 MARCH 2022**

**Report of the trustees for the year ending 31 March 2022 (continued)**

**Achievements and performance**

Our services target Goole and the surrounding area which is inclusive of Howdenshire and the marshland communities. The transport is vital to these communities due to lack of public transport available and the highly ruralised nature of the area they live in. Lack of transport adversely impacts on many people in Goole and Howdenshire limiting their access to key services, reducing independence and self-confidence and contributing to social and economic deprivation.

GoFar transitioned more into a community hub where we rang our regular passengers to check their status ensuring they had everything they needed or just to have a friendly chat. GoFar's outings and Community Work only started running again in July 2021. Our members have been desperate to experience something new and different to what they have had to endure for the last 2 years. Throughout the pandemic we replaced our outings with transport to vaccination appointments for the most vulnerable.

We are always focused on improving our service provision to cater for our member's needs. Which we continue to do within the ever-changing environment we now live in.

We use our social media sites, Facebook and Twitter to update our members on the latest news and events.

**Financial review**

Against the backdrop of limited resources and ongoing insecurities over funding, the period to 31st March 2022 with the aid of sound financial management and the support of its staff and volunteers the organisation has recorded a bank balance of £37,844 on March 2022.

**Investment powers and policy**

Aside from building up a prudent amount in reserves each year most of the charity's funds are to be spent in the short term so there are few funds available for long term investment. A review of investment options is undertaken at the end of each financial year.

**Reserves policy and going concern**

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditure. The trustees consider that the recorded level of reserves as at 31st March 2022 is sufficient to sustain the charity in the medium term.

The trustees have reviewed the reserves policy and going concern basis of the charity and consider that adequate resources continue to be available to fund the activities of the charity for the foreseeable future. The trustees are of the view that the charity is a going concern.

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE  
YEAR ENDED 31 MARCH 2022**

**Report of the trustees for the year ending 31 March 2022 (continued)**

**Plans for future periods**

Goole & District Community Transport aim to build the service provision back to pre-covid levels over the next few years. With our fare income and Community group bookings dramatically reduced due to social distancing seating requirements and the suspension of some services building up our fare's income is seen as a priority.

The charity has raised grant funding to plug the gaps left by the reduced service provision and expect to rely on grant income until the services are rebuilt. National confidence in travelling on public transport is still well below average, so there is a significant challenge in building up services to a more sustainable level.

Goole & District Community Transport along with the other CT groups in East Yorkshire, are involved in delivering the action points in the new CT strategy which has been produced by East Riding of Yorkshire Council. The Council continue to work closely in partnership with its local community transport sector, providing direct financial support where possible, extending contractual opportunities, facilitating the East Riding of Yorkshire Community Transport Operators Network, and making available strategic officer support at senior level .

Goole & District Community Transport is also a founder member of East Yorkshire Community Transport (EYCT) which is a joint venture with North Holderness Community Transport (HART) in the East Riding of Yorkshire. This formal partnership was set up in 2008 for the purpose of joint working. EYCT can potentially deliver a range of significant benefits to each partner.

**Directors and trustees**

The directors of the charitable company (the charity) are its trustees for the purpose of charity law. The trustees and officers serving during the year and since the year end were as follows:

**Trustees' and Directors**

<b>Name:</b>	<b>Appointed/Resigned:</b>	<b>Position:</b>

Paul Kerrigan	Started January 2022	Volunteer Driver

**Structure, Governance and Management**

The organisation is a charitable company limited by guarantee, incorporated on 24th December 2003 and registered as a charity on 10th February 2004. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

**Appointment of trustees**

The directors of the company are also charity trustees for the purpose of charity law and under the company's Articles are known as members of the Management Committee. Under the requirements of the Memorandum and Articles of Association the members of the Management Committee are elected to serve for a period of one year after which they must be re-elected at the next Annual General Meeting.

The following directors retire and offer themselves for re-election.

Linda Thornton  
Richard Berry  
Mr Frank Bryars  
Mr Brian Robertson  
Jackie Smith

The management committee seeks to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body. Therefore as part of the recruitment of trustees the group promotes the need to acknowledge their experience to assist the charity.

In order to promote a broad mix, members of the Management Committee are requested to provide a list of their skills (and update it each year if re-elected) and in the event of particular skills being lost due to retirements, individuals are approached to offer themselves for election to the Management Committee.

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE  
YEAR ENDED 31 MARCH 2022**

**Report of the trustees for the year ending 31 March 2022 (continued)**

**Trustee induction and training**

New trustees undergo an orientation day to brief them on: their legal obligations under charity and company law, the Charity Commission guidance on public benefit, and inform them of the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity. During the induction day they meet key employees and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

**Organisation**

The board of trustees, which must have a minimum of five and can have up to nine members, administers the charity. The board normally meets quarterly. A Manager is appointed by the trustees to manage the day to day operations of the charity. To facilitate effective operations, the Centre Manager has delegated authority, within terms of delegation approved by the trustees, for operational matters including finance, employment and the sessions and support provided.

**Related parties and co-operation with other organisations**

None of our trustees receive remuneration or other benefit from their work with the charity. Any connection between a trustee, manager or staff member must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

**Pay policy for senior staff**

The directors consider the board of directors, who are the Trust's trustees, and the senior management team comprise the key management personnel of the charity in charge of directing and controlling, running and operating the organisation on a day to day basis. All directors give of their time freely and no director received remuneration in the year. Details of directors' expenses and related party transactions are disclosed in note 8 to the accounts.

**Risk management**

The trustees have a risk management strategy which comprises:

- an annual review of the principal risks and uncertainties that the charity face;
- the establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major financial risk for the charity. A key element in the management of financial risk is a regular review of available liquid funds to settle bills as they fall due, regular liaison with the bank, and active management of trade debtors and creditor balances to ensure effective cash flow for the charity.

Attention has also been focussed on non-financial risks arising from fire, health and safety of staff, volunteers, and residents and young people accessing the centre. These risks are managed by ensuring accreditation is up to date, having robust policies and procedures in place, and regular awareness training for staff working in these operational areas.

The risks associated with Covid-19 have been incorporated into the health and safety policy, it requires that all reasonable and practical steps are taken to minimise these risks, recognising that Goole Gofar cannot completely eliminate the risk of Covid-19.

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE**

**YEAR ENDED 31 MARCH 2022**

**Trustees' responsibilities in relation to the financial statements**

The charity trustees (who are also the directors of Goole & District Community Transport Group for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**Statement as to disclose to our independent examiners**

In so far as the trustees are aware at the time of approving our trustees' annual report:

- there is no relevant information, being information needed by the independent examiner in connection with preparing their report, of which the charities independent examiner is unaware, and
- the trustees, having made enquiries of fellow directors and the charities independent examiner that they ought to have individually taken, have each taken all steps that he/she is obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the independent examiner is aware of that information.

By order of the board of trustees

Linda Thornton (Chair)

7/7/22

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE**

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF GOOLE AND DISTRICT COMMUNITY TRANSPORT  
GROUP**

**YEAR ENDED 31 MARCH 2022**

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 March 2022, which are set out on pages 12 to 24.

**RESPONSIBILITIES AND BASIS OF REPORT**

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**INDEPENDENT EXAMINERS REPORT**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those accounting records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ended 31 March 2022 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Council members' responsibilities:

- The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The Council Members acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements were approved by the members of the committee and authorised for issue on the 7 July 22 and are signed on their behalf by:

Signature.....  ..... Chair  
Linda Thornton

Signature.....  ..... Secretary  
Christine Dales

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2022**

## **1 General Information**

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 51 Carlisle Street, Goole DN14 5DS.

## **2 Statement of Compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Charities Act 2011 and the Companies Act 2006.

## **3 Accounting Policies**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

### **a) Basis of preparation**

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in sterling, which is the functional currency of the entity.

The charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

### **b) Preparation of the accounts on a going concern basis**

The trustees are of the view that having secured funding for a further twelve months and that there is sufficient free reserves to accommodate a period whereby other funding can be secured to cover existing staff, projects and services that on this basis the assessment of the trustees is that the charity is a going concern.

The slow recovery in the current economy and funding cut backs within our local authority has meant that there has been an increased demand on both locally sourced, government sources and grant funding available to the charity. As such many of the projects, sessions and services are provided to residents and young people free of charge or by way of a small donation to cover general overheads. However, the trustees remain in regular contact with grant funders, sponsoring local authorities and the local community in order to secure their on-going financial support.

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2022**

### **3 Accounting Policies (Continued)**

#### **e) Income recognition policies**

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Items of income are recognised and included in the accounts when all of the following criteria are met:

- the charity has entitlement to the funds;
- any performance conditions attached to the item(s) of income have been met or are fully within the control of the charity;
- there is sufficient certainty the receipt of the income is considered probable; and
- The amount can be measured reliably.
- income from grants is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

#### **f) Donated goods, services or facilities**

Donated goods, services or facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. On receipt, donated goods, services or facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

#### **g) Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the

#### **h) Fund accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the organisations work or for specific projects undertaken by the charity.

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2022**

### **3 Accounting Policies (Continued)**

#### **i) Expenditure and irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity heading:

- Expenditure on charitable activities include all relative costs to further the purposes of the charity and their associated costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

#### **j) Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the organisations projects and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities.

#### **k) Operating leases**

The charity classifies the lease of the building as operating leases. Rental charges are charged on a straight line basis over the term of the lease.

#### **l) Tangible fixed assets**

Tangible fixed assets are capitalised, if they can be used for more than one year and cost at least £1,000. A full asset register is maintained by the charity. Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Leasehold property improvements	-	5 years straight line
General Equipment	-	5 years straight line

#### **m) Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

#### **n) Cash in bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity or three months or less from the date of acquisition or opening of the deposit or similar account.

**GOOLE AND DISTRICT COMMUNITY TRANSPORT GROUP  
COMPANY LIMITED BY GUARANTEE  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2022**

**3 Accounting Policies (Continued)**

**o) Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from the past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligations can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**p) Financial instruments**

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

**q) Pensions**

Employees of the charity are entitled to join a defined contribution 'money purchase' scheme. The charity contribution is restricted to the contributions disclosed in note 8. There were no outstanding contributions at the year end. The costs of the defined contribution scheme are included with the associated staff cost and allocated therefore to raising funds, charitable activities, support and governance cost and charged to the unrestricted funds of the charity.

Pension costs charged in the Statement of Financial Activities represent the contributions payable by the company in the year.
