## **TRUSTEES REPORT**

### **YEAR ENDED 31st MARCH 2023**

---

The Trustees present their report and financial statements for the year ended 31 March 2023.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Companies Act 2006, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (published in October 2019).

#### **Directors and Trustees**

The directors of the charitable company, throughout this report referred to as the Company, are its trustees for the purposes of charity law and throughout this report are collectively referred to as the Trustees.

The Company is limited by guarantee and does not have any share capital. The directors therefore have no interest in the company save for the extent of their guarantee.

#### **Structure, governance and management**

Governing document:

Bury Lake Young Mariners (BLYM) was originally formed in 1982 and became a registered charity, with charity number 286611. Subsequently, the Trustees set up Bury Lake Young Mariners Limited, which was later approved by the Charity Commission as a charity, with charity number 1102162, and with effect from 1st April 2004 began trading under the new Company designation. The Trustees transferred the assets of the former charity to the new Limited Company with effect from the same date. Subsequently permission was granted to drop the word Limited from the company name.

The charity is based on the Bury Lake, The Aquadrome, Frogmore Lane, Rickmansworth, Hertfordshire. The registered office address is The Old School House, Bridge Road, Hunton Bridge, Kings Langley, Herts. WD4 8SZ.

Trustees, who are also directors of the Company, are appointed at the Annual General Meeting, or by the existing Trustees during the year. All stand down at the end of the year but may offer themselves for re-election.

Trustee and director induction and training:

New Trustees are given a copy of the Trust documents, which are also available from the Chairman and the Company's website. Where new Trustees are appointed who may be unfamiliar with the duties of a Trustee, they are directed to the guidance published by the Charity Commission and the National Council for Voluntary Organisations.

The company has no paid staff and the Chairman acts in the position of the Chief Executive.

## **TRUSTEES REPORT**

**YEAR ENDED 31st MARCH 2023**

---

### **Risk management**

The Trustees have continued to review the effectiveness of the governance, organisation and management of the charity and its activities. Mr G Ivory and Mr B Constable (RYA Principal) are appointed to be responsible for health and safety, and Mr J Constable, Ms P J Parks and Ms K A MacManus for safeguarding of young people and vulnerable adults.

### **Objectives and activities**

BLYM is committed to the development of young people through the medium of sailing and other water-based sports. This is achieved through:

1. The provision of sailing equipment and facilities for use by people of all ages;
2. The organisation of sailing activities;
3. The provision of facilities for disabled and disadvantaged people; and
4. The development of skills and qualifications for youth and adult leaders to support the above.

BLYM has a fleet of 100 sailing dinghies and 10 safety boats and there is an agreed policy of progressive replacement of the fleet to maintain an attractive offering to all ages and ability levels. This includes beginners trying sailing for the first time, as well as intermediate and advanced level sailors, across the age spectrum. Some go on to compete successfully at regional, national and international level.

### **Achievements and performance**

During the year, we had 153 (2021/22; 152) personal and family members, and 15 (2021/22; 15) affiliated group members and 19 (2021/22; 26) local youth groups and schools also regularly using the club. In addition, many take out a 3-month membership as part of a package associated with a training course. Many new members are attracted to become members having taken one of BLYM's Royal Yachting Association (RYA) courses, which also help to improve sailing skills and the quality of recreational sailing experience.

Affiliated groups comprise schools, Scout and Guide groups, Sea Cadets, Police Cadets, and other youth organisations. BLYM has been particularly successful in working with young people living in disadvantaged areas where there tends to be less opportunity available to young people. BLYM hosts an independent group Colne Valley Special Sailors (CVSS) who provide boats and activities for profoundly disabled people.

The take up of RYA courses was very good during the year, with 435 (2021/22; 474) people taking a course, most of whom were able to achieve RYA certification. Many courses were full to capacity.

Plans to rebuild the charity's final phase of development is now under way. The trustee board extensively reviewed the project for affordability and operational viability and is actively looking to seek further funds to complete this final phase (Building 3). We have been in dialogue with the Council to keep them up to date with progress. The designated funds already to hand for this project now stand at £300,000.

### **Committee structure and management**

In addition to the Board of Directors, one committee 'BLT' meet regularly to provide effective management of the charity. The BLYM Leadership Team as it is known represents every aspect of operational and administrative activity.

We are grateful to everyone who has taken a significant role at BLYM during the year, particularly key individual appointments and those involved with the various teams that ensure the effective operation of the charity. We are equally grateful to a small army of volunteer instructors, bosuns, administrators and supporters who have also given freely of their time to enable BLYM to deliver its programme. Special mention needs to be made to a group of young volunteer instructors still in full time education who have assisted BLYM in their weekends and holidays. Their commitment is exemplary, and the charity could not run without them. The experience they gain in return equips them well for later life giving a win-win outcome.

## **TRUSTEES REPORT**

**YEAR ENDED 31st MARCH 2023**

---

### **Public Benefit statement**

Guidance from the Charity Commission has been used to develop BLYM's aims and objectives so that activities are clearly focused to derive good public benefit.

BLYM welcomes all young, disabled and disadvantaged people regardless of their personal background, ethnicity, faith and gender. The Trustees believe that this policy of equality and openness to all enriches everyone through the sharing of skills, experience and knowledge both to those who use the facilities and to those volunteers who deliver the activities. Those of limited financial means are supported by reduced charges for activities.

### **Financial review**

Net incoming resources for the year amounted to £81,911 (2021/22: £93,283). Reserves, including designated and restricted funds stand at £1,424,541 (2021/22: £1,342,630). More detailed information on the financial position and results for the year is contained within the Financial Statements and Notes.

Investment powers and policy:

The Trustees invest surplus funds in low-risk deposit accounts with their bankers. Loans and borrowings:

Reserves policy

The Trustees believe that it is prudent to retain approximately £20,000 in reserve for any unforeseen costs and liabilities. Funds are allocated each year for planned capital purchases and improvements. There is a designated reserve fund in which cash is being accumulated for the major rebuilding programme for the charity's premises.

In the year, we have spent £61,115 (2021/22: £52,995) on capital equipment to maintain, extend and enhance the equipment available to the charity's beneficiaries.

### **Independent examiner**

Gowers Limited were reappointed for the year ended 31st March 2023 and a resolution proposing that they be reappointed as independent examiners and accountants of the company will be put to the members at the Annual General Meeting.

### **Directors' and Trustees' Responsibilities**

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

## TRUSTEES REPORT

### YEAR ENDED 31st MARCH 2023

---

In preparing these financial statements the directors are required to:

- Select suitable accounting policies and apply them consistently.
- Make judgements and accounting estimates that are reasonable and prudent.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.
- Observe the methods and principles in the Charities SORP.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

These financial statements have been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006 and with the Financial Standards for Smaller Entities (effective April 2008).

#### Plans for Future Periods

The Trustees believe that the current strategy of the Charity is sound, and this will be continued.

During this current year, we have started a consultation with preparation to start construction of the new club house, which is the final development of the charity. The final facility will provide fully accessible, spacious, environmentally sensitive, and cost-effective facilities, enabling BLYM to become a community hub for the benefit of all as well as our affiliated groups.

BLYM continues to see active participation from local youth groups but also the pricing of the RYA Training Centre / General Sailors activity offered to our youth provide an experience that may not be possible elsewhere or nearby.

On this inspiring note, we complete another successful year, and we thank you all for your continued support.

## INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BURY LAKE YOUNG MARINERS

I report to the Trustees on my examination of the financial statements of Bury Lake Young Mariners (the charity) for the year ended 31 March 2023.

### Responsibilities and basis of report

As the Trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## NOTES ON THE FINANCIAL STATEMENTS

YEAR ENDED 31st MARCH 2023

---

### 1 Accounting policies

#### Charity information

Bury Lake Young Mariners is a private company limited by guarantee incorporated in England and Wales. The registered office is The Old School House, Bridge Road, Hunton Bridge, Kings Langley, Herts. WD4 8SZ.

#### 1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

#### 1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Designated funds comprise funds which have been set aside at the discretion of the Trustees for specific purposes. The purposes and uses of the designated funds are set out in the notes to the financial statements.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

#### 1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102). Further detail is given in the Trustees' Annual Report.

Income from grants is recognised when there is evidence of entitlement to the income, receipt is probable and its amount can be measured reliably.

Membership subscriptions are recognised on a straight line basis over the period to which they relate.

# BURY LAKE YOUNG MARINERS

## NOTES ON THE FINANCIAL STATEMENTS

YEAR ENDED 31st MARCH 2023

---

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Interest income is recognised when receivable.

Other income includes miscellaneous income and gains on disposals of tangible fixed assets.

### 1.5 Resources expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

Cost of raising funds includes expenses related to running events, on site shops and sailing courses.

Expenditure on charitable activities includes depreciation, support and governance costs which are incurred in running the charity.

Support costs are those that assist the work of the charity and include office costs, governance costs and administrative costs. They are incurred directly in support of expenditure on the objects of the charity and allocated to expenditure on charitable activities on a basis consistent with use of the resources.

### 1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold land & buildings	Straight line over remaining life of lease Assets
under the course of construction	Not depreciated
Fixtures, fittings, boats & other equipment	15% (fixtures & fittings) / 20% (boats) straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

### 1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

### 1.8 Stocks

Stock is valued at the lower of cost and net realisable value.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

# BURY LAKE YOUNG MARINERS

## NOTES ON THE FINANCIAL STATEMENTS

YEAR ENDED 31st MARCH 2023

---

### 1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand and deposits held at call with banks with original maturities of three months or less.

### 1.10 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

#### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price. Financial assets classified as receivable within one year are not amortised.

#### **Basic financial liabilities**

Basic financial liabilities, including creditors are initially recognised at transaction price. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less.

#### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

### 1.11 Leases

Rentals payable under operating leases, including any lease incentives received, are charged as an expense on a straight line basis over the term of the relevant lease.

### 1.12 Taxation

As a not-for-profit organisation and registered charity, BLYM is generally exempt from corporation tax. The charity is not registered for VAT. Irrecoverable VAT attributed to capital items or operating expenditure is added to the cost of the capital items or expenses.

### 1.13 Concessionary loans

The charity applies the provisions of FRS102 relating to Public Benefit entities. Concessionary loans are initially measured at the amount received and are recognised in the balance sheet. In subsequent years, the carrying value of concessionary loans are adjusted to reflect any accrued interest payable, if applicable.

## 2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

# BURY LAKE YOUNG MARINERS

## NOTES ON THE FINANCIAL STATEMENTS

### YEAR ENDED 31st MARCH 2023

---

#### Tangible fixed assets

Tangible fixed assets are depreciated over their useful lives, taking into account their residual values. The useful lives and residual values may vary depending on a number of factors including maintenance policies in place.

#### Concessionary loans

Concessionary loans are initially measured at the amount received and are recognised in the balance sheet. In subsequent years, the carrying value of concessionary loans are adjusted to reflect any accrued interest payable, if applicable.

#### Accruals

The charity makes an estimate of accruals at the year end based on invoices received after the year end and work undertaken which has not been invoiced based on quotations or estimates of amounts that may be due for payment.

The Covenant fund was established in 2018/19 to provide welfare activities for officers and families of those who served at Northwood Military Headquarters. The transfers in the year to 31 March 2022 represented an adjustment to the estimated amount of resources expended in the prior year.

The Building Project fund was established in 2018/19 and is to be utilised for the next phase of the charity's building project.

The RYA fund is established from funds donated by the Royal Yacht Association in respect of the training of instructors.

	193,701	2,804	-	(10,000)	186,505

The Building fund has been earmarked for the next phase of the building project.

The Asset Replenishment fund is held to be used for major refurbishments of boilers and other plant in the future.

The Contingency Reserve fund was previously held to cover potential overruns during our building refurbishments. Now that the refurbishments are complete, the Trustees have agreed to maintain this reserve in order to provide financial stability and help sustain operations in the event of unforeseen expenses or income shortfalls. So while no longer required for the original refurbishment contingency purpose, this reserve remains in place as a general financial safeguard for the charity..

The Pico Fleet Replacement fund was money set aside for the replacement of the Laser Pico fleet over 3 years.

The Site Improvement fund was set aside for the completion of the Wet Zone for wetsuits, buoyancy aids and an equipment wash facility

The Instructor development fund has been established to support the ongoing training of sailing instructors.
