Report of the Trustees

St Michael's Pre-school is a registered charity: No. 1102358

Principal Activity:

St Michael's Pre-School is a thriving and successful Early Years Foundation Stage setting in which children from 2 years until school age can develop and learn through play in a secure and safe environment.

Achievements:

St Michael's Pre-school has a 'Good' grade from Ofsted following an inspection in July 2022.

Financial Review:

Pre-school significantly increased income by £78000 for the academic year 2024-2025. This was largely due to the significant investment in the Pre-school building, subsequently reflected in the high premises maintenance costs. The Pre-school repaired and made improvements to the existing Pre-school structure, as well as building an adjoining room. This allowed Pre-school to increase the number of children from April 2025, increasing funding income, thanks also to the new early years funding entitlements and rates. Preschool were fortunate to receive a grant from Hertfordshire towards the cost of the expansion, but building costs and the cost of resources and furniture/fittings for the room meant significantly higher expenditure for the year. Preschool also invested in the staffing team and have celebrated the Level 2 qualifications of 2 apprentices, as well as supporting further training and development for all to meet new statutory framework requirements. This, and the increased National Living Wage introduced in April 2025, is reflected in the increase in staff salaries.

Future Plans:

Projected attendance for the coming academic year is excellent, with a full intake in both rooms from September 2025, as well as a waiting list. Our management team have worked hard over the last year to greatly improve the pre-school and whilst they continuously strive to improve the setting, now that the majority of the repairs and extension work are complete, will try to reduce spend this year where possible. The committee recognises the need to maintain a healthy level of income and hope to build a cash reserve once more by taking advantage of fundraising opportunities and controlling expenditure.

**Independent Examiners Report to the Trustees of
St Michael's Woolmer Green Pre-School
On the Financial Statements for the Year Ended 31st August 2025**

I report on the accounts of the charity for the year ended 31st August 2025, which are set out on the following pages.

Respective responsibilities of Trustees and Examiner

As the charity's trustees you are responsible for the preparation of the accounts: you consider that the audit requirement of section 144(2) of the Charities Act 2011 (the 2011 Act) does not apply.

It is my responsibility to:

- Examine the accounts under Section 145 of the 2011 Act
- To follow the procedures laid down in the General Directions of the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- To state whether particular matters have come to our attention.

Basis of Independent examiner's report

My examination was carried out in accordance with the General Directions give by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) Which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 130 of the 2011 Act; and to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met: or
- (2) To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Principal Activity:

St Michael's Pre-School is a thriving and successful Early Years Foundation Stage setting in which children from 2 years until school age can develop and learn through play in a secure and safe environment.

Achievements:

St Michael's Pre-school has a 'Good' grade from Ofsted following an inspection in July 2022.

Financial Review:

Pre-school made a healthy year-end surplus of £15,458, primarily attributed to a full intake of children, an increase in fees and funding, and a well managed budget, despite higher costs. The pre-school was fortunate to be in a strong position as of August 2023 and this year invested heavily in the setting, making improvements to the building and nature area as well as purchasing a variety of new resources and fully stocking our supplies. We have invested in our staffing team, having recruited 2 further apprentices in the last 6 months, as well as promoting and increasing wages for the existing employees. The staff and committee want to ensure that the children have the best learning environment possible and continuously strive to improve the pre-school. Fundraising has been steady with successful events at Christmas and Easter. The Pre-school continues to retain a healthy cash surplus in its deposit account.

Future Plans:

Projected attendance for the coming academic year is excellent, with a full intake expected by January 2025, as well as a waiting list. We anticipate the extension of the government's free childcare scheme to continue to boost hours/sessions attended. We have chosen not to increase our fees this September 2024, but plan to extend our opening hours, as well as introducing an increased charge rate for adhoc attendance. Our management team have worked hard over the last year to greatly improve the pre-school, purchasing new resources, supplies and storing appropriately, so that these can be rotated year after year, without need to keep replacing/repurchasing items.. The pre-school has also invested significantly in the outdoor area, where we now have a hobbit house, as well as a sensory path, climbing ropes, sand pit and many other improved areas. We look forward to seeing the children playing and enjoying the area over years to come. We anticipate the need to invest further in the building this year. The existing building needs repairs, and we also plan to extend to help us accommodate further children. We hope to fundraise for this, as well as applying for relevant grants. The committee recognises the need to maintain a healthy level of income and will continue to control expenditure

Chair	Ellena Lloyd
Secretary	Danni Muharremi
Treasurer	Zoe Nicholls

Principal Activity:

St Michael's Pre-School is a thriving and successful Early Years Foundation Stage setting in which children from 2 years until school age can develop and learn through play in a secure and safe environment.

Achievements:

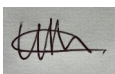

St Michael's Pre-school has a 'Good' grade from Ofsted following an inspection in July 2022.

Financial Review:

The total income of the Pre-school for the year ending 31st August 2023 increased by £30898 compared to the previous year and total expenditure decreased by £4430. The Pre-school made an outstanding year-end profit of £30806, primarily attributed to a full intake of children, an increase in fees, additional opening hours and a tightly controlled budget in the face of rising costs. The pre-school was fortunate to be in a healthy position as of August 2022, despite successive years of disruption due to Covid. This year we have made further investments in the setting, installing air conditioning, which is a much-welcomed addition for the children and staff. The staff and committee want to ensure that the children have the best learning environment possible and continuously strive to improve the pre-school. The pre-school invested in new software (Tapestry) at the end of the year, to streamline observation/record taking, allowing staff to spend more time in the classroom. The Pre-school continues to retain a healthy cash surplus in its deposit account.

Future Plans:

Projected attendance for the coming academic year is excellent, with a full intake expected by January 2024. We anticipate the extension of the government's free childcare scheme in April 2024. Funding rates do not differ greatly from the hourly charge, so we hope that this won't cause too much of an impact on income, but we do expect to see a slight deficit. We plan to extend our opening hours further to counter this. Our new management team have worked hard over the summer to revamp the pre-school, deep cleaning and purchasing/creating new resources/equipment for the classroom and office. The pre-school has also invested significantly in the nature garden, installing a new lawn area and irrigation system. We look forward to seeing the children playing and enjoying the area over years to come. Due to staff retention issues over the last couple of years, and necessary committee support within the pre-school, fundraising has been limited this academic year. With a newly recruited and experienced team starting this September 2023, the committee hope to resume traditional fundraising events and increase fundraising income further, as well as applying for more grants where eligible. The committee recognises the need to maintain a healthy level of income and will continue to control expenditure but look forward to making further investments in staff pay and training, the pre-school setting and resources.

ST MICHAEL'S PRE-SCHOOL

England & Wales - Charity number 1102358

Accounts

St Michael's Woolmer Green Pre-School

**Statement of Financial Activities
For the Period ended 31st August 2022**

Report of the Trustees

St Michael's Pre-school is a registered charity: No. 1102358

Currently located next to:-

St Michael's Woolmer Green School
London Road
Woolmer Green
Hertfordshire
SG3 6JP

Trustees:

Chair	Ellena Lloyd
Secretary	Danni Muharremi
Treasurer	Zoe Nicholls

Principal Activity:

St Michael's Pre-School is a thriving and successful Early Years Foundation Stage setting in which children from 2 years until school age can develop and learn through play in a secure and safe environment.

Achievements:

St Michael's Pre-school has a 'Good' grade from Ofsted following an inspection in July 2022.

Financial Review:

The total income of the Pre-school for the year ending 31st August 2022 increased by £5909 compared to the previous year and total expenditure increased by £11471. The Pre-school made a year-end loss of £4519, primarily attributed to the cost of refurbishment, with work on the pre-school building completed in September 2021. A grant from Herts County Council, as well as closely controlled expenditure, has helped to reduce the deficit attributed to the building works. A full intake of children and an increase in fee's has also significantly contributed to the pre-school income, as well as more regular fundraising activities (post Covid-19).

The pre-school was fortunate to still be in a healthy position as of August 2021, despite the limitations and restrictions felt during the Covid-19 pandemic and has continued to make significant investments to ensure that all children have a pleasant and enjoyable learning experience. As well as the building itself and the nature area, the pre-school has invested in staff training, most notably for the new Pre-school Leader's level 5 qualification. They have also purchased new resources to further improve the setting and benefit the children.

The Pre-school continues to retain a healthy cash surplus in its deposit account.

Future Plans:

Projected attendance for the coming academic year is excellent, with a full intake expected.

Fundraising is almost back to usual levels, and the committee hope to increase fundraising income further over the course of the next year, as well as applying for grants where eligible.

The staff and committee want to ensure that the children have the best learning environment possible and strive to improve the pre-school. The pre-school was recently awarded 'Good' in their Ofsted inspection in July 2022 and the committee and management aim to make

investments to improve on this rating at their next inspection.

The committee recognises the need to increase current levels of income where possible and to continue to control expenditure in this academic year.

**Independent Examiners Report to the Trustees of
St Michael's Woolmer Green Pre-School
on the Financial Statements for the Year Ended 31st August 2022**

I report on the accounts of the charity for the year ended 31st August 2022, which are set out on the following pages.

Respective responsibilities of trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts; you consider that the audit requirement of section 144(2) of the Charities Act 2011 (the 2011 Act) does not apply.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions of the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to our attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

St Michael's Woolmer Green Pre-School
Report of the Trustees
St Michael's Pre-school is a registered charity: No. 1102358

Currently located next to:-
St Michael's Woolmer Green School
London Road
Woolmer Green
Hertfordshire
SG3 6JP

Trustees:

Chair Rebecca Peck
Vice Chair Ellena Lloyd
Secretary Karla Gardner
Treasurer Zoe Nicholls

Principal Activity:

St Michael's Pre-School is a thriving and successful Early Years Foundation Stage setting in which children from 2 years until school age can develop and learn through play in a secure and safe environment.

Achievements:

St Michael's Pre-school has an 'Outstanding' grade from Ofsted following an inspection in June 2016.

Financial Review:

The total income of the Pre-school for the year ending 31st August 2021 decreased by £3,893 compared to the previous year and total expenditure increased by £6,767. The Pre-school made a year-end loss of £1,041, primarily attributed to a decrease in fundraising activities due to Covid-19 and an increase in expenditure in various areas.

The pre-school was fortunate to be in a healthy position as of August 2020 and the committee have made significant investments over the course of the following year to ensure that all children have a pleasant and enjoyable learning experience. The pre-school has invested in staff training, as well as awarding pay increases to all staff. They have also purchased new resources to further improve the setting and benefit the children.

In July, the pre-school began the process of converting the charity to a CIO; to help ensure the charities future. The pre-school has decided to use an Early Years Consultancy to assist with the process.

The Pre-school continues to retain a healthy cash surplus in its deposit account.

Future Plans:

Projected attendance for the coming academic year shows numbers at healthy levels.

Fundraising continues to be somewhat impacted by covid-19, so this needs to be monitored closely to minimise any deficit by the end of the financial year.

The staff and committee want to ensure that the children have the best learning environment possible, and for this reason they have invested in a refurbishment of the existing pre-school building. The existing building had several issues, and during August 2021 work commenced to repair/replace the structure.

Due to this large expenditure, the committee recognise the need to increase current levels of income where possible and to tightly control expenditure in this academic year.

**Independent Examiners Report to the Trustees of
St Michael's Woolmer Green Pre-School
on the Financial Statements for the Year Ended 31st August 2021**

We report on the accounts of the charity for the year ended 31st August 2021, which are set out on the following pages.

Respective responsibilities of trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts; you consider that the audit requirement of section 144(2) of the Charities Act 2011 (the 2011 Act) does not apply.

It is our responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions of the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to our attention.

Basis of independent examiner's report

Our examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently we do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

- (1) which gives us reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
- (2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
