REPORT OF THE TRUSTEES OF UCKFIELD AND DISTRICT PRESERVATION SOCIETY LIMITED

The Directors/Trustees of the charity present their report and financial statements for the year ended 31st December 2024

Aims and objectives

The aim of the Society is promote and encourage, public interest in and care for the beauty, history and character of Uckfield and the surrounding district.

Method of operation

The Society has five main activities that go towards achieving its aim. It owns Nutley Windmill, runs Bridge Cottage Heritage Centre, promotes local history, monitors planning issues and has a subsidiary charity shop to generate revenue.

The organisation is managed by the Executive Committee, who are the Directors/Trustees of the charity. There are sub-committees as required, including other members of the Society, for each of the activities carried out by the organisation. The sub-committees include at least one director/trustee and report regularly to the Executive Committee. The Executive Committee is elected by the members in accordance with the constitution of the charity.

Activities

Nutley Windmill is an early open trestle postmill on Ashdown Forest, which has been restored and maintained by the Society. The importance of this windmill is recognised by its 2* listed status. Nutley Windmill is open to the public regularly and has many group visits.

Bridge Cottage Heritage Centre is a mediaeval “Wealden” hall house in the centre of Uckfield, dated by dendrochronology to 1436. Bridge Cottage Heritage Centre is owned by Uckfield Town Council and leased to the Society.

Bridge Cottage Heritage Centre was restored and initially supported by substantial grants from the Heritage Lottery Fund and Uckfield Town Council. It is now being run as a community building with a wide range of activities taking place including talks, educational visits, concerts, exhibitions, room lettings and sales. The Society employs one part time person working with the dedicated volunteers to expand these activities.

The use of Bridge Cottage Heritage Centre has enabled the local history archives of the Society to be brought together in one place to be safely stored and accessible. Work is ongoing to catalogue and create a digital archive of relevant local material. Exhibitions and publications using this material are now a regular feature of activities at the Heritage Centre.

The Society monitors local planning applications and other planning matters and makes comments where these impact on matters within the remit of the Society if necessary.

The Society runs a Charity shop through our trading company UDPS Heritage Ltd. The trading company has two paid employees at the shop supported by volunteers. In late 2023 the shop moved to new better premises near Bridge Cottage Heritage Centre. This move involved considerable work by the staff and volunteers as well as additional costs but it has resulted in much better results.

UCKFIELD AND DISTRICT
PRESERVATION SOCIETY LIMITED**

Review and future developments

Regular repairs and maintenance of Nutley Windmill continued and there were open days from Easter to October.

Bridge Cottage Heritage Centre was used for various functions including craft markets, local history talks, exhibitions, concerts and private hire. The Society is gradually expanding the use to generate additional income.

The charity shop generates useful income to support the activities of the Society and is another point of contact with the local community providing information about the Society. The increased income from the new shop has enabled us to invest in our new website <https://www.uckfieldheritage.co.uk/> covering all aspects of the Society.

We are very grateful to the public, members of the Society and particularly the wonderful staff and volunteers who have continued to support the Society. We look forward to our renewed efforts to promote and encourage, public interest in and care for the beauty, history and character of Uckfield and the surrounding district.

The Executive Committee of the charity continue to review the major risks involved in these activities, particularly relating to the ownership of Nutley Windmill and the development of Bridge Cottage Heritage Centre, including taking expert advice when appropriate.

Public Benefit

The Trustees have had regard to the Charity Commission guidance on public benefit and works to ensure that all activities are accessible to all members of the community and follow the aims of the Society for the benefit of the public.

Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). - (4) the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Review and future developments

The shutdowns and uncertainty of the Covid outbreak continue to impact the Society but the previous Covid support funding from the Government, through Wealden District Council and the staff furlough scheme, which has helped support the charity while activities are being rebuilt.

Regular repairs and maintenance of Nutley Windmill continued and there were open days from Easter to October. Unfortunately towards the end of 2022 one set of the stocks holding the sails broke and so both sets needed to be replaced. This was a major project which started in 2022 and was successfully completed in 2023 supported by a crowd funding campaign which raised over £10,000, considerable volunteer time and donations of services by local companies.

Bridge Cottage Heritage Centre was used for various functions including craft markets, local history talks, exhibitions, concerts and private hire. The Society is gradually expanding the use to generate additional income.

The charity shop generates useful income to support the activities of the Society and is another point of contact with the local community providing information about the Society.

We are very grateful to the public, members of the Society and particularly the wonderful staff and volunteers who have continued to support the Society. We look forward to our renewed efforts to promote and encourage, public interest in and care for the beauty, history and character of Uckfield and the surrounding district.

The Executive Committee of the charity continue to review the major risks involved in these activities, particularly relating to the ownership of Nutley Windmill and the development of Bridge Cottage Heritage Centre, including taking expert advice when appropriate.

Public Benefit

The Trustees have had regard to the Charity Commission guidance on public benefit and works to ensure that all activities are accessible to all members of the community and follow the aims of the Society for the benefit of the public.

TO THE TRUSTEES OF
UCKFIELD AND DISTRICT
PRESERVATION SOCIETY LIMITED**

I report on the financial statements of the charity for the year ended 31 December 2023, which are set out on pages 5 to 11.

Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011 (the '2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's report

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- (1) accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- (2) the financial statements do not accord with those accounting records; or
- (3) the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

REPORT OF THE TRUSTEES OF UCKFIELD AND DISTRICT PRESERVATION SOCIETY LIMITED

The Directors/Trustees of the charity present their report and financial statements for the year ended 31st December 2021.

Aims and objectives

The aim of the Society is promote and encourage, public interest in and care for the beauty, history and character of Uckfield and the surrounding district.

Method of operation

The Society has five main activities that go towards achieving its aim. It owns Nutley Windmill, runs Bridge Cottage Heritage Centre, promotes local history, monitors planning issues and has a subsidiary charity shop to improve our society's revenue.

The organisation is managed by the Executive Committee, who are the Directors/Trustees of the charity. There are sub-committees as required, including other members of the Society, for each of the five main activities carried out by the organisation. The sub-committees include at least one director/trustee and report regularly to the Executive Committee. The Committee is elected by the members in accordance with the constitution of the charity.

Activities

Nutley Windmill is an early open trestle postmill on Ashdown Forest, which has been restored and maintained by the Society. The importance of this windmill is recognised by its 2* listed status. Nutley Windmill is open to the public regularly and has many group visits.

Bridge Cottage Heritage Centre is a mediaeval "Wealden" hall house in the centre of Uckfield, dated by dendrochronology to 1436. Bridge Cottage Heritage Centre is owned by Uckfield Town Council and leased to the Society.

Bridge Cottage Heritage Centre was restored and initially supported by substantial grants from the Heritage Lottery Fund and Uckfield Town Council. It is now being run as a community building with a wide range of activities taking place including talks, educational visits, concerts, exhibitions, room lettings and sales. The building is licensed for weddings. The Society employs two part time staff working with the dedicated volunteers to expand these activities. A website for the project is at <http://www.bridgecottageuckfield.co.uk/> showing details of the renovation and activities.

The use of Bridge Cottage Heritage Centre has enabled the local history archives of the Society to be brought together in one place to be safely stored and accessible. Work is ongoing to catalogue and create a digital archive of relevant local material. Exhibitions and publications using this material are now a regular feature of activities at the Heritage Centre. This bringing together of activities has been recognised in the financial statements by the merging of the local history and Bridge Cottage designated funds.

The Society monitors local planning applications and other planning matters and makes comments where these impact on matters within the remit of the Society. It has successfully worked with the local planning authority to extend the designated conservation area in the town.

The Society runs a Charity shop through our trading company UDPS Heritage Ltd. The trading company has two paid employees at the shop.

UCKFIELD AND DISTRICT
PRESERVATION SOCIETY LIMITED**

Review and future developments

The shutdowns and uncertainty of the Covid outbreak continued from 2020 which prevented most of the usual activities of the Society for most of the year. However the Society was fortunate to be able to secure Covid support funding from the Government, through Wealden District Council and the staff furlough scheme, which has enabled charity to survive

Regular repairs and maintenance of Nutley Windmill continued but no public open days were possible.

Bridge Cottage Heritage Centre was unable to operate as usual, even when some restrictions were lifted, due to the limited space in the building.

The charity shop generates useful income to support the activities of the Society and is another point of contact with the local community providing information about the Society particularly when the other properties are not open.

The Society is returning to normal activities as soon as they are practical. We are very grateful to the public, members of the Society and particularly the wonderful staff and volunteers who have continued to support the Society throughout this difficult period. We look forward to our renewed efforts to promote and encourage, public interest in and care for the beauty, history and character of Uckfield and the surrounding district.

The Executive Committee of the charity continue to review the major risks involved in these activities, particularly relating to the ownership of Nutley Windmill and the development of Bridge Cottage Heritage Centre, including taking expert advice when appropriate.

Public Benefit

The Trustees have had regard to the Charity Commission guidance on public benefit and works to ensure that all activities are accessible to all members of the community and follow the aims of the Society for the benefit of the public.

On behalf of the directors/trustees

**REPORT OF THE TRUSTEES OF
UCKFIELD AND DISTRICT
PRESERVATION SOCIETY LIMITED**

The Directors/Trustees of the charity present their report and financial statements for the year ended 31st December 2020.

Aims and objectives

The aim of the Society is to promote and encourage, public interest in and care for the beauty, history and character of Uckfield and the surrounding district.

Method of operation

The Society has five main activities that go towards achieving its aim. It owns Nutley Windmill, runs Bridge Cottage Heritage Centre, has a local history group, monitors planning issues and has a subsidiary charity shop to improve our society's revenue.

The organisation is managed by the Executive Committee, who are the Directors/Trustees of the charity. There are sub-committees as required, including other members of the Society, for each of the five main activities carried out by the organisation. The sub-committees include at least one director/trustee and report regularly to the Executive Committee. The Committee is elected by the members in accordance with the constitution of the charity.

Activities

Nutley Windmill is an early open trestle postmill on Ashdown Forest, which has been restored and maintained by the Society. The importance of this windmill is recognised by its 2* listed status. Nutley Windmill is open to the public regularly and has many group visits.

Bridge Cottage Heritage Centre is a mediaeval "Wealden" hall house in the centre of Uckfield, dated by dendrochronology to 1436. Bridge Cottage Heritage Centre is owned by Uckfield Town Council and leased to the Society.

Bridge Cottage Heritage Centre was restored and initially supported by substantial grants from the Heritage Lottery Fund and Uckfield Town Council. It is now being run as a community building with a wide range of activities taking place including talks, educational visits, concerts, exhibitions, room lettings and sales. The building is licensed for weddings. The Society employs two part time staff working with the dedicated volunteers to expand these activities. A website for the project is at <http://www.bridgecottageuckfield.co.uk/> showing details of the renovation and activities.

The use of Bridge Cottage Heritage Centre has enabled the local history archives of the Society to be brought together in one place to be safely stored and accessible. Work is ongoing to catalogue and create a digital archive of relevant local material. Exhibitions and publications using this material are now a regular feature of activities at the Heritage Centre. This bringing together of activities has been recognised in the financial statements by the merging of the local history and Bridge Cottage designated funds.

The Society monitors local planning applications and other planning matters and makes comments where these impact on matters within the remit of the Society. It has successfully worked with the local planning authority to extend the designated conservation area in the town.

The Society runs a Charity shop through our trading company UDPS Heritage Ltd. The trading company has two paid employees at the shop.

Review and future developments

2020 started well with a successful exhibition in Bridge Cottage Heritage Centre celebrating the history of “Uckfield south of the river”. However national events soon intervened with unprecedented shutdowns and uncertainty of the Covid outbreak.

These circumstances prevented all of the usual activities of the Society for most of the year. However the Society was fortunate to be able to secure Covid support funding from the Government, through Wealden District Council which has enabled the charity to survive

Regular repairs and maintenance of Nutley Windmill continued but no public open days were possible.

Bridge Cottage Heritage Centre was unable to operate as usual, even when some restrictions were lifted, due to the limited space in the building. We were able to use the building as a reception point and sorting centre for our charity shop donations for a period. This extra space enabled the charity shop to open on a limited basis when restrictions allowed.

The charity shop generates useful income to support the activities of the Society and is another point of contact with the local community providing information about the Society when the other properties are not open.

The restrictions and uncertainty have continued into 2021 but the Society is returning to normal activities as soon as they are practical. We are very grateful to the public, members of the Society and particularly the wonderful staff and volunteers who have continued to support the Society throughout this difficult period. We look forward to our renewed efforts to promote and encourage, public interest in and care for the beauty, history and character of Uckfield and the surrounding district.

The Executive Committee of the charity continue to review the major risks involved in these activities, particularly relating to the ownership of Nutley Windmill and the development of Bridge Cottage Heritage Centre, including taking expert advice when appropriate.

Public Benefit

The Trustees have had regard to the Charity Commission guidance on public benefit and works to ensure that all activities are accessible to all members of the community and follow the aims of the Society for the benefit of the public.

On behalf of the directors/trustees

Company Secretary
