RICHMOND MENCAP LIMITED

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

The Trustees, who are also Directors of the company, submit the annual report and financial statements for the year to 31 March 2022. The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019). The trustees confirm that due regard has been paid to the Charity Commission's public benefit guidance in the decision making processes of the charity.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Richmond Mencap is a registered charity (No. 1102587) and a company limited by guarantee (No. 5002389) governed by its Memorandum and Articles of Association. Membership of the charity is open to any individual who supports its aims and objectives.

It is governed by the Trustees who are recruited from the membership and from members of the public who support the aims and objectives of the charity, with a view to ensuring an appropriate mix of skills and experience. Trustees receive no emoluments from the charity. They are responsible for the good governance of the charity, setting strategy and policies, ensuring effectiveness and accountability, maintaining prudent financial management to deliver the charity's aims and objectives and meeting the requirements of public benefit guidance. The Executive Committee meets six times a year and holds an annual "Awayday" with staff and volunteers to develop and monitor the work of the charity.

A Local Fundraising Sub-Committee, comprising trustees and other volunteers, leads a range of fundraising activities including an annual Dinner and Auction, stalls at a number of Summer Fairs across the borough, and other initiatives. The charity also has a "Working Together Group" of members with learning disabilities who inform the work of the Executive Committee, staff and volunteers - the Group elects its own Chair who can attend Committee meetings and meet with trustees and staff as and when required. Day-to-day running of the charity is carried out by employed staff who report to the Trustees.

The Trustees regularly review the charity's activities and performance and monitor risks. The major risks to which the charity is exposed have been identified and controls and policies implemented to mitigate those risks.

The Trustees have also approved a Reserves Policy aimed at building up free reserves to a level sufficient to ensure adequate working capital to meet operational needs and any exceptional demands resulting from unforeseen circumstances as recommended by the Charity Commission. The major part of the current reserves is in the form of the holiday home in Eastbourne.

OBJECTIVES

The main objectives are described below and are provided for people with learning disabilities, their families and carers in the London Borough of Richmond upon Thames and are undertaken to further our charitable purposes for the public benefit:

- to provide welfare, educational, leisure, holiday and respite services and support;
- to inform, represent, promote and advance their rights, needs, interests and well-being;
- to support them in securing services and support, commensurate with individual and family needs and to enable them to maximise their potential;
- to monitor the adequacy and suitability of services purchased or provided by the statutory authorities or their approved agents;
- to participate in, and contribute to, the development of services through the planning and consultation process.

ACHIEVEMENTS AND PERFORMANCE

2021-22 did not bring as much stability as we had hoped as winter was so uncertain. However, we managed to deliver many of our services, both online and face to face. We focused heavily on fun and social activities as many of our members were still cautious and vulnerable. It was only once Omicron was shown to be less severe than previous Covid strains that we were able to start planning for the future with more certainty.

Our **Partnership Working** has altered over the year as we have worked in partnership with other charities and supported the Local Authority and NHS during times of great stress and multi-agency collaboration. We continued to support the CCG with the vaccination rollout of booster jabs to adults with learning disabilities and have worked closely with social workers to ensure people are safe and well. We were able to restart our training for healthcare professionals and raising awareness to support NHS professionals to reduce health inequalities for people with learning disabilities. Some of this was done virtually.

Our self-advocacy group the **Working Together Group** have continued to be very busy this year, albeit via telephone, online or outside in socially distanced meetings. They have worked with the local authority, CCG and local healthcare providers on consultations and feedback and co-chairing the Local Learning Disability Partnership. They speak out on behalf of people with learning disabilities to share experiences, fight for equal rights and raise awareness of unjust inequalities.

We secured the funding for a **Digital Inclusion Project** which started in March 2022 and will tackle the digital inequality many of our members face and hopefully help them to get interested in learning how to use technology, keep connected, learn new skills and keep up with wider society. We do not want them to get left behind as the world becomes more and more digitally focused.

Our **Children and Young People's Projects** have run face to face but we have had to do onsite activities outside rather than our usual minibus trips. We have continued to deliver a series of **online activities** for adults including weekly discos, meditation, music sessions, drama sessions and taekwondo. We have provided **weekly video or telephone befriending** to our members without access to technology, which has proved invaluable over the last fourteen months and many, but not all, of our activities were able to return to face to face in some format.

Providing people with learning disabilities, social communication conditions, ADHD and other additional needs, carers and professional's good information is also a key part of what we do and between our **Newsletters, monthly Activities Calendar**, the Richmond Mencap website and the services and opportunities we offer – we continue to reach over 1,000 people across the borough who care about learning disabilities. This year we have been able to go back to hard copies, whilst still producing online formats too.

REPORT OF THE TRUSTEES (continued)

FINANCIAL RESULTS

Total income for the year was £157,379 and total expenditure was £171,744 thus producing a deficit of £14,365. Both income and expenditure were again lower than budget due to the Coronavirus pandemic.

Income from Restricted funds was £149,964 while expenditure on charitable activities amounted to £171,744 resulting in a deficit on Restricted funds of £21,780. This deficit was set against the surplus on Unrestricted funds of £7,415 leaving a net deficit of funds for the year of £14,365. Added to the Unrestricted funds brought forward plus the surplus on the revaluation of the Eastbourne holiday home this resulted in Unrestricted funds carried forward of £94,912.

This surplus means that there is more than adequate free liquid reserves as it is generally accepted that a prudent level should be at least three months operating expenses. The Trustees will continue to monitor the level of free reserves and review its Reserves and Working Capital Policy. Further fund raising activities will continue to be undertaken and further grant applications will be made.

Local fund-raising activities contributed over £7,415 towards the costs of the charity's activities. The principal sources of income were donations. The Coronavirus pandemic severely curtailed any other fund raising activities.

PLANS FOR 2022-23

Unfortunately, the Coronavirus pandemic and national lockdown instigated by government on 24 March 2020 severely curtailed the delivery of normal services early during 2020. Some staff were furloughed and some worked from home, keeping in contact with the charity's users and their families and offering practical help and support for the duration. It still is the intention of Richmond Mencap to:

- offer an effective service to people with learning disabilities and their family carers, providing advice, information and support as appropriate;
- provide a range of activities, respite care and other practical services that are responsive to changing needs, delivered by both staff and volunteers;
- strengthen our representational role as the voice of people with learning disabilities;
- increase the involvement of people with learning disabilities and their carers in our work and further develop our partnership working;
- review our services for children and young people in preparation for the new Achieving for Children commissioning arrangements;
- refine and develop our quality assurance and performance processes.

TRUSTEES' RESPONSIBILITIES

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity at the end of the year. In preparing these financial statements, the Trustees are required to select suitable accounting policies and then apply them on a consistent basis, making judgements and estimates that are prudent and reasonable. The Trustees must also prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006 as applied to smaller companies. The Trustees are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STAFF AND VOLUNTEERS

As ever, the work of the charity could not be carried out without the dedication, commitment and enthusiasm of the employed staff supported by a large group of willing volunteers. On behalf of the members, users and family carers, the Trustees would like to acknowledge their valued and essential contribution to the continued success of the charity in providing a wide range of support and activities for children and adults with learning disabilities.

SMALL COMPANY EXEMPTIONS

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF RICHMOND MENCAP LIMITED

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st March 2022

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached
