**STRUCTURE, GOVERNANCE AND MANAGEMENT**

The Charity, Redeemed Christian Church of God, His Royal Majesty House ("RCCG HRMH") is controlled by its governing documents, a deed of trust and constitutes an unincorporated Charity. Decisions are determined by a simple majority vote by the trustees, the trustees set the strategic direction of the charity and authority has been delegated to the Pastoral Board and Administrative team for the day to day running of the operations of the Charity. New Trustees are selected on the basis of the contribution that they will make to the governance of the organisation and the skills that they will contribute. They are provided with copies of the Charity Commission's guidance to trustees and are given an introduction to the activities of the Charity by the existing board. Existing trustees are provided with training as and when required.

RCCG HRMH is a parish of the Redeemed Christian Church of God - a network comprised of churches all over the world. There is an agreement of common purpose entered into by RCCG HRMH with the Redeemed Christian Church of God which documents this relationship. A summary of transactions with those parties are set out in note 14 to the financial statements.

The trustees have assessed the major risks to which the Charity is exposed, in particular those relating to the specific operational areas of the charity and its finances. The trustees believe that by monitoring reserve levels, ensuring controls exist over key financial systems and by examining the operational and business risks faced by the charity, they have established effective systems to mitigate those risks.

## **Report of the Trustees**

### **For the year ended 31 December 2024**

## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

- a) The advancement of the Christian faith worldwide, in accordance with the doctrine set out in the statement of faith;
- b) To use the excess funds of the charity towards the relief of poverty amongst children, homeless, communities and nations.

### **Significant activities**

The principal activities of the church are:

Christian worship, outreach programmes to increase Christian awareness and to spread the gospel of our Lord Jesus Christ and the development of the whole man, spiritually, mentally and physically.

We have one full time staff; one part time staff and numerous number of volunteers who assist in helping us achieve our objectives.

### **Financial Review**

The trustees consider that the charity needs to hold reserves (i.e. unrestricted funds and not represented by fixed assets) equivalent to four months' operating expenditure to ensure the ongoing delivery of its charitable objects, during unforeseen downturn in income. As of 31 December 2024, the lack of adequate free reserves is attributable to the fact the definition of free reserves excludes fixed assets which is fully paid up. For the purpose of short and medium term financial management, the trustees are more concerned with the management of working capital, the current working capital cover is well below their policy of holding free resources sufficient to fund four months of ongoing unrestricted expenditure which would have covered the eventuality of a material decline in incoming resources.

The charity's principal funding source continues to be individuals who attend services and make contributions in the form of freewill offerings, tithes and special donations.

The charity's result for the year ended 31 December 2024 was a net expenditure of £13,904 (2023: £20,064 net income). The total donation received represents a 27% decrease from the previous year, and with close monitoring of resources expended, the charity reported a net expenditure of £13,904 for the year. The trustees' involvement in checking all expenses, and validating and justifying the amount, type and necessity for any expense, has ensured that donations are prudently managed. Total annual income was £97,025 (2023: £134,469).

### **Activities and Achievements**

In compliance with the Charity Commission's public benefit directive, the charity continued to support other charities in areas in line with its objectives including:

- 1. Welfare support - financial and emotional - for families in need both in the church and community;
- 2. Provision of pastoral care for the members and the community;
- 3. Partnering with other Christian agencies and other churches to advance the preaching of the Gospel;
- 4. Provision of special events and meetings to meet the needs of target groups in the church and local youth/teenagers.

## **Report of the Trustees For the year ended 31 December 2024**

### **Activities and Achievements (cont'd)**

We continued to provide informal counselling services to members of the church and the community irrespective of their race, culture or religious background, albeit predominantly online during the year. The church also acts to sign post members of the community to get professional help where the church is unable to assist through counselling.

The Charity continues to pursue the development of strong families within the community and surrounding areas, and organised annual Women's programme, with invitations extended to women of all ages from the church and the community, addressing issues ranging from parenting, relationship (marital and others), health & mental wellbeing, as well as career development.

We continued our support and encouragement of the youth in the church and the community predominantly online, a trend that has enhanced attendance as such has been retained and would continue for the foreseeable future. The forum encourages them to develop themselves personally, morally, socially and most importantly spiritually. During the year, we were unable to organise any outing due to the pandemic. The church leadership continues to be supportive of the youth and young adults forum, providing a safe environment where they can be confident and free to express their creativity in a God glorifying way.

We continue to support African Missions, an aid and poverty relief agency supporting the underprivileged and children in Africa. We actively and strongly support the World Evangelical Mission which aims to further the Christian faith by alleviating poverty among missionaries globally.

### **Future Development**

The charity is committed to its vision to better serve the needs of the community, and to create better facilities for all our members and the community at large; however as a listed building, the premises suffer from extreme dampness, which is quite expensive to treat and due to continued lack of adequate funding to pay for the refurbishment, we hope to raise building funds from amongst the members for the refurbishment needed. In addition, the trustees are considering applying for funding from organisations that specifically support listed buildings, we are yet to secure interest in the project, especially concerning the roof replacement.

We will continue in our effort to be relevant in the community by investing time, energy and resources in activities and programmes that will prevent and reduce youth crime, teenage pregnancies, depression, homelessness and such social economic vices that are detrimental to the health of our community, which if successful will ultimately strengthen the family unit.

The charity plans to grow its membership and to continue to develop its members to make transformational changes in their lives, family and the community at large through teaching, coaching and spiritual empowerment.

For the year ended 31 December 2024**

**STATEMENT OF TRUSTEES RESPONSIBILITIES**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

The law applicable to charities in England and Wales, the Charities Act 1993, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the charities SORP; and
- Make judgments and estimates that are reasonable and prudent; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

As the charity's income and expenditure falls below the small charities threshold the trustees considers that the audit requirement of Section 43 (2) of the Charities Act 1993 (the Act) do not apply. The trustees will not be proposing the appointment of an auditor for the ensuing year.

This report was approved by the trustees on 30 October, 2025 and signed on its behalf by:

Chairman Board of Trustees

## **Independent Examiner's Report**

### **To the members and trustees of the Redeemed Christian Church of God, HRMH**

We report on the accounts of the church/charity for the year ended 31 December 2024, set out on pages 6 to 11 which have been prepared under the historical cost convention and in accordance with the accounting policies set out on pages 8.

### **Respective responsibilities of the trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2012 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

### **Basis of Independent examiner's report**

Our examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

### **Independent examiner's statement**

In connection with our examination, no matter has come to our attention:

- to keep accounting records in accordance with Section 130 of the Charities Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

2. to which, in our opinion attention should have been drawn in order to enable a proper understanding of the accounts to be reached.
