Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 August 2021.

Objectives and activities

This year has again seen us make some small changes to the nursery, including replacement of our outside fencing and renovation of our toilet areas.

A lot of our planned changes for this year were again not carried out due to COVID-19 restrictions, much like FY 2019/20.

Savings were not rebuilt as planned, mainly due to increases in the cost of living, employment, and resources without an increase in the funding made available to us by the local authority. This still continues to be one of our priorities going forward.

There have been no changes to trustees during this financial year.

We are still aiming to rebuild our savings that we used over the past couple of years to carry out essential repairs and refurbishments. Unfortunately, the ever-increasing cost of living, services, and resources continues to hinder this, along with COVID-19 restrictions affecting our ability to plan required works.

The condition of the nursery building, its fixed wiring/plumbing installation, and general overall health has been raised as a concern by the committee to Downview Primary School Trust (owner of the nursery building).

Repairs, maintenance, and general issues are becoming more and more common now, and there is noticeable shifting in the foundation of the building. Although still safe for use, a full building inspection has been carried out by a contractor employed by the school. As of the date of this statement, no report has yet been supplied. Once the report has been received, a future action plan will be drawn up.

Next Year

The significant cost of living increasing from April 2022 will no doubt change the way we spend to help negate increases to staff wages and food costs.

We are anticipating an increase to our hourly fee, going from £4.50ph to £5.00ph at some point in the 2021/22 school year.

A lot of our forward projections are now temporarily on hold whilst we await the building inspection report (as above).

Trustees' Report

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 August 2020.

Objectives and activities

This year has again seen us make some small changes to the nursery, including finalising our nature trail area. This is an enclosed secure area adjacent to the nursery specifically for our use.

A lot of our planned changes for this year were not carried out due to COVID-19 restrictions.

Savings were not rebuilt as planned this year, mainly due to increases in the cost of living, employment and resources without an increase in the funding made available to us by the local authority. This still continues to be one of our priorities going forward.

Next Year

We are still aiming to rebuild our savings that we used over the past couple of years to carry out essential repairs and refurbishments. Unfortunately, the ever-increasing cost of living, services, and resources continues to hinder this, along with COVID-19 restrictions affecting our ability to plan required works.

We will continue to look into the option and viability of using the nursery as a holiday club in the school holidays and half terms. Currently there is only one local business in the area that provides such care for early years children, so demand and usage is highly likely. Only children aged 3-4 could be accepted due to our Ofsted registration.

Planned repairs/maintenance/adjustments are as follows:

- Renewal of carpets and hard floors throughout the nursery.
- Renewal of both toilets and washing areas.
- Extension of the outside canopy area to increase the capacity of our all-weather play area.
- Renewal of some fixtures such as emergency lighting.
- Repair of external doors due to weathering.
- Possibility of replacing our access control system due to weather damage.
