**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2024**

---

The Trustees present their annual report together with the financial statements of the 345 Preschools Limited for the period of 1 September 2023 to 31 August 2024. The annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report Regulations 2013) has been omitted.

**Objectives and activities**

**a. Policies and objectives**

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

**b. Strategies for achieving objectives**

The objectives are to enhance the development and education of children primarily under statutory school age. This is achieved by encouraging parents to understand and provide for the needs of their children through community groups, in a safe and enriching group play and education for children from the age of 2 1/2 until the end of the academic year before they start school education.

**c. Activities undertaken to achieve objectives**

345 Preschools is well established and has been operating for over 50 years. We now run sessions at two sites, Springfield and Pages Lane. Both settings offer morning and afternoon sessions Monday to Friday and 5 full days. There are approximately 50 children on the roll across both settings. The maximum number of children across both settings at any one time is 24.

**d. Volunteers**

The charity continues to benefit from very significant volunteer input, delivering services in a way which makes us proud and is of great benefit to each individual child. Volunteering has always been at the heart of 345 Preschools and our volunteers are not always aware of the great value of their work and support it provides. We benefit from unpaid overtime and volunteering at fundraising events by our paid staff in addition to parents who volunteer on a regular basis. 345 Preschools is a community Preschool that has an important part to play with the N10 region of North London.

**Achievements and performance**

**a. Main achievements of the company**

The main achievement is the provision of safe and satisfying group play and education facilities for preschool children. We are delighted that 345 Pages Lane achieved "Outstanding" status in our recent Ofsted inspection, in recognition of the high standards at 345 Preschools.

**Financial review**

**a. Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

**b. Reserves policy**

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which the Trustees think appropriate after considering the future commitments of the charity and the likely administrative costs of the charity for the next 12 months. As at 31 August 2024 the charity had free reserves of £185,703 and £189,998 in a separate designated fund created in 2021 to be able to fund the preschool in the event of a winding up.

**c. Review of year**

The Committee is pleased to report that 345 Preschools have had a successful year. Both settings performed well with occupancy at 89%, which is positive compared to recent years that were characterised by the Covid-19 pandemic. Fundraising events such as the Summer and Winter fairs and other initiatives went well thanks to the commitment and involvement of staff and volunteers who managed to raise £2,341 and £1,465 net of expenses at both sites, and to maintain the community spirit that is at the heart of 345 Preschool's ethos. Despite the context of the cost of living crisis, the incredible work by the staff and committee ensured we navigated the year well. We were delighted that 345 Springfield maintained their Outstanding status since their last inspection 2015, in recognition of the high standards at 345 Preschools and delighted that 345 Pages Lane achieved their Outstanding status in April 2024. Although the cost of living crisis is set to continue, we anticipate another successful year ahead for both settings.

**Structure, governance and management**

**a. Constitution**

345 Preschools Limited is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association.

**b. Methods of appointment or election of Trustees**

The management of the company is the responsibility of the Trustees who are also company Directors and who are elected and co-opted under the terms of the Articles of Association. There are two classes of Members: Family Member – open to parents or guardians of children who attend the preschool. Affiliate Member - open to individuals interested in promoting the objects of the charity. All voting members shall be eligible to stand for election to the Committee. The Manager of each setting is a permanent member of the Trustee Board. However, paid employees of the preschool cannot be Committee members or vote at Committee meetings. Not less than 60% of the Committee need to be Family Members

**Structure, governance and management (continued)**

**c. Organisational structure and decision-making policies**

A stated in Article 4 2 of the Articles of Association, the Committee shall consist of a Chair, Treasurer and a Secretary and should have not less than two nor more than nine elected Members. The Committee members shall be elected for a term of one year and are eligible for re-election unless they have already served on the Committee in any capacity for six consecutive years by virtue of Article 4 4 of the Articles of Association.

**d. Financial risk management**

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

**e. Future developments**

Understanding the importance of the outdoors and the benefit it has on the children, both settings are looking to refresh their outdoor spaces. This is in an effort to allow the children to connect more with nature enhancing their physical health and emotional well-being.

**Statement of Trustees' responsibilities**

The Trustees (who are also the Directors of the company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2024**

---

**Independent examiner's report to the Trustees of 345 Preschools Limited ('the company')**

I report to the charity Trustees on my examination of the accounts of the company for the year ended 31 August 2024.

**Responsibilities and basis of report**

As the Trustees of the company (and its Directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiner's statement**

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the ACCA, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's Trustees as a body, for my work or for this report.

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.
