**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2022**

The Trustees present their annual report together with the financial statements of the Charity for the year 1 April 2021 to 31 March 2022. The annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the Charity qualifies as small under section 382 of the Companies Act 2006, the strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The Citizens Advice service aims to:

- Provide the advice people need for the problems they face
- Improve the policies and practices that affect people's lives
- Campaign locally and nationally to influence government and organisations to bring about positive change in policies and laws
- Ensure that we respond to the needs of our community

The service provides free, independent, confidential and impartial advice to everyone on their rights and responsibilities. It values diversity, promotes equality and challenges discrimination.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

b. Our vision

Shepway Citizens Advice is an independent local charity. Our organisation is a mix of paid staff and volunteers, with volunteers being the key to the delivery of our core/generalist service and paid staff delivering supervisory and specialist services. We work to help prevent the problems of inequality of society and ensure that people are able to secure their rights by:

- Providing advice, information and guidance to everyone in Folkestone and Hythe and the surrounding areas in Kent on their rights and responsibilities
- Improving the policies and practices that affect people's lives.

c. Our objectives

To be proactive in:

- Making advice easily accessible
- Providing information, advice and advocacy that is targeted to the needs of the community
- Exercising a responsible influence over local and national policies.

To ensure the service is:

- Meeting the needs of the population of Folkestone & Hythe District
- Independent
- Free of charge
- Confidential
- Impartial
- Easily accessible

Objectives and activities (continued)

d. Social investments

We provide general and specialist advice in the following areas: welfare benefits, debt, housing, employment and immigration. Additionally, we also provide court desk and litigation services for housing.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit and in particular to its supplementary public benefit guidance.

e. Our aims

We aim to:

- Focus on the needs of the client and the community
- Develop individuals through volunteering and training

In order to assist in preventing:

- Poverty
- Homelessness
- Discrimination
- Unfair treatment

f. Volunteers

The Charity receives help and support in the form of voluntary assistance in advising the public and administering the Charity. Excluding Trustees, who are also Volunteers, 15 volunteers have contributed work valued at an estimated £100,000 to the service during previous years. In this current year volunteer work has again decreased due to the impact of the pandemic which has affected ways of working and has meant a decrease in the availability of volunteers to deliver services. The Charity is therefore prioritising the recruitment and training of further volunteers in order to return to the level of volunteer work previous to the pandemic.

Achievements and performance

a. Charitable activities

Citizens Advice Shepway dealt with a total of 2,500 clients in 2021/22 helping them to resolve 4,000 issues (2020/21: 2,500 clients and 4,500 issues). 53% of these problems were in relation to debt and welfare benefits, including Universal Credit, with a further 19% of problems relating to housing and employment problems. These problems not only impact on the socio-economic wellbeing of individuals but also on the community – so enabling residents to deal with them not only supports individuals, but also supports the financial and social wellbeing of communities. This has been particularly important due to the pandemic and cost of living increases.

b. Investment performance

The Charity does not currently hold any material investments.

c. Internal and external factors

The Charity is only too well aware of the financial pressures experienced by its major funders, and in view of this, has taken active measures to seek additional sources of funding for its services.

Additional resources have been deployed since the balance sheet date to recover outstanding work in progress on the LAA contract, which is deemed a priority in the year ahead.

FOR THE YEAR ENDED 31 MARCH 2022

Financial review

a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

b. Reserves policy

Shepway Citizens Advice is required to ensure that free monies are available in each financial year to meet any reasonably foreseeable contingency. The Charity will maintain a projection of income for at least one year ahead, in accordance with the terms of two of our main sponsors, and will ensure that funding continues to be derived from as wide a variety of sources possible.

In the event of the cessation of one or more funding streams, Shepway Citizens Advice will take the action necessary to ensure the viability of the organisation, and to maintain the provision of a good quality advice service.

Funding for future pay awards has also to be met from reserves as our two main sources of funding, the Folkestone & Hythe District Council grant and the Legal Aid Agency civil contract, are not index linked. In reviewing the potential costs that could arise should a significant reduction in income be incurred, the Trustees have determined that 'free' reserves should be maintained equal to at least 3 months of normal operating expenditure. The reasons for holding particular reserves are outlined in notes 22 and 23.

c. Deficit

No funds were in deficit at the balance sheet date.

d. Material investments policy

As required in its Articles, paragraph 3.19, in furtherance of its objectives, and for no other purposes, the Charity has the power to invest any monies not immediately required for its purposes in or upon such investments, securities or property as may be thought fit, subject nevertheless to such conditions and such consents as may for the time being be imposed or required by law.

FOR THE YEAR ENDED 31 MARCH 2022

e. Financial position

Incoming resources in the year were £261,600 (2021: £256,383), an increase on the previous year of £5,217. Major funders were: Legal Aid Agency £91,118, Folkestone & Hythe District Council £72,800, Help to Claim £42,350, Community Justice £42,000 and Money Matters £12,714.

Main changes to the previous year were:

	£'000	
Legal Aid Agency	20	Increased activity post-Covid
Masdap	(15)	Grant concluded
Community Justice Fund	4	Improved grant
Help to Claim	(4)	Ashford cover previous year
Total	5	

Total expenditure incurred during the year was £252,576 (2021: £258,061), a decrease on the previous year of £5,485.

Main changes to the previous year were:

	£'000	
Payroll	(7.4)	Solicitor vacancy
Travel costs	1.0	Increased activity post-Covid
Office overheads	1.5	Increased activity post-Covid
Sundries	(2.4)	Winter allowance previous year
Fees	1.8	SQM & Recruitment
Total	(5.5)	

Overall this generated a surplus in the year of £9,024 (2021: a deficit of £1,678). At 31 March 2022, total Reserves were £188,413 of which £169,007 represents unrestricted funds and £19,406 represents restricted funds.

f. Covid19

Covid19 had a significant impact on our organisation and the services we deliver.

The main and ongoing changes coming from the pandemic are:

- Changes in the ways of working with more work being done remotely and more of our services being delivered by telephone and email.
- The cessation of drop in sessions which have been replaced by pre booked appointments for those people who need face to face advice and assistance.
- A previous reduction in Debt and Housing enquiries due to the suspension of recovery action by Landlords and Creditors where clients have rent arrears and other debts.

With the suspension now lifted increasing numbers of clients are in need of Debt and Housing advice and there has been a considerable increase in the numbers of clients seeking advice in these areas. This has also been seen in relation to our Housing Possession Court Desk service which represents clients facing possession proceedings in Thanet and Canterbury Courts.

The changes caused by the pandemic has meant a reduction in LAA income over the past 2 years. This reduction has again been mitigated by a further grant from the Community Justice Foundation provided to support the continued delivery of our specialist Housing services.

Close monitoring and careful management as well as the additional income from the Community Justice Foundation meant that we ended the year without a deficit.

FOR THE YEAR ENDED 31 MARCH 2022

Structure, governance and management

a. Governing document

The Charity is registered as a charitable company limited by guarantee and was set up by a Memorandum of Association on 4 March 2004 and is a registered charity number 1102964.

b. Methods of appointment or election of Trustees

Trustees, who are also directors of the Company, are recruited via a process which includes an interview with the Chair of the Board. They are then either elected at an AGM or co-opted by the Trustee Board. A separate process agreed by the Trustee Board is followed for election of the Chair.

c. Organisational structure and decision-making policies

Shepway Citizens Advice is governed by its Trustee Board which is responsible for setting the strategic direction of the organisation and the policy of the Charity. The Trustees carry the ultimate responsibility for the conduct of Shepway Citizens Advice and for ensuring that the Charity satisfies its legal and contractual obligations. Trustees meet as a minimum quarterly and delegate the day-to-day operation of the organisation to senior management.

The Trustee Board annually assesses and reviews its performance in order to ensure its effectiveness and achievement of its objectives.

The Trustee Board is independent from management. A register of members' interests is maintained at the registered office and is available to the public.

d. Policies adopted for the induction and training of Trustees

Newly appointed Trustees are provided with a comprehensive induction to Shepway CAB through the provision of an induction pack, visits to the organisation and access to resources provided by Citizens Advice.

e. Related party relationships

Shepway Citizens Advice is a member of Citizens Advice, the operating name of the National Association of Citizens Advice, which provides a framework for standards of advice and casework management as well as monitoring progress against these standards. Operating policies are independently determined by the Trustee Board of Shepway Citizens Advice in order to fulfil its charitable objectives and comply with the national membership requirements.

The Charity also co-operates and liaises with a number of other advisory services, local charities and social services departments on behalf of clients. Where one of the Trustees holds the position of Trustee/Director of another charity, they may be involved in discussions regarding that other charity but not in the ultimate decision-making process.

Structure, governance and management (continued)

f. Risk management

The trustees have a duty to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Shepway Citizens Advice has worked on a Corporate Risk Management exercise. A risk management strategy and risk register are agreed by the Trustee Board. The Trustees recognise that any major risks to which the charity is exposed need to be reviewed and systems put in place to mitigate those risks. To that end, Shepway Citizens Advice is continually monitoring and managing its risk, reviewing the corporate risk register and ensuring action plans are in place to mitigate its key risks. This was particularly the case over the past 2 years when additional risk register addendums and assessments were incorporated into the risk assessment process to continually review and manage the risks associated with the pandemic.

Included in external risks is that of the loss of funding. The effects of this have been minimised by the procedures in place, which have resulted in funding being secured from a variety of sources. The Charity continues to seek to diversify its funding sources. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery of all operational aspects of the charitable Company. These procedures are periodically reviewed to ensure that they still meet the needs of the Charity.

g. Data Protection – Statement of internal control

The local Citizens Advice trustee board oversee the information security of all personal information of our clients, staff, funders and strategic partners that is processed. The local Citizens Advice hold joint responsibility for client data that is held in our case management system, with the national Citizens Advice Service. An information assurance management team exists to ensure the confidentiality, integrity and availability of all personal and sensitive data is maintained to a level which is compliant with the requirements the General Data Protection Regulation and Data Protection Act 2018.

Plans for future periods

Future Developments

Future developments are largely governed by our Annual Reviews of our client and community profiles and our Community Advice Needs Analysis in order to ensure that any developments are relevant to the environment in which we work.

Working with others

We will regularly assess opportunities for working in partnership with other organisations, including pursuing joint funding.

Multi Channel

We continue to work to increase the channels through which clients can access our service and though drop in services have remained suspended, pre-booked face to face appointments have been resumed in order to ensure that those who need them can access them. We will also continue to work to:

- Increase telephone access through continuing to deliver the Citizens Advice national Advice line as well as a local telephone advice service.
- Extend our on line presence and access through our Facebook page and our website.

Outreach services

Our commitment to developing outreach services in the Marsh area continues but this has not been possible to achieve due to, so far, being unable to secure the necessary funding to support any such initiative. In the meantime, we provide advice by telephone and email to people living in these rurally isolated areas and prioritise appointments for people coming from the Marsh area.

Other services / development areas

Other service areas that we will aim to look at over the next three years will include:

Emerging needs

We will proactively monitor and assess emerging needs in order to ensure we respond and change to provide services that are relevant and focused on the needs of the people of Folkestone and Hythe and the surrounding areas.

Maintaining and increasing access to our services

We will do this by continuing to prioritise the recruitment and training of volunteers into the service.

Communications

We have worked to increase the quality and quantity of our external communications so that we can publicise legislative and policy changes in order to ensure we increase the number of people that we can reach and that we increase our profile in the community. We now have volunteers supporting this and have developed press contacts within the local media.

Members' liability

The Members of the Charity guarantee to contribute an amount not exceeding £1 to the assets of the Charity in the event of winding up.

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial period. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 MARCH 2022**

Independent examiner's report to the Trustees of Shepway Citizens Advice Bureau ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 March 2022.

Responsibilities and basis of report

As the Trustees of the Charity (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

SHEPWAY CITIZENS ADVICE BUREAU
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022**

1. General information

Shepway Citizens Advice Bureau is a private company limited by guarantee. The company registration number is 05063463 and the registered office is Units 4-6 Princes Gate, George Lane, Folkestone, Kent, England, CT20 1RH.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Shepway Citizens Advice Bureau meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the company is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the company has been notified of the executor's intention to make a distribution. Where legacies have been notified to the company, or the company is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donated services or facilities are recognised when the company has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the company of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general volunteer time is not recognised and refer to the Trustees' Report for more information about their contribution.

On receipt, donated professional services and facilities are recognised on the basis of the value of the gift to the Charity which is the amount it would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

SHEPWAY CITIZENS ADVICE BUREAU
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022**

2. Accounting policies (continued)

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities. Governance costs are those incurred in connection with administration of the company and compliance with constitutional and statutory requirements.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

Charitable activities and Governance costs are costs incurred on the company's operations, including support costs and costs relating to the governance of the company apportioned to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

2.4 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.5 Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £500 or more are capitalised.

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities incorporating the Income and Expenditure Account.

SHEPWAY CITIZENS ADVICE BUREAU
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022**

2. Accounting policies (continued)

2.6 Tangible fixed assets and depreciation (continued)

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Property improvements	- 20% straight line basis
Plant and machinery	- 33% and 20% straight line basis

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

2.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Operating leases

Rentals paid under operating leases are charged to the statement of financial activities on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the period until the date the rent is expected to be adjusted to the prevailing market rate.

2. Accounting policies (continued)

2.12 Pensions

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year.

2.13 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

2.14 Irrecoverable VAT

The Bureau recovers VAT in accordance with an agreed partial exemption method.

23. Purposes of restricted funds

Help to Claim

The grant is funding a multi-channel service to enable our clients to access support in the way that is right for them. The service will operate a no wrong door policy so that people are able to access support through the pathway developed by the Citizens Advice. The grant will help to fund employees costs and general overheads to enable this to be achieved.

Money Matters

This is a restricted project originally funded by the Folkestone Rotary Club, which handed over the project to the Folkestone Rainbow Centre to fund and administer in the latter part of 2021. The partnership agreement is for funding to be £1,073 per month to provide Money Advice Services via employment of a part time Money Adviser.

Community Justice

The Community Justice Fund is a joint initiative between a range of providers and funders to support specialist advice providers cope with the impact of Covid-19 and promote longer term sustainability. The fund recognised that specialist advice providers, including those funded by the Legal Aid Agency, needed support to be able to continue to deliver services, for example, due to the cessation of Court Duty schemes and possessions actions by landlords. The grant provided income to support salaries and running costs to mitigate issues with income generation and cashflow during the pandemic. We applied to this fund and were fortunate to be awarded a grant of £42,000 to support our specialist Legal Aid Agency funded Housing Project.

Folkestone and Hythe District Council - Covid Recovery Support grant £5,000

The grant has been made to contribute to recruiting, training and supporting volunteers to advise and assist families and individuals facing hardship and to enable a Training Supervisor to continue to deliver training to ensure volunteers are suitably trained.
