**TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020**

The Trustees and Directors of the charitable company present their annual report with the accounts of the Charity for the year ended 31 December 2020.

PRINCIPAL ACTIVITY

The principal activity of Together for Animals is to raise funds, primarily through payroll giving, to help animals in need.

MANAGEMENT AND ORGANISATION

The charitable company is run by four Trustees (who are also the Directors). New Trustees are selected by the existing Board to represent the Member Charities and to obtain an appropriate mix of skills to ensure good governance of the charitable company. Trustee training through external courses would be provided if considered necessary. The Chairman of Trustees is elected by the Board and serves for up to three years after which the person concerned shall not be eligible for election for at least one year. The Board normally meets three times each year: in March, July and November. The March meeting is also the Annual General Meeting.

The Board of Trustees is supported by a Fundraisers Forum Committee comprised of fundraisers from the member charities, which provides advice to the Trustees on fundraising and public relations strategy and activity.

PUBLIC BENEFIT

The charity works to support animal welfare charities operating in the UK and overseas. In the UK activities include caring for domestic animals, providing education to owners and the public, rehoming pets and carrying out veterinary research. Overseas the charities are active in the poorest parts of the world, providing veterinary assistance, educating and training owners of working horses and campaigning for improvements in welfare standards.

<ul style="list-style-type: none"> • Deliver a digital marketing strategy to grow individual giving and one-off donations. • Run lapsed donor and one-off giving conversion activity to slow attrition during 2020. • Work with the Together for Change team to look to steady and improve this source of income with new business models. 	<ul style="list-style-type: none"> • Increase in one off and online donations. • Website updated to benefit from easier online giving. • Due to furlough and job losses this work was postponed. • Together for Change income held up well and charity benefitted from a decrease in fees in 2020. 	<ul style="list-style-type: none"> • Introduce and integrate new CRM system into TFA processes. • Increase newsletter income to £1,500. • Raise £1,000 through cause marketing campaign. • Raise £1,000 through Solicitor Dormant Client Accounts campaign. • Run one-off giving conversion activity to increase individual giving during 2021. • Work with the Together for Change team to look to steady and improve this source of income with new business models.

**TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020**

RESULTS FOR THE YEAR

Incoming Resources

Income was down against income in 2019, by £420,262. This was mainly because £406,444 of legacy income was received in 2019, but no legacy income was received during 2020. In addition, GAYE income was down against 2019, by £21,271. This reflects the effect of the COVID-19 pandemic during 2020.

Resources Expended

Expenditure was down in 2020, by £41,043. Most of this was due to lower agency fees, again as a result of the COVID-19 pandemic and restrictions on face to face fundraising during 2020.

Net Incoming Resources

The amount of net incoming resources was £149,182, which after making allowances for the Charity's reserves requirements, enabled distributions to animal welfare charities totalling £122,000.

RISK REVIEW

During 2020 the Trustees assessed the strategic, operational, and financial risks to which the charity is exposed and are satisfied that systems are in place to mitigate the exposure to the major risks identified. An annual risk review will be carried out in future.

**TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020**

RESERVES POLICY

It is the intention of the Trustees that the freely available reserves of the charity should be maintained at a level sufficient to ensure the continuance of its activities, should there be an unexpected short-term adverse fluctuation in income. These freely available reserves are unrestricted funds not committed or invested in tangible fixed assets (ie 'free reserves'). A sufficient level of free reserves would guarantee the continuation of the charity's activity, while decisions and actions were taken to find other sources of income or reduce the level of a particular activity. The Trustees consider that an appropriate level of free reserves equates to approximately £10,000. At 31st December 2020 there was an amount of £37,945 as funds freely available for general purposes.

An amount of £8,000 has been designated by trustees to be set aside to cover any potential distributions which may fall due to the Animal Health Trust.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Law applicable to incorporated charities in England and Wales requires the Trustees (who are also directors of the company and trustees of the charity) to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the group and its financial activities for that period. In preparing those financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company and the group will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

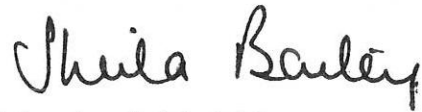

**TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020**

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the Trustees are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each Trustee has taken all the steps that he or she ought to have taken as a trustee in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

The financial statements have been prepared in accordance with the provisions of the Companies Act 2006 applicable to small companies, the Charities Statement of Recommended Practice (SORP), "Accounting and Reporting by Charities" published in March 2005 and the Memorandum and Articles of Association of the Charity.

In preparing the above report, the Trustees have taken advantage of special exemptions applicable to small companies.

Approved by the Trustees on 23/07/2021 and signed on their behalf by:

**TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
INDEPENDENT AUDITORS' REPORT**

Opinion

We have audited the financial statements of Together for Animals (the 'charitable company') for the year ended 31 December 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cashflows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2020, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standards, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
INDEPENDENT AUDITORS' REPORT (continued)**

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
INDEPENDENT AUDITORS' REPORT (continued)

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 7, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

As part of our planning process:

- We enquired of the trustees the systems and controls the charity has in place, the areas of the financial statements that are mostly susceptible to the risk of irregularities and fraud, and whether there was any known suspected or alleged fraud. The charity did not inform us of any known, suspected or alleged fraud.
- We obtained an understanding of the legal and regulatory frameworks applicable to the charity. We determined that the following were most relevant: FRS 102 section 1A and the Charities Act 2011.

TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
INDEPENDENT AUDITORS' REPORT (continued)

- We considered the incentives and opportunities that exist in the charity, including the extent of management bias, which present a potential for irregularities and fraud to be perpetuated and tailored our risk assessment accordingly.
- Using our knowledge of the charity, together with the discussions held with the charity at the planning stage, we formed a conclusion on the risk of misstatement due to irregularities including fraud and tailored our procedures according to the risk assessment.

The key procedures we undertook to detect irregularities, including fraud, during the course of the audit included:

- Identifying and testing journal entries and the overall accounting records, in particular those that were significant and unusual.
- Reviewing the financial statement disclosures and determining whether accounting policies have been appropriately applied.
- Reviewing and challenging the assumptions and judgements used by management in their significant accounting estimates, in particular in relation to depreciation methods.
- Assessing the extent of compliance, or lack of, with the relevant laws and regulations.
- Testing key revenue lines, in particular income proof in total for completeness.
- Checking that transactions have been posted to the correct funds and reviewing any restrictions in place on those funds, to make sure they were being operated correctly.
- Reviewing charity income and expenditure, to make sure that it was recorded correctly and cut-off procedures have been applied correctly.
- Obtaining third-party confirmation of material bank balances.
- Documenting and verifying all significant related party balances and transactions.
- Reviewing documentation such as the trustee's meeting minutes, for discussions of irregularities, including fraud.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. The primary responsibility for the prevention and detection of irregularities and fraud rests with the trustees.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at:
www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

**TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
INDEPENDENT AUDITORS' REPORT (continued)**

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), effective from 1st January 2019 – Charities SORP (FRS 102), and the Companies Act 2006.

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP (FRS 102) a restatement of comparative items was required.

Taxation

No Corporation Tax is provided for, as the organisation, being a charity, is exempt. Because of its current activities the charity is not registered for VAT and therefore cannot recover VAT on its expenses.

Funds accounting

General funds are unrestricted funds available for use at the discretion of the trustees in furtherance of the general activities of the charity and which have not been designated for other purposes.

Designated funds are set aside solely for Animal Health Trust.

No restricted or endowed funds are held by the charity.

Incoming resources

All incoming resources becoming available to the charity during the year are included when there is a certainty of receipt.

Legacies are included when the charity is advised by the personal representative of an estate that payment will be made or property transferred and the amount involved can be quantified.

Resources expended

Charitable Expenditure includes costs arising in furtherance of the charity's objects. Support Costs comprise expenditure incurred in support of charitable activities. Management and administration costs are those associated with the running of the charity itself.

**TOGETHER FOR ANIMALS
(A COMPANY LIMITED BY GUARANTEE)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020**

Tangible fixed assets

Tangible assets relates to investments in a fundraising database and IT equipment. It was agreed that the cost would be depreciated at a fixed rate of 33% per annum.

Related party disclosure

FRS 102 'Related Party Disclosures' requires the disclosure of the details of material transactions between the company and any related parties, as defined. Details of relevant related party transactions are included in note 8 to the financial statements.

Directors' emoluments

No trustees (who are also directors of the charitable company) received any emoluments for the period. A trustees' liability insurance policy is in place and a premium of £1,277 is included in governance costs.

Employee information

The charity has 1 employee (2019: 1).

Closing Value of Funds	<u>45,945</u>	<u>37,945</u>	<u>8,000</u>

The designated funds are there solely for Animal Health Trust. Animal Health Trust was a member charity of Together for Animals for part of this financial year and went into liquidation in July 2020. These funds are the charity's distributions due up to liquidation and the charity is waiting to hear if these funds should be paid out to Animal Health Trust.
