The objects of the charity are to advance for the public benefit, education in the United Kingdom including support of the aims and objectives of the primary and secondary phases of Folkestone Academy, the relief of unemployment, the provision of facilities in the interest of social welfare, for recreation and other leisure time occupation.

FRIENDS OF FOLKESTONE ACADEMY LTD REPORT OF THE TRUSTEES (CONTINUED)

Members' Liability

Each member of the charitable company undertakes to contribute to the assets of the charity in the event of it being wound up while he/she is a member, or within one year after he/she ceases to be a member, such amount as may be required, not exceeding £1, for the debts and liabilities contracted before he/she ceases to be a member.

Reserves Policy

The policy of the trustees is to maintain a growing level of reserves which underpins the long term grant-making strategy of the charity. At this stage, no specific monetary target has been set. The trustees are satisfied that the charity's reserves are sufficient for its current purposes. The reserves as at 31 January 2025 amounted to £4,471,000 (2024: £3,918,000) of which £1,107,000 comprises fixed asset funds.

Investment Policy

The trustees have appointed Sarasin & Partners LLP to manage the investment portfolio. Monies are invested in one of Sarasin's Charity Authorised Investment Funds which is designed specifically for charities. The investment objective is to provide long term capital and income growth through a broadly diversified global portfolio.

Grant Making Policy

The charity's grant making activity is presently focussed on supporting the primary and secondary phases of two schools comprising Folkestone Academy.

Operating and Financial Review

The net gain for the year before investment gains amounted to £176,000 (2024: net loss £70,000). The 2025 result, compared to 2024, arose as only one relatively small donation was expensed in the year. The charity received a £66,000 (2024: £48,000) donation from its trading subsidiary and continued to benefit from rental income arising from its subsidiary's occupation of the Marlowe Innovation Centre.

The investment portfolio increased by £500,000 during the year, mainly due to an increase in the market value of the charity's investments, as well as the reinvestment of income. Investment gains amounted to £375,000 (2024: gains £46,000), reflecting a 12.7% rise in unit prices in the year (2024: rise 1.6%).

The charity has a wholly owned subsidiary, FFMA (Trading) Limited t/a "The Marlowe Innovation Centre". The subsidiary operates an "Innovation Centre" from premises on a site adjacent to the Royal Harbour Academy in Ramsgate, Kent. The objective is to attract young, innovative businesses to the Marlowe Innovation Centre and to build a close working relationship between the school and tenant businesses, with the aim of assisting in the education of students and creating employment opportunities in the area. Surpluses generated are paid to the parent charity.

FRIENDS OF FOLKESTONE ACADEMY LTD REPORT OF THE TRUSTEES (CONTINUED)

Operating and Financial Review (Continued)

The Marlowe Innovation Centre (MIC) continues with offering versatile accommodation for new and growing businesses in Thanet and surrounding areas. This year the center has continued to maintain its high levels of occupancy with an average occupancy rate between 94% and 100% throughout the year. Movements of businesses from the center has been largely due to expansion and requiring larger premises, with some internal moves of this similar nature.

Virtual tenants (VT's) continue to grow with an increase of 15 since last year. This is a significant increase on the previous year, this is partly due to a local competitor going into administration as well as word of mouth referrals.

Back offices services are available and offered to all tenants, this is still a well utilised service with some tenants making regular use of this service.

Boardroom and Meeting room bookings took a slight decline this year, this is mainly due to companies finding free alternatives or not renewing training contracts. The MIC continues to promote this via social media platforms, however work of mouth referrals are often the source of any new business.

Marketing of all the facilities available is primarily done through social media platforms and word of mouth. This is at minimal cost and is most effective. Online Agents are used from time to time as well when required.

The MIC continues to benefit from the solar panels on the roof, with substantial savings being made on their energy bills. The EV charging points are used regularly, generating a steady income for the centre. The boilers that have recently been replaced are also providing cost-saving and energy saving benefits to the centre.

The Marlowe Innovation Centre continues to build on and establish relationships with local schools in the wider community and offer work experience opportunities to students from various schools, including the nearby Royal Harbour Academy. This opportunity to students is provided by both the center itself and businesses within the center.

Public Benefit

The charity's grant making activity has been focused on supporting the aims and objectives of the Folkestone Academy. The principal way in which this has been accomplished has been through payment of direct charitable grants to fund initiatives not funded by the school's mainstream government grants. The trustees have considered the impact of the public benefit requirement including the guidance issued by the Charity Commission.

FRIENDS OF FOLKESTONE ACADEMY LTD REPORT OF THE TRUSTEES (CONTINUED)

Risk Management

The trustees have examined the major strategic, business and operational risks which the charity faces and have put in place systems, policies, procedures and controls in order to manage and mitigate these risks. Where appropriate, the trustees will act only after taking appropriate professional advice. The main risk faced by the charity relates to investment risk on its portfolio. This risk is mitigated by investing all the charity's surplus funds in a reputable diversified investment fund designed exclusively for charities.

Statement of Trustees' Responsibilities

The trustees (who are also directors of Friends of Folkestone Academy Ltd for the purposes of company law) are responsible for preparing the trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities' SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

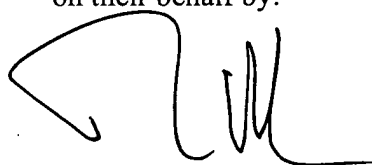

Each of the trustees confirms that:

- so far as the trustee is aware, there is no relevant information of which the charitable company's independent examiner is unaware; and
- the trustee has taken all the steps that ought to have taken as a trustee in order to be aware of any relevant information and to establish that the charitable company's independent examiner is aware of that information.

4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
