**TRUSTEES' REPORT
YEAR ENDED 31 MARCH 2021**

The Trustees are pleased to present their report and the unaudited financial statements for the year ended 31 March 2021.

The reference and administrative information set out on page 1 forms part of this report.

The Foundation has prepared its accounts to comply with its Memorandum and Articles of Association and in accordance with the 'Accounting and Reporting by Charities': Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1st January 2015), the Companies Act 2006 and the Charities Act 2011.

Structure, governance and management

Governing Document

The Foundation was incorporated on 12 February 2004 as a Charitable Company limited by guarantee with no share capital and commenced its activities on 25 February 2004. The Foundation is governed by its Memorandum and Articles of Association.

The members of the Foundation are the Board of Trustees.

Trustees

A Trustee is a member of the Board of Trustees of the Charity and a Director for the purposes of the Companies Act 2006.

The Trustees who held office during the year and/or who have retired since together with their membership of the Foundation were as follows:

Joanna Cheffins
Rev Dr Allan Doig
Andrew Halper
Michelle Lee
Rebecca Matts
Gerald Skinner

At the Annual General Meeting Michelle Lee and Gerald Skinner retire by rotation and being eligible, offer themselves for re-election.

Trustee Appointment

The power of appointing new Trustees is vested in the existing Trustees. Potential new Trustees are identified by professional recommendation and are selected and appointed following a vetting procedure undertaken by the Trustees.

TRUSTEES' REPORT
YEAR ENDED 31 MARCH 2021

Organisational structure

The Trustees must hold a meeting at least once a year and every trustee has one vote on each issue with the Chairman holding the casting vote.

The Trustees, meeting at least once a year and more frequently when necessary, are the decision-making body.

The Trustees do not receive any remuneration.

Public Benefit

The Charity Commission in its Charities and Public Benefit Guidance requires that there are two key principles to be met to show that an organisation's aims are for the public benefit. Firstly, there must be an identifiable benefit. Secondly, the benefit must be to the public or a section of the public.

The Trustees confirm that in setting the charity's objectives and in planning its activities, that they have had due regard to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives.

The Trustees are satisfied that the Foundation has met the requirements of the public benefit guidance.

Objectives and activities for the public benefit

Summary of the main activities of the Foundation in relation to its objectives

The objectives of the Foundation are to advance and promote education and research and other charitable purposes connected with The University of British Columbia and its students, situated in Vancouver, and Okanagan in British Columbia, Canada.

The University of British Columbia is one of the premier universities in Canada and is world renowned for its teaching and research. The principal activities of the Foundation are to make provision for students and teaching activities at the University to encourage and promote its mission and status as an educational institution.

In order to achieve this objective the Foundation amongst other activities:

- Makes provision of permanent and annual student awards and financial aid to students from the United Kingdom and other countries to enable or assist them to attend the University.
- Makes provision of permanent and annual professorships and research chairs for the advancement of learning.
- Makes provision for acquisition, improvement, replacement or repair of the buildings or other fixed assets of the University, either by new additions or otherwise.

Achievements and performance of the charity for the public benefit

In the 2021 financial year, the Foundation enabled UK donors to engage with various UBC initiatives including: the Law 75th Anniversary Bursary; Campora-Hanni Scholarship in Engineering; and the Bill Meekison Memorial Scholarship in Public Health.

The Foundation will continue to support UBC's existing and emerging priorities, and in particular its strategic plan, Shaping UBC's Next Century which was Launched in the Spring of 2018, and the Blue and Gold Campaign for Students.

Financial Review

The results for the year are set out on page 6. For the year under review the Foundation's principal source of income continued to derive from donations received, both restricted and unrestricted. Unrestricted donations totalled £2,000 (2020: £2,000) and restricted donations totalled £40,407 (2020: £79,655).

Expenses for the year totalled £38,683 (2020: £173,742), of which £36,484 related to grants paid to the University of British Columbia. Details of the grants paid can be found in note 6 on page 12. At the year end date, general reserves of the Foundation stood at £1,398 and the restricted funds stood at £5,344.

Reserves Policy

The Foundation's aims are to ensure that donated funds are delivered to the University of British Columbia to be utilised to support academic and student initiatives. Consequently the Foundation retains a very small level of reserves, sufficient to meet its statutory obligations and day to day requirements.

Events since the year end – Covid 19 Pandemic

It is important to note how the global Coronavirus pandemic has or might affect the Foundation and its work in the future.

The Trustees have carefully reviewed the future cash flows and whilst it is difficult to assess the full impact of the Covid-19 pandemic, they have nevertheless determined that at the time of approving these financial statements, the Foundation has sufficient reserves to continue as a going concern for the ensuing year.

Small company provisions

The above report has been prepared in accordance with the special provisions of Part 15 of The Companies Act 2006 relating to small companies.

Approved and authorised for issue by the Board of Trustees on 26th November 2021 and signed on its behalf by:

INDEPENDENT EXAMINERS' REPORT TO THE TRUSTEES OF
THE UK FOUNDATION OF THE UNIVERSITY OF BRITISH COLUMBIA
(A company limited by guarantee)

I report on the financial statements of UK Foundation of the University of British Columbia for the year ended 31 March 2021, which are set out on pages 6 to 15.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES

The principal accounting policies, all of which have been applied consistently throughout the year, were as follows:-

1.1 Basis of accounting

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015) the Companies Act 2006, The Charities Act 2011 and applicable regulations.

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

1.2 Going concern

The Trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast doubt on the ability of the Foundation to continue as a going concern. As explained in the Trustees Annual Report, the global pandemic and spread of COVID-19 has severely impacted many economies throughout the world.

The Trustees have assessed the impact Covid-19 may have on the Foundation's forecast and projections and have made this assessment for a period of at least one year from the date of approving these financial statements.

The Trustees have concluded that the Foundation has sufficient resources to continue in operational existence for the foreseeable future and consequently it is appropriate to continue to adopt the going concern basis in preparing its financial statements.

1.3 Fund accounting

General funds are unrestricted which are available for use at the discretion of the Trustees in the furtherance of the general objectives of the Foundation and which have not been designated for other purposes.

Restricted funds are funds subject to specific conditions imposed by the donor.

1.4 Income and Endowments

Income is recognised when the Foundation has entitlement to the funds, any conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from grants, whether 'capital' or 'revenue' grants, is recognised when the Foundation has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured and is not deferred.

Donated professional services and donated facilities are recognised as income when the Foundation has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the Foundation of the item is probable and that economic benefit can be measured reliably.

THE UK FOUNDATION OF THE UNIVERSITY OF BRITISH COLUMBIA
(REGISTERED COMPANY NUMBER 05042921)

(Company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

ACCOUNTING POLICIES - continued

1.4 Income and Endowments-continued

Unrestricted funds are available to spend on activities that further any of the purposes of the Foundation. Designated funds are unrestricted funds of the Foundation which the Trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for particular areas of the Foundation's work or for specific projects being undertaken by the Foundation.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

1.5 Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. A liability in respect of scholarships and/ or grants is recognised in full when the events have created a valid expectation in other parties that the Foundation will discharge its obligations.

Expenditure is classified under the following activity headings:

- Cost of raising funds are those costs incurred in attracting voluntary income.
- Expenditure on charitable activities includes all direct costs incurred relating to grants paid with associated support costs. Costs relating to the administration of grants and/ or scholarship awards are accounted for on an accruals basis.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

1.6 Allocation of support costs

Support costs are those functions that assist the work of the Foundation but do not directly undertake charitable activities. Support costs include office costs, finance, personnel, payroll and governance costs which support the Foundation's activities. These costs have been allocated entirely to the the sole activity of the Foundation, being that of supporting student learning including awards, research excellence and community engagement.

1.7 Fixed Asset Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing stock market price. The Statement of Financial Activities include the net gains and losses arising on the revaluation and disposals throughout the year.

THE UK FOUNDATION OF THE UNIVERSITY OF BRITISH COLUMBIA
(REGISTERED COMPANY NUMBER 05042921)

(Company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1.8 Realised gains and losses

All gains or losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between the sale proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between their fair value at the end of the year and their carrying value. Realised gains and losses are combined in the Statement of Financial Activities.

1.9 Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.10 Financial instruments

The Foundation has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments issues' of FRS 102 to all of its financial instruments. Financial instruments are recognised in the Foundation's balance sheet when it becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

1.11 Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

1.12 Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

**THE UK FOUNDATION OF THE UNIVERSITY OF BRITISH COLUMBIA
(REGISTERED COMPANY NUMBER 05042921)**

(Company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021**

1.12 Basic financial liabilities-continued

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

2. COMPANY STATUS

The Foundation is a charitable company limited by guarantee and does not have a share capital. In the event of the Foundation being wound up, the liability in respect of the guarantee is limited to £1 per member of the Foundation.

3. TAXATION

As a Charitable Company, the Foundation enjoys the benefit of exemption from taxation on income and gains falling within section 466-493 of Corporation Taxes Act 2010 and 256 of the Taxation of Chargeable Gains Act 1992, to the extent that these are applied for charitable purposes.
