Summary of the objects of the charity set out in its governing document

To protect, preserve, maintain and restore for the benefit of the people of Cornwall and of the nation at large the sites of the Oratory of St Piran and Church of St Piran in the Parish of Perranzabulow and to advance the education of the public by promotion of the cultural, historical and educational significance of the Oratory and Church of St Piran along with that of sites surrounding the Oratory and Church or connected with St Piran.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In undertaking the work of the Trust, we have sought to follow the Charity Commission's advice about public benefit.

Trustees had this to the fore in deliberations at various Trust meetings, though it is acknowledged that physical meetings have not happened in recent months because of the coronavirus health emergency.

Our key achievements are set out later in this document, but we would wish to make it clear that all our activities do meet our charity objectives and the promotion of the importance of the sites associated with St Piran for the benefit of local parishioners, the people of Cornwall and those from further afield.
