MANCHESTER CARERS FORUM

Report of the Directors for the year ended 31st March 2024

The Directors present their annual directors' report and financial statements of the charity for the year ended 31st March 2024 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Accounting and Reporting by Charities: Statement of Recommended Practice application to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

To relieve those who are sick, elderly, disabled, handicapped or otherwise infirm by the provision of advice and support to Carers in Greater Manchester.

To advance the education of the public by raising awareness in all matters relating to the care of those who are sick, elderly, disabled, handicapped or otherwise infirm and their Carers.

To do all such other charitable things in the pursuit of the objects stated above.

Manchester Carers Forum engages with carers in a variety of locations throughout the city, enabling carers to access support and information. Carers are signposted to other organisations that can give advice and provide support. We provide peer support through our Carer Support Service which delivers telephone, online and in-person befriending and support groups.

The Directors confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives, in planning future activities and setting the policies for the year.

Carers save the national economy over £132billion per annum. In delivering our activities we seek to ensure that there is on-going support for the unpaid carers in Manchester who make a significant contribution in kind to the economic wellbeing of our city. In this way, the charity furthers its charitable purposes for the public benefit.

We engage with carers to drive the direction of our work, across our various monthly carers support groups, coffee meetings and events throughout the year. Some of these groups receive additional funding from other charitable and corporate sources but staff must apply for these on an additional basis. Likewise, where we are able to secure additional funding we arrange breaks for carers to have much needed respite from the caring role.

Volunteers support the delivery of what we do. The majority of our volunteers are carers and former carers themselves, and full training and on-going support is provided. Our volunteer roles vary and include the provision of emotional support to carers, supporting the facilitation of support groups and involvement in our training and education work. For example, we work with universities in Manchester on the social work programmes to advance the knowledge and understanding of carers and care roles.

We also engage with the statutory sector on strategic issues affecting carers, including through Carers Manchester. Carers Manchester is a group of organisations that form the Carers Manchester

MANCHESTER CARERS FORUM

Pathway, which provides support to carers in a variety of ways including telephone and face to face support and local services.

A review of our achievements and performance

Our performance is measured against outcomes jointly agreed by ourselves and our funders and we have met and/or exceeded these outcomes. We have submitted regular reports to our funders and these reports contain both quantitative and qualitative evaluations together with financial returns.

Some of the most recent comments from carers who access our support are below:

"MCF has been a lifeline for me personally. Listen, informative and gaining knowledge from other fellow members."

"I am validated by other people; what I do is important."

"This carers group has given me a place to go and meet other carers so I don't feel isolated."

"After attending this group a few times I now feel I have permission to say exactly what I think."

"It is a great way to meet people in a similar caring situation. It makes you feel appreciated for what you can do and your role. It gives you the chance to socialise and feel free. It gives you the chance to ask questions, be heard and listened to and be informed."

"It's good that MCF organises trips and events because I find it difficult to focus on planning things for myself."

"What I have gained today has really brightened my day. Nothing else I go to is as good."

"It is a means of escape from what I am experiencing at home where I can meet other carers."

"The monthly newsletter is invaluable to keep up to date with what is available and going on for carers."

"Manchester Carers Forum means so much to me over the years. I have benefited so much for coming to the meetings and would recommend anybody who has the time to come to meetings."

"It's ideal for helping one cope with bereavement, especially in early stages. Having a chat with others in a similar situation makes grieving easier to cope with."

"Knowing you're there if I need to speak with someone, and knowing you really care."

Financial review

The Directors considered the budget for the year and made plans to ensure that expenditure did not outstrip income. They were prepared to use reserves but this was not necessary. Manchester Carers Forum derives its income from a number of sources. Our total income is made up of grants from statutory services and charitable trusts, consultancy and training, and from donations.

MANCHESTER CARERS FORUM

Investment powers and policy

Aside from retaining a prudent amount in reserves each year, most of the charity's funds are to be spent in the short term so there are few funds for any longer term investment. The Directors shall review this statement should excess funds become available.

Reserves policy

The balance held in unrestricted reserves at 31st March 2024 was £42,847 of which all are free reserves, after allowing for funds tied up in tangible fixed assets. The Directors aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The Directors consider that this level will provide sufficient funds to respond to applications for grants and ensure that support and governance costs are covered.

The charity's main source of income is grants. The Directors consider that it is appropriate to prepare the accounts on a going concern basis and, consequently, the accounts do not include any adjustments that would be necessary if these sources of income should cease.

Risk management

The Board of Directors has conducted a review of the major risks to which the charity is exposed. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Procedures are in place to ensure compliance with health safety of staff, volunteers, parents, children and visitors.

Plans for future periods

The charity plans to continue the activities outlined above in the forthcoming years subject to satisfactory funding arrangements.

Structure, governance and management

Manchester Carers Forum is a company limited by guarantee governed by its Memorandum and Articles of Association, originally dated 19 January 2004 and revised January 2019. It is registered with the Charity Commission and is constituted under a trust deed dated 19 January 2004.

Appointment of Directors

The charity may by ordinary resolution appoint a person who is willing to act to be a director; and determine the rotation in which any additional directors are to retire. No person other than a director retiring by rotation may be appointed a director at any general meeting unless they are recommended for re-election by the directors; or not less than fourteen nor more than thirty-five clear days before the date of the meeting, the charity is given a notice that is signed by a member entitled to vote at the meeting; states the member's intention to propose the appointment of a person as a director; contains the details that, if the person were to be appointed, the charity would have to file at Companies House; and is signed by the person who is to be proposed to show their willingness to be appointed.

All members who are entitled to receive notice of a general meeting must be given not less than seven or more than twenty-eight clear days' notice of any resolution to be put to the meeting to appoint a director other than a director who is to retire by rotation.

The directors may appoint a person who is willing to act to be a director.

MANCHESTER CARERS FORUM

The appointment of a director, whether by the charity in a general meeting or by the other directors, must not cause the number of directors to exceed any number fixed as the maximum number of directors.

Director induction and training

Manchester Carers Forum as an organisation focuses on carers and so the management committee seeks to ensure that the needs of this group are appropriately met and reflected. Director induction is provided as is access to training to ensure Directors are competent and confident in their roles.

Organisation

The Board of Directors administers the charity. A Chief Officer is appointed by the Directors to manage the day-to-day operations of the charity. The Directors are familiar with the practical working of Manchester Carers Forum, meeting a minimum of four times per year to receive full operational and financial reports, and have significant involvement in the development and agenda of the annual business planning sessions.

Related parties and cooperation with other organisations

None of our Directors receive remuneration or other benefit from their work with the charity. Any connection between a Director and senior manager with any service providers must be disclosed to the full board in the same way as any other contractual relationship with a related party. In the current year no such related party transactions were reported.

Directors' responsibilities in relation to the financial statements

The Directors are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the charity directors to prepare financial statement for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting principles and then apply them with consistency;
- Observe the methods and principles in the applicable charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is appropriate to presume that the charity will continue in business.

The Directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2006. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the Board of Directors

Gaynor Morgan
Chair

Date: 24th July 2024

Independent examiner's report to the trustees of MANCHESTER CARERS' FORUM

I report on the accounts of the company for the year ended 31st March 2024, which are set out on pages 7 to 17.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of The Association of Chartered Certified Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act ;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006, ; and
 - with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts for the year ended 31st March 2024

1. Accounting policies**(a) Basis of preparation and assessment of going concern**

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

(b) Funds structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. There are 2 restricted funds.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

Further details of each fund are disclosed in note 15.

(c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

(d) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

(e) Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

(f) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination and legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on type of expense.

The allocation of support and governance costs is analysed in note 8.

(g) Costs of raising funds

The costs of raising funds consists of income generation, licences, marketing and website costs.

(h) Charitable Activities

Costs of charitable activities include governance costs and an apportionment of support costs as shown in note 6.

Notes to the accounts for the year ended 31st March 2024

(i) Tangible fixed assets and depreciation

All assets costing more than £500 are capitalised and valued at historical cost. Depreciation is charged on the following basis:

Computers	33.33% on cost
Equipment	25% on cost

(j) Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their varying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

(k) Pensions

The charity currently administers contributions to a pension scheme on behalf of individuals. The charity has no liability beyond paying the deductions over to the pensions company.

(l) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(m) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2. Related party transactions and trustees' expenses and remuneration

The trustees all give freely their time and expertise without any form of remuneration or other benefit in cash or kind (2023:£nil). Expenses paid to the trustees in the year totalled £nil (2023: £nil).
