Structure, governance and management

Governing Documents

LymeArts Community Trust Limited is a company limited by guarantee governed by its Memorandum and Articles of Association. It is a charity registered with the Charity Commission.

Appointment and Induction of Trustees

Trustees are elected annually at the Annual General Meeting. The existing trustees have the power to co-opt additional trustees to the board during the year until the following Annual General Meeting, where they may be re-elected by the trustees. In accordance with the articles of association one third of the trustees retire from office at the Annual General Meeting and are eligible for re-election.

New trustees undergo an orientation to brief them on their legal obligations under charity and company law, the content of the Articles of Association, the committee and decision-making processes, the business plan and recent financial performance of the charity. During the induction they meet the employees and other trustees. The trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

Changes to the Board of Trustees

There were two changes to the Board of Trustees during the financial year.

Dave Edwards and Karol Kulick both stood down as board members as of 1st January 2021.

The current board continues to have a wide range of skill sets.

Objectives and activities

The Charity's objects are to advance education in and to foster and promote the maintenance, improvement and development of the performing arts, and to encourage knowledge, understanding and appreciation thereof among the inhabitants of Lyme Regis and surrounding district without distinction of sex, sexual orientation, race, age or political, religious or other options.

The Trustees have regard to the commission's public benefit guidance. All of the charitable activities are undertaken to further our charitable purpose for the public benefit.

Achievements and performance

The start of the financial year saw the Theatre closed with the advent of the Covid lockdown restrictions. These started in late March 2020 until early September 2020.

During this period of closure, the Theatre started a hugely popular online 'Play reading group' drawing up to eighty participants. The popular 'Sunday Sessions' which features local musicians was moved online during this period.

The Theatre reopened in September 2020 with social distancing regulations in place. Events were held outside on Theatre Square which included a jazz concert, and Romeo and Juliet, both of these events had huge support from the local community.

During October, a couple of socially distanced indoor screening took place, these included Mathew Bourne's Red shoes and Frida Khalo. These indoor events were received more cautiously than the outdoor events by our customers.

During November and December further screened events took place- Uncle Vanya and War Horse along with our annual free Christmas film. The Theatre was then mandated by government lockdown restrictions to close until May 17th, 2021. and resulted in the Theatre being totally closed for the majority of the financial year.

Costs

The Theatre took advantage of the Governments Furlough scheme and this scheme provided income that covered the majority of staff costs, the Theatre was effectively mothballed for most of the financial year with items like utility costs kept at a minimal level.

Grants

The period of lockdown enabled a renewed focus on grant applications, the team applied for grants to cover operating costs and reopening costs, these came from the Arts Council and the recovery fund. Other successful grant applications included funding for various improvements to equipment and building improvements as well as a grant towards the cost of the next community play. The grant from LRTC effective from April 2020 for the next five years was also agreed in principle with confirmation being received after the end of this financial year.

Building

Work continued on the backstage area with the structural work on the dressing rooms and the backstage corridors being completed within Government Guidelines. Redecoration of the exterior commenced and will be completed during the next financial year. New windows for the bar were ordered with the installation being completed in August 2021.

Financial review

The Charity received total income of £236,379 during the year (2020: £439,336), of which £215,894 was unrestricted (2020: £380,496) and £20,485 was restricted (2020: £58,840). Expenditure totalled £143,807 (2020: £354,969), all of which was unrestricted (2020: all unrestricted). As at 31 March 2021, the charity had unrestricted reserves of £414,323 (2020: £332,243) and restricted reserves of £143,886 (2020: £133,394). Further details can be found in the Statement of Financial Activities.

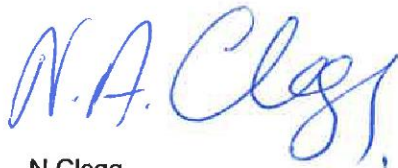

Plans for future periods

The charity plans to build on the progress made in this year, continuing to provide a diverse programme of performances to ensure that the Theatre serves all members of its local community.

Independent Examiner's Report to the Trustees of LymeArts Community Trust Ltd

Year ended 31 March 2021

I report to the trustees on my examination of the financial statements of LymeArts Community Trust Ltd ('the charity') for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Notes to the Financial Statements

Year ended 31 March 2021

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Timberly, South Street, Axminster, Devon, EX13 5AD, UK.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

LymeArts Community Trust Ltd

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2021

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Property improvements	- 5% straight line
Office equipment	- 25% straight line

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

LymeArts Community Trust Ltd

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 March 2021

3. Accounting policies *(continued)*

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Limited by guarantee

LymeArts Community Trust Limited is a company limited by guarantee and accordingly does not have a share capital. Every member of the company undertakes to contribute such amount as may be required, not exceeding £1, to the assets of the charitable company in the event of it being wound up while he or she is a member, or within 1 year after he or she ceases to be a member.

25. Post balance sheet events

After the closure of the 2020 financial year, there were no events that could have a significant effect on the Charity's financial statements. However, it should be noted that, at the date of preparation of the financial statements, the instability factor relating to the health emergency due to the spread of Coronavirus should not be underestimated. The Charity continues to review the scenario and evaluate the actions to mitigate the impact to the entity. The Charity has adopted initiatives to safeguard the health of its people and has implemented actions aimed at maintaining operational activity.
