REPORT OF THE BOARD OF Trustees

For The Year Ended 31 March 2024

The Board of Trustees has the pleasure in presenting their report and the Financial Statements reviewed by the independent examiner for the year ended 31 March 2024.

GOVERNING

The organisation is managed by the Board of Trustees according to the organisation constitution. The Trustees are elected every two year to oversee the overall activities and monitor the organisation day-to-day running.

OBJECTIVE

1. Provide facilities for recreation or other leisure time occupation with the object of improving their conditions of life of persons who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances.
2. Preserve and protect physical and mental health.
3. Advance education and training so as to advance in life and assist with the adaption within a new community.
4. Relieve unemployment by the provision of vocational and skills training, advice and support as the Trustees see fit for the benefit of young people of minority ethnic groups in central London.

The Central London Youth Development was set up in 1996 by a group of young which until 2000 was an informal organisation run by its organisers. In 2000, it had transformed into formal shape with a formal structure and constitution. It is a registered charity and working with the young people from the diverse backgrounds in Central London to increase their aspiration , promote their social behaviour and ensure their effective participation in all aspects of community life.

The Central London Youth Development mission is to create a social framework for the young generation in an acceptable manner and formulate a robust body of young challengers for the constructive resolution on their own situation. The Central London Youth Development provides effective support to achieve excellence by promoting social behaviour of young generations of ethnic minorities, who are in many ways excluded and at risk.

REVIEW AND RESULT

The Trustees present their report and financial statements for the period 1st April 2023 to 31st March 2024.

Central London Youth Development reports a deficit o of £20562 on the operations for the year under review. The fluctuations in debtors and creditors year on year are purely the result of the timing of receipts and payments around the year end.

INDEPENDENT EXAMINER'S REPORT ON THE UNAUDITED FINANCIAL
STATEMENTS TO THE TRUSTEES.

In accordance with the general directions given by the Charity Commission we have compiled the Financial Statements comprising Income and Expenditure account for the year ended 31 March 2024 and Statement of Assets and Liabilities as on that date.

The trustees consider that an audit is not required for the year under section 43(2) of the charity Act 1993. The Procedures we have undertaken do not provide all the evidence that would be required in an audit therefore no opinion is given as to whether the accounts present a 'true and fair' view.
