THE NORTHAMPTON DIOCESAN PRIESTS' FUND

Report of the Trustees for the Year Ended 31 March 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

In planning the activities for the year in order to carry out the objectives of the fund, the Management Committee have considered the Charity Commission guidance on public benefit.

The objectives of the Fund, as detailed in its Memorandum of Association, are "the aid of Secular Priests of the Diocese of Northampton who are permanently or temporarily incapacitated by old age, infirmity, illness or accident."

Members of the Fund, who are all secular priests of the Diocese of Northampton, have the right to seek assistance from the Fund, and the Management Committee has the duty to consider all such requests. Donations are received, principally from members of congregations of the Catholic parishes of the Diocese, to fulfil these objectives. Hence the principal benefits are received by those priests who have received grant aid or other support during the year. However these priests have given many years of service to the Church in the Diocese of Northampton and provided much support, spiritual and otherwise, to the Catholic community in the parishes which they served.

In the case of Priests who are sick, the committee will try to provide such assistance as will enable them to resume their active ministry as quickly as possible. This will include assistance with the costs of surgery, of psychiatric and other treatment, and of convalescence, where these have been recommended by medical practitioners and approved by the Bishop.

In the case of Priests who have retired, the Committee will try to enable them to live in reasonable comfort and will take into account their individual views, needs and capabilities. Some receive monthly grants to supplement their income. Others make applications to the fund based on individual need. All payments are at the discretion of the Management Committee and are reviewed regularly.

Report of the Trustees for the Year Ended 31 March 2021

Achievement and performance

The fund has been affected by covid restrictions along with many other organisations and as a result has not received any cash donations or benefitted from parish collections during this year, our members have continued to support us however by making donations directly to the Diocese of Northampton. It also receives legacy income and income on its investments. The Fund has continued to support retired and sick clergy of the Diocese. The total grants payable to retired and infirm priests during the year was £4,700 (2020 £6,931) to 24 individuals along with Christmas grants payable to priests over 70 (2020 23).

A payment of £250,000 was also made in the year from the investment portfolio to the Diocese of Northampton for care of sick clergy

Total incoming resources in the year were £39,684 (2020 £87,970) and outgoing resources were £268,449 including the £250,000 donation (2020 £17,717). There were therefore net incoming resources of (£228,765 (2020 £70,253) before unrealised gain on investments of £532,478 (2020 loss £199,082).

The Fund holds investment portfolios with Brewin Dolphin and Rathbones through The Diocesan Investment Trust and receives monthly and quarterly investment income. The total value of investments as at 31 March 2021 was £2,329,500 (2020 £1,598,085) which the committee considers as very healthy and are satisfied with the ongoing performance of the portfolios.

The Fund asks both investment companies to maximise the total return through a diversified portfolio, subject to some ethical considerations, for example, to avoid investing in securities which might conflict with Catholic Social teaching or are environmentally unsound. The committee considers the Fund as medium risk investors.

With respect to Rathbones, the Diocese Investment Committee meet twice yearly with them to discuss performance, which a current trustee of the Fund attends. The reason why Rathbones were chosen for the investment portfolio is because they were the managers on the split of The Northampton and East Anglia Clergy Fund, as well as the Diocese. The committee have been very happy with their performance.

With regards to Brewin Dolphin, they acted for a legator who left a portfolio of shares to the Fund. These had similar performance and ethical requirements and so the decision was taken to appoint them to manage this part of the portfolio. Trustees remain happy with their performance.

Financial review

The Management Committee reviews the level of reserves and also income and expenditure in order to ascertain the resulting impact on reserves. The Management Committee is also continuing to review future income streams in the light of the age profile of secular Priests of the Diocese in order to assess how their likely requirements can be resourced. They are also working closely with The Northampton Roman Catholic Diocesan Trust as to what role the Diocese will take in the support of priests in retirement.

Total funds at 31 March 2021 were £2,469,479 (2020 £2,165,766) being unrestricted general funds.

The reserves policy of the Fund is to maintain sufficient reserves to allow for the potential needs of the member priests, bearing in mind their age and state of health. How much this actually amounts to is difficult to ascertain but the committee considers the existing reserve levels are prudent due to the current age profile of our Clergy.

Notes to the Financial Statements for the Year Ended 31 March 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Legacies

Legacies as with all voluntary income is recognised in the period in which the charity is entitled to the resource, when receipt is virtually certain, and when the amount can be measured with sufficient reliability.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Going concern

After reviewing the charity results, the trustees have reasonable expectation that the charity has adequate resources to continue for the foreseeable future.
