ACHIEVEMENTS AND PERFORMANCE

Review of Activities

The Charity is consolidating the gains of previous developments and has successfully ministered to the needs of various social groups within and outside the church. The church provides forum for manpower development for its members to be equipped educationally, socially and spiritually.

The Charity is an active member of the Braintree Association of Churches Together (BACT) which regularly liaises with the council and supports the Braintree Council community activities. The church is actively involved in joint programmes organised by the BACT within the community which is beneficial to the community as a whole. Every Christmas we reach out to the homeless shelter in our community and also organise a Christmas outreach within our community. We also join in the Braintree carnival, an annual community celebration.

This year to the glory of God we purchased the whole of our current building (85-91 East Street, Braintree CM7 3JW) from the landlords to use both the front and back of the building as a place of worship which would allow us to accommodate more people and further the gospel of our Lord Jesus Christ to Braintree and environs.

We support the Christian Youth Outreach (CYO), which caters for the spiritual needs of children and teenagers in various primary and secondary schools in Braintree.

We offer services at the old people's home on a monthly basis. Whilst we initially visit only the Braintree Nursing Home every second Sunday, we have since added the Millard House Centre as one of our outreach activities every third Sunday. Both homes look forward to our monthly visits and we feel privileged to be able to affect lives positively this way. We also send gifts to the homes at Christmas and the Braintree Foyer, an organization that looks after homeless teenagers and youth.

We were also privileged to be invited to minister in songs at the Braintree Freeport in October and December as well as ministering at the George Yard in Braintree Town Centre.

With the advent of technology and online meetings during and after the pandemic, it has allowed homes to join and participate in our live Church services which has been a joy to see.

We have an active children, teenagers, and youth church where they are taught and guided through this stage of their life, to help them grow into responsible adult members of the community and the church organises team building exercise for them so that they can learn how to effectively work in a team and more importantly have fun. They are encouraged to bring their friends from the community.

We support some vulnerable people at Christmas via the Braintree District Council as required by providing hot meals at Christmas, Christmas food essentials to the needy etc.

Detailed Statement of Financial Activities

We have a market stall outreach centre at the Braintree town centre which affords us the opportunity to reach out to our community. At the market stall, members of the community drop in for a chat or sometimes for prayers. Also, the BME group from the council makes use of one of the rooms in the church from time to time.

The church organises a yearly conference tagged “Catch the Fire Conference” which includes seminars, health talks, musical outreach, youth empowerment seminars amongst others. We also organise a singles and couples retreat to help foster peace, joy, and harmony in homes.

FINANCIAL REVIEW

Reserves Policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ("the free reserve") held by the church should be 3 months of annual expenditure. At this level, the Trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

Principal Funding

This is provided majorly through voluntary tithes and offerings by the church members and through the gift aid scheme. Pledges are also taken for specific projects.

Plans for the Future

The Charity aims as part of fulfilling its main objectives to continue to explore various ways of spreading the gospel of Jesus Christ in an effective manner. The Charity is also looking to grow in membership and continue to develop its members to make life-changing impact on the society. The Charity hope to reach out to more old peoples' home in the community.

With the completion of the purchase of our Church building, we are now in the process of getting the current rear building heat and sound proof with the aim of doing the same thing to the front. In the meantime, we will process the planning permission for change of use of the front building once the current tenant vacates.

We are also very hopeful that one of our proposed plan for the future of creating a food bank walk-in centre within the Church premises would be actualised with the purchase of the Church building.

Whilst we currently have a food bank primarily accessed by members, we aim to extend this out to the whole community. We intend to set this up by collecting the food items from local stores and shops and making it available freely to any member of the Braintree Community irrespective of their background. This is to positively impact the lives of people in the community with access to food. The centre will be manned by volunteers.

(United Kingdom Accounting Standards and applicable law). They are also responsible for safeguarding the assets of the Charity and hence for taking any reasonable steps for the prevention and detection of fraud and other irregularities.
