STRUCTURE, GOVERNANCE AND MANAGEMENT

ASSOCIATION OF MUSLIM SCHOOLS UK is a charitable company limited by guarantee governed by a Memorandum of Association and Articles of Association incorporated on the 13th October 2003 as amended on the 22 October 2014 and 25 August 2021. It was registered as a charity with the Charity Commission on the 27th May 2004.

OBJECTIVES AND ACTIVITIES

The objectives of the organisation, as set out in its governing document are to promote and advance the education of children and young people attending full-time Muslim faith schools according to the teachings of the Qur'an and the sunnah, and to improve the provision and effectiveness of said schools by providing advice, guidance and support to said schools and those wishing to establish Muslim schools. The charity acted as the primary voice for Muslim independent schools and education of Muslim children. It enhanced its engagement with the Muslim school sector during the year, delivering a multitude of support and development programmes that enhanced the quality of education in the schools and the tarbiyah of their pupils.

The charity continued to represent the interests of the independent Muslim school sector by engaging with government ministers and departments, other school sector groups and stakeholders, especially to mitigate the impact of VAT on schools.

The vision, mission and strategic objectives agreed previously was refreshed.

Despite a difficult funding climate, the charity continued its work to support schools with guidance, information, training and resources. Some of the activities delivered during the year include:

ACHIEVEMENTS AND PERFORMANCE

The charity has provided educational training, guidance and support to over 100 schools. It has undertaken other activities as follows:

- Training events
- Annual General Meeting
- Tech Fair
- Inspection Briefing
- School Leadership Conference
- Section 48 update.
- Advertised school vacancies for free for member schools.

We have a more joined up approach with our schools and are forging new partnerships that drive up standards and showcase the immense value and contribution of Muslim independent schools to children's life chances and wider society. With more funding, we can increase and deepen our support to the sector and are grateful to our members and funders for their contributions and investment.

PUBLIC BENEFIT STATEMENT

The Trustees have considered the general guidance on public benefit issued by the Charity Commission and has taken due regard of that guidance. The Trustees consider that they are satisfied that the charity's activities have benefited the public as it has advanced education for the benefit of schools and their pupils. It has enhanced the quality of teaching within schools and developed teachers into more competent professionals.

FINANCIAL REVIEW

The income for the period was £1,91,371.00, last year which was a £151786.00 The charity continued to hold training events and the expenditure incurred for the year was £175256.00. The trustees do not have a formal reserves policy but have agreed to maintain reserves for 3 months of administrative costs to cater for loss of income so that there is continuity in terms of the main office operation.

The trustees intend to seek more donations from trusts and foundations in the future.

PLANS FOR FUTURE PERIODS

The charity would like to continue to develop the services further by attracting more people and schools to attend events. This will help to meet the needs of the public and the needs of the schools.

We incurred a deficit during the year due to reduced income and increased workload. We have put in place a mitigating plan in place and intend to raise additional funding to sustain the future work if the charity.

Statement of Trustees' Responsibilities:

Under the Charities Act 2011, the trustees are required to prepare a statement of accounts for each financial year which gives a true and fair view of the state of affairs of the charity at the end of the financial year and of the incoming resources in the year. In preparing the statement the trustees are required to:

- *Make judgements and estimates that are reasonable and prudent,
- *State whether applicable accounting standards and statements of recommended practice has been followed, subject to any material departures disclosed and explained in the statements of accounts.

**Report to the trustees on the preparation of the unaudited accounts of
Association of Muslim Schools,UK
For the year ended 31 March 2025
Charity No:1103996**

I have examined the accounts on page 7 to 10, which have been prepared on the basis of accounting policies set out on page 9.

Respective responsibilities of trustees and examiner

The Charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under Section 44 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under Section 145 of the Charities Act.
- to follow the procedures laid down in the general directions give by the charity Commission (under section 145(5)(b) of the Charities Act) and
- to state whether particular matters have come to my attention.

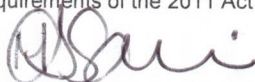

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statements

In connection with my examination, no matter has come to my attention which gives me any reasonable cause to believe that, in any material respect, the requirements have not been met:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord the accounting records and comply with the accounting requirements of the 2011 Act

Notes to the Accounts
For the year ended 31 March 2025

1. Accounting Policies

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial statements.

1.1 Basis of Accounting

The financial statements have been prepared under the historical cost convention and in accordance with the applicable Accounting Standards, the Statement of Recommended Practice "Accounting and Reporting by Charities" published in March 2005. The principal accounting policies adopted in the preparation of the financial statements are set out below.

1.2 Incoming Resources

Voluntary income and donations are included in incoming resources when they are receivable, except when the donors specify that they must be used in future accounting periods or donors' conditions have not been fulfilled, then the income is deferred. The income from fundraising ventures is shown gross, with the associated costs included in fundraising costs.

1.3 Resources Expended

All expenditure is accounted for on an accruals basis and has been listed under headings that aggregate all the costs related to the activity. Where costs cannot be directly attributed they have been allocated to activities on a basis consistent with the use of the resources. Direct costs, including directly attributable salaries, are allocated on an actual basis to the key strategic areas of activity. Overheads and other salaries are allocated between expenses headings, on the basis of time spent. Governance costs are those incurred in connection with the management of the Mitalee Youth Association's assets, organisational administration and compliance with constitutional and statutory requirements.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets costing more than £500 are capitalised and included at cost including any incidental costs of acquisition. Depreciation is provided on furniture & equipment at the rate of 20% on cost.
