I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **05/04/2025**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

During 2024-2025 the UK CLL forum has maintained a continued educational role by organising two scientific meetings for the CLL academic community, involving clinicians, basic/translational researchers and patient groups.

The scientific meeting in March is typically held in-person whilst the clinical meeting in October is a hybrid meeting.

Attached to these scientific meetings, the charity executive committee meets to review our activity, financial position and plan ahead for activities in the subsequent financial year, these meetings have been well attended.

The member base of the UK CLL Forum continues to expand, we have welcomed this year excellent colleagues from the CLL community into the forum and the executive committee. We appointed two new executive members [Dr N Chavda (Bristol), Dr D Dutton (Southampton) and Dr D. EL-Sharkawi (Royal Marsden Hospital)]. In particular we are pleased to welcome back a representative from Northern Ireland (Dr. David Waddell) into the committee, part of the UK that has not had representation in the charity for some years.

The main achievement in activity has been the incorporation into the UK CLL forum of the UK CLL study group whose remit is to develop clinical trials. This group will continue to function under the umbrella of the UK Blood Cancer Research Network, but its governance, composition and membership will fall under the UK CLL Forum executive committee. The study group chair, Dr P Patten is an active member of the executive committee and will continue to work in close relationship with the UK CLL forum chair.

This year the new treatment guidelines for CLL have been published, led by Dr. R. Walewska, and under the framework of the BSH guidelines. The guidelines set a new benchmark for treatment, incorporating the most recent evidence and the relevant targeted agents that are currently reimbursed in the UK.

We have organised a basic education course, held during January in collaboration with CLL Support Association. This is a virtual course directed to the CLL community, bringing to the table the latest updates from the scientific conferences in the preceding calendar year.

We have continued to support trainees with travel awards to attend major conferences, so they have the opportunity to present their work. In this year we had an excellent participation in the iwCLL meeting, that led to travel support for over £6000 to participants from different centres in the UK.

From the next year we will be pioneering an early career researcher forum that will be held in parallel to the scientific meetings. This young investigator meeting will allow young members of the CLL community to present their work, interact and build strong relationships for the future.

In addition, we awarded the annual Hamblin prize and Catovsky Oral prize, of £500 each, and a Catovsky Poster Prize of £200.

The current CLL Forum initiatives are:

- Running a basic CLL course (annually in the winter)

- Ongoing CLL-focused educational session within the British Society of Haematology annual scientific meeting (Spring)
- A newsletter
- Promotion of a vaccination booklet with CLLSA
- Development of a guidance booklet for GPs
- Collaboration with ERIC (European Research Initiative CLL)
- Collection of Real World Data (RWD) on:
 - EPIC project
 - UNCOVER using an NCRAS/PHE- database of 31,000 patients with CLL.
- Expanding travel eligibility for CLL scientists
- Promotion of the national clinical trial MDT for CLL

After leading the UK CLL Forum Committee for the last 5 years, Dr Renata Walewska has come to the end of her term. She has been proposed as a new trustee in the latest executive committee meeting and has been formally appointed as a new trustee of the charity since October 2025.

Dr Walewska has been succeeded by Dr Nicolas Martinez-Calle, Consultant Haematologist in Nottingham. In addition, Dr Nilma Parry-Jones had stepped down as treasurer after a long tenure and has been replaced by Prof Jon. Strefford.

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

During 2022-2023 we have continued education by organising two meetings per year one scientific and one clinical. The scientific meeting in March and October both were hybrid meetings.

We have organised a basic education course.

We have continued to support trainees with travel awards to attend major conferences, so they have the opportunity to present their work.

In addition, we awarded the annual Hamblin prize and Catovsky prize, of £500 each.

The new executive members Dr Stella Williams, Prof. Francesco Forconi and Dr Satyen Gohil.

The current CLL Forum initiatives are:

- Running a basic CLL course (annually in the summer)
- A newsletter
- Promotion of a vaccination booklet with CLLSA
- Development of a guidance booklet for GPs.
- Initiation of a surrogate Family & Friend buddy with Leukaemia Care: pilot launched
- Promoting wellbeing for patients and healthcare professionals.
- Collaboration with ERIC (European Research Initiative CLL)
- Collection of Real World Data (RWD) on:
 - EPIC
 - IVIG survey/audit patient led
 - NCRAS/PHE- database of 17,000 patients.
- Expanding travel eligibility for ALL scientists

Section E

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended DD / MM / YYYY.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
